17-351

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To approve the proposed compensation system changes recommended by the Mayor for certain Legal Service employees not covered by collective bargaining employed in the Office of the Attorney General for the District of Columbia and other District government agencies.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Legal Service Non-Collective Bargaining Unit Employees Compensation System Changes Approval Resolution of 2007".

Sec. 2. (a) Pursuant to sections 858, 1104, and 1106 of the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective March 3, 1979 (D.C. Law 2-139; D.C. Official Code §§ 1-608.58, 1-611.04, and 1-611.06), the Council approves the proposed compensation system changes recommended by the Mayor for Legal Service attorneys not covered by collective bargaining employed by the Office of the Attorney General for the District of Columbia ("OAG") and other District government agencies, excluding Senior Executive Attorney Service ("SEAS") employees and non-SEAS attorney managers in the OAG and by other District government agencies who are paid under a LX pay schedule (collectively "covered employees"), which were transmitted to the Council by the Mayor on September 17, 2007.

(b) The proposed compensation system changes shall not be applicable to Legal Service employees of the Office of the Chief Financial Officer and the Board of Trustees of the University of the District of Columbia.

(c) The proposed compensation system changes shall combine the Non-OAG Legal Service pay schedule, approved by the Legal Service Non-Collective Bargaining Unit Employees Compensation System Changes Approval Resolution of 2006, effective April 4, 2006 (Res. 16-591; 53 DCR 2862), and the OAG pay schedule, approved by the Office of the Attorney General for the District of Columbia Legal Service Non-Collective Bargaining Employees Compensation System Changes Approval Resolution of 2005, effective October 11, 2005 (Res. 16-320; 52 9317), into one pay schedule.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency, due to Congressional review, with respect to the need to dissolve the boards of directors of the National Capital Revitalization Corporation and the Anacostia Waterfront Corporation, to clarify the powers, duties, and responsibilities that the Mayor and the District assume after the board of directors are dissolved, to create a nonlapsing special account fund and segregated capital accounts for the transfer of funds from the National Capital Revitalization Corporation and Anacostia Waterfront Corporation to the District, and to establish environmental and hiring standards within the Anacostia Waterfront Development Zone; and to repeal the National Capital Revitalization Corporation Act of 1998, the Anacostia Waterfront Corporation Act of 2004, and the National Capital Revitalization Corporation and Anacostia Waterfront Reorganization Act of 2007.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "National Capital Revitalization Corporation and Anacostia Waterfront Corporation Reorganization Clarification Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) The National Capital Revitalization Corporation and Anacostia Waterfront Corporation Reorganization Clarification Emergency Act of 2007 was passed by the Council on July 10, 2007, and the National Capital Revitalization Corporation and Anacostia Waterfront Corporation Reorganization Clarification Temporary Act of 2007 was passed by the Council on 2nd reading on September 18, 2007.

(b) The emergency act will expire on October 18, 2007, before the temporary act will take effect. The temporary act has not yet been sent to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code 1-206.02(c)(1)).

(c) Congressional review will not be completed before October 18, 2007.

(d) It is of vital importance to the smooth transition of National Capital Revitalization Corporation and Anacostia Waterfront Corporation assets, liabilities, and responsibilities that the provisions of the emergency act continue in effect, without interruption, until permanent

To declare the existence of an emergency, due to Congressional review, with respect to the need to amend the Omnibus Sports Consolidation Act of 1994 to allow the Mayor to designate a District government official to serve as an ex-officio member of the District of Columbia Sports and Entertainment Commission Board of Directors.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Omnibus Sports Consolidation Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) The Omnibus Sports Consolidation Emergency Amendment Act of 2007 was passed by the Council on July 10, 2007, and the Omnibus Sports Consolidation Temporary Amendment Act of 2007 was passed by the Council on September 18, 2007.

(b) The emergency act will expire on October 23, 2007, before the temporary act will take effect. IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency, due to Congressional review, with respect to the need to allow students in the District to carry and self-administer their medication to treat asthma attacks and other life-threatening reactions.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Student Access to Treatment Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) Nationally, asthma is the most common chronic childhood disease, affecting nearly 10 million children. It is the third-ranking cause of hospitalization among children, accounting for 14 million lost school days every year. The cost of treating childhood asthma is estimated to be \$3.2 billion per year.

(b) Children diagnosed with asthma are instructed by their doctors to carry their inhalers at all times to treat symptoms immediately. When asthma is properly managed, children suffer milder symptoms and have fewer medical emergencies, and their school attendance improves.

