**DISTRICT DEPARTMENT OF THE ENVIRONMENT  
NOTICE OF PUBLIC HEARING  
ON  
AIR QUALITY ISSUES**

Notice is hereby given that a public hearing will be held on Monday, March 31, 2008 at 6:00 p.m. in the 6<sup>th</sup> floor conference room at 51 N Street, N.E. Washington, D.C. This hearing provides interested parties an opportunity to comment on proposed State Implementation Plan (SIP) revisions regarding certain Clean Air Act (CAA) requirements under sections 110(a)(2)(A)-(M).

A SIP identifies how each state will attain and/or maintain the primary and secondary National Ambient Air Quality Standards (NAAQS). The SIP is a complex, fluid document containing regulations, source-specific requirements, non-regulatory items such as plans and inventories, and in some cases, additional requirements promulgated by the U.S. Environmental Protection Agency (EPA). The initial SIPs for states were approved on May 31, 1972, however, SIPs are under continuous revision as new standards and rules are implemented. The federally enforceable SIP for the District of Columbia is compiled in 40 CFR Part 52 Subpart J.

This SIP revision is a compilation of elements that describe how the District of Columbia is implementing the Fine Particulates (PM<sub>2.5</sub>) NAAQS. The elements of this SIP revision, once approved by EPA, will provide a federally enforceable written confirmation of how the District of Columbia will continue to comply with the Section 110(a)(2) requirements of the CAA.

The requirements of Section 110(a)(2)(A)-(M) relate to: enforceable emission limits and schedules for compliance; monitoring, source testing and emissions reporting; recordkeeping and reporting requirements; and permit fees. Some requirements, such as those for intergovernmental consultation and air quality modeling are fulfilled during the development and submission of SIP attainment plans. Copies of the proposed SIP revisions are available for public review during normal business hours at the offices of the District Department of the Environment (DDOE), 51 N Street, NE, Room 6051, Washington, D.C. 20002 and on-line at <http://ddoe.dc.gov/ddoe>

Interested parties wishing to testify at this hearing must submit in writing their names, addresses, telephone numbers and affiliation, if any to Ms. Cecily Beall at DDOE by 4:00 p.m., March 31, 2008. Interested parties may also submit written comments to Ms. Cecily Beall, DDOE Air Quality Division, 51 N Street, NE, 3<sup>rd</sup> floor, Washington, DC 20002 or submit comment to her by email at [Cecily.beall@dc.gov](mailto:Cecily.beall@dc.gov). No written or email comments will be accepted after March 31, 2008. For more information, call Ms. Olivia Achuko at 202-535-2997 or email her at [olivia.achuko@dc.gov](mailto:olivia.achuko@dc.gov)