(c) When treatment for an asthma attack is delayed, symptoms worsen and the eventual administration of treatment is less effective, requiring more medication over a longer period of time to return lung capacity to normal. For a child, the risk of side effects increases as additional medication is required.

(d) Forty-seven states allow school children to carry inhalers while in school to treat asthma attacks. Forty states allow students to carry epinephrine pens to treat severe allergic reactions. Even though many of these attacks begin at school, District law did not allow students to carry their inhalers or epinephrine pens in school.

(e) In July 2007, the Council enacted the Student Access to Treatment Emergency Act of 2007, effective July 26, 2007 (D.C. Act 17-82; 54 DCR 7999) ("Emergency Act"), which authorized students in the District to carry and self-administer their medication to treat asthma attacks and other life-threatening reactions. The Emergency Act expires on October 24, 2007.

(f) Temporary legislation, the Student Access to Treatment Temporary Act of 2007, passed on 2nd reading on September 18, 2007 (Enrolled version of Bill 17-314), must complete

To declare the existence of an emergency, due to Congressional review, with respect to the need to authorize the Mayor to seek the appointment of a receiver to operate a hospital under specific circumstances, including when the Mayor determines that the hospital has substantially or habitually violated standards of health, safety, or patient care.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Establishment of a Hospital Receivership Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) Greater Southeast Community Hospital ("GSCH") is a 450-bed facility that serves as a critical access point for thousands of District residents seeking health services. It is the only District hospital located east of the Anacostia River.

(b) In 1999, Doctors Community Healthcare Corporation, now known as Envision Healthcare, Inc., purchased GSCH out of bankruptcy. Since then, service delivery at the hospital has steadily deteriorated, placing the health and safety of District residents at serious risk.

(c) It is essential that the District have at its disposal all the necessary tools to ensure that patient safety and quality of care at GSCH is not compromised.

(d) The viability of GSCH is of enormous importance to the entire healthcare infrastructure of the District. Its deterioration not only affects those individuals who utilize the hospital as their main point of care, but the District as a whole, for GSCH currently provides over \$26 million in community care services, including breast and cervical cancer screenings, inpatient and outpatient care for Medicaid beneficiaries, acute care for individuals with mental illness, and health services for individuals housed at the D.C. Jail.

(e) Given the critical role GSCH plays within the community, it is imperative that the District have the ability, if necessary, to appoint a receiver to assist this ailing hospital, to correct its noted deficiencies, and to ensure patient safety and welfare.

(f) In July 2007, the Council enacted the Establishment of a Hospital Receivership Emergency Act of 2007, effective July 27, 2007 (D.C. Act 17-81; 54 DCR 7993) ("Emergency Act"), which authorized the Mayor to seek the appointment of a receiver to operate a hospital under specific circumstances. The Emergency Act expires on October 25, 2007.

(g) Temporary legislation, the Establishment of a Hospital Receivership Temporary Act of 2007, passed on 2nd reading on September 18, 2007 (Enrolled version of Bill 17-312), must complete the 30-day Congressional review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency, due to Congressional review, with respect to the need to amend the District of Columbia Regional Airports Authority Act of 1985 to clarify the authority to render mutual aid to regional jurisdictions.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "District of Columbia Regional Airports Authority Clarification Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) The Metropolitan Washington Airports Authority ("MWAA") was created by an interstate compact between the District of Columbia and the Commonwealth of Virginia, which requires each of the jurisdictions to adopt the same law for the adopted law to be effective.

(b) As a result of MWAA working with the Metropolitan Washington Council of Governments to coordinate emergency response in the National Capital Region, it was concluded that there is a need to clarify MWAA's authority to render mutual aid to regional jurisdictions outside the airports in the event of a police, fire, or rescue emergency.

(c) At the request of MWAA, Virginia adopted legislation to clarify MWAA's authority to render mutual aid to regional jurisdictions. However, the District must adopt similar legislation for the law to become effective.

(d) In November 2006, the Council enacted the District of Columbia Regional Airports Authority Clarification Emergency Amendment Act of 2007, effective June 21, 2007 (D.C. Act 17-60; 54 DCR 6605) ("Emergency Act"), and the District of Columbia Regional Airports Authority Clarification Temporary Amendment Act of 2007, signed by the Mayor on July 27, 2007 (D.C. Act 17-97; 54 DCR 8040) ("Temporary Act"), to clarify the authority to render mutual aid to regional jurisdictions.

(e) The Emergency Act expired on September 19, 2007. The Temporary Act was transmitted to Congress on September 5, 2007, for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency, due to Congressional review, with respect to the need to amend the District of Columbia Campaign Finance Reform and Conflict of Interest Act to exempt Gregory A. O'Dell, the designee for chief executive officer of the District of Columbia Sports and Entertainment Commission, from the conflict of interest provisions.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Conflict of Interest Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) On June 14, 2007, Allen Lew, the chief executive officer of the District of Columbia Sports and Entertainment Commission ("Sports Commission") was nominated to be the Director of the newly created Office of Public Education Facilities Modernization, established by Title VII of the Public Education Reform Amendment Act of 2007, effective June 12, 2007 (D.C. Law 17-9; D.C. Official Code § 38-451 *et seq.*).

(b) With the departure of Mr. Lew from the Sports Commission, there was a vacancy that needed to be filled immediately. With less than one year remaining before the completion of the Washington Nationals ballpark project, it was imperative to identify a new chief executive officer ("CEO") who understood the urgency and complexities regarding the timely completion of this project. In addition, it was vital that there be a new CEO immediately so that there would be a seamless transition from Mr. Lew to the new CEO.

(c) Gregory A. O'Dell was the best person for this position. Prior to joining the Deputy Mayor's Office for Planning and Economic Development, Mr. O'Dell was the managing principal and majority owner of the Clemens Consulting Group, where he provided consulting and financial oversight to the Sports Commission for the ballpark project. Mr. O'Dell, while working for BearingPoint, provided consulting and oversight on the \$24 million, fast-tracked Robert F. Kennedy Stadium renovation project for the inaugural season of the Washington Nationals. This experience made Mr. O'Dell uniquely situated to make an immediate impact as the next CEO of the Sports Commission.

(d) Under the law, Mr. O'Dell could not become the CEO of the Sports Commission immediately because he was a member of the Sports Commission as the Mayor's designee. A

ENROLLED ORIGINAL

delay in the appointment of the CEO would have caused undue hardship on the Sports Commission's operations in completing the baseball stadium project on time.

(e) On July 10, 2007, the Council enacted the Conflict of Interest Emergency Amendment Act of 2007, effective July 26, 2007 (D.C. Act 17-73; 54 DCR 7547) ("Emergency Act"), which amended the District of Columbia Campaign Finance Reform and Conflict of Interest Act to exempt Gregory A. O'Dell from the conflict of interest provisions.

(f) The Conflict of Interest Temporary Amendment Act of 2007, passed on 2nd reading on September 18, 2007 (Enrolled version of Bill 17-272) ("Temporary Act"), must complete Congressional review and will not become effective, at the earliest, until November. The Emergency Act expires on October 24, 2007.

(g) It is important that the provisions of the Emergency Act continue in effect, without interruption, until the Temporary Act is in effect.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Conflict of Interest Congressional Review Emergency Amendment Act of 2007 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency, due to Congressional review, with respect to the need to approve the compensation system change submitted by the Mayor to add the rates of pay for newly established pay grades E6 and E7 to the Executive Schedule for subordinate agency head positions.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Executive Service Compensation System Change and Pay Schedule Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) There existed an immediate need to approve the rates of pay submitted by the Mayor for newly established pay grades E6 and E7 to the Executive Schedule for subordinate agency head positions ("DX Schedule").

(b) In July 2007, to provide the Mayor with the flexibility sought concerning the DX Schedule and appointments to subordinate agency head positions, the Council enacted the Executive Service Compensation System Change and Pay Schedule Emergency Amendment Act of 2007, effective July 25, 2007 (D.C. Act 17-83; 54 DCR 8083) ("Emergency Act"), which amended the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to increase the pay levels for the Executive Schedule for subordinate agency head positions from 5 to 7 and which approved the proposed compensation system changes submitted by the Mayor.

(c) In September 2007, the Council enacted the Executive Service Compensation System Change and Pay Schedule Temporary Amendment Act of 2007, passed on 2nd reading on September 18, 2007 (Enrolled version of Bill 17-320, 54 DCR ___) ("Temporary Act"). A RESOLUTION

17-371

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency, due to Congressional review, with respect to the need to clarify that the exemption from the alcohol retailer's license prohibition in a residential-use district shall apply if, at the time the application for a new license is submitted to the Alcoholic Beverage Control Board, a license of the same class is operating an establishment within 400 feet of the applicant.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Retail Class Exemption Clarification Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) On June 21, 2007, the Council passed the Retail Class Exemption Clarification Emergency Act of 2007. This emergency legislation will expire on October 7, 2007. On July 10, 2007, the Council passed the Retail Class Exemption Clarification Temporary Act of 2007, which has a projected law date of October 18, 2007.

(b) Due to Congressional review, as of October 7, 2007, there will be a gap in legislative authority until temporary legislation comes into effect.

(c) Under the District's laws, alcohol beverage retailers are divided into 2 categories: on-premises and off-premises retailers. Off-premises retailer types include liquor stores, while on-premises retailer types include restaurants, taverns, and multipurpose facilities.

(d) All retailer types are further categorized as Class C, which are permitted to sell spirits, wine, and beer, or Class D, which are permitted to sell only wine and beer.

(e) Current District law restricts the location of alcohol retail licensees in residential areas in 2 separate places. District zoning law generally prohibits commercial uses, including restaurants, in residential areas, except by a zoning special exception. Alcohol Beverage Control ("ABC") law prohibits retailer licensees in residential areas with one exception. To qualify for the exception, at the time of the application, a license of the same type and class must be operating within 400 feet of the applicant.

(f) This emergency legislation corrects an anomaly in the law that prevents desired businesses from operating in certain areas, such as university campuses, by requiring only that a licensee of the same class be operating within 400 feet of an applicant. Currently, if a community and its Advisory Neighborhood Commission wholeheartedly support an alcoholic beverage license for premises located within a residential zone, and the applicant obtains zoning relief, the Alcoholic Beverage Control Board ("ABC Board") cannot consider the application because of this narrow exception.

(g) These establishments are desirable to neighborhoods that want these types of options and that have been traditionally under-served by sit-down restaurants.

(h) Tonic is a restaurant that is currently operating without a liquor license and is located

ENROLLED ORIGINAL

in the recently-restored site of the historic Quigley's pharmacy, on the campus of George Washington University in Foggy Bottom. Tonic has obtained a zoning exception through the University's Campus Plan but because of this anomaly in the law cannot apply for an ABC license because the establishment already operating within 400 feet of its site is a CX licensee, a multipurpose facility.

(i) Since the enactment of emergency legislation, Tonic has applied for an ABC license. Of the several protests filed against Tonic's application, through successful agreements between the parties, and procedural dismissals by the ABC Board, only one protestant remains. The ABC Board has scheduled a status hearing for October 10, 2007. This Congressional review emergency is necessary to ensure that process continues without interruption of legal authority.

(j) This emergency legislation will not "open the flood gates" to licensees in residential neighborhoods. In fact, neighborhoods that do not currently have licensees will be unable to avail themselves of the exception to the ABC prohibition. Only when there has been a decision authorizing restaurant use in a residential neighborhood after a full-blown zoning review process will a potential licensee have the right to apply for a license in a residential zone, and then only if there is another license of the same class within 400 feet.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Retail Class Exemption Clarification Congressional Review Emergency Act of 2007 be adopted after a single reading.

To declare the existence of an emergency, due to Congressional review, with respect to the need to amend section 28-3911 of the District of Columbia Official Code to increase the maximum amount that may be maintained in the District of Columbia Consumer Protection Fund.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "District of Columbia Consumer Protection Fund Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) On June 28, 2007, the District of Columbia Consumer Protection Fund Emergency Amendment Act of 2007, effective June 28, 2007 (D.C. Act 17-64; 54 DCR 7046), was enacted in order to increase the maximum amount that may be maintained in the District of Columbia Consumer Protection Fund. It expired on September 26, 2007.

(b) On July 27, 2007, the District of Columbia Consumer Protection Fund Temporary Amendment Act of 2007, signed by the Mayor on July 27, 2008 (D.C. Act 17-96; 54 DCR 8038), was enacted and its projected effective law date is October 18, 2007.

(c) Permanent legislation, Bill 17-214, was introduced on May 15, 2007, and referred to the Committee on Public Safety and the Judiciary. The committee held a public hearing on Bill 17-214 on September 24, 2007.

(d) Emergency legislation is necessary to prevent a gap in legal authority between the expiration of D.C. Act 17-64 and D.C. Act 17-96 becoming law after completion of its Congressional review period.

To declare the existence of an emergency, due to Congressional review, with respect to the need to prohibit commercial tour buses, except tour buses used for government purposes, within the Capitol Hill Historic District, except on identified roads.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Capitol Hill Historic District Protection Congressional Review Emergency Declaration Resolution of 2007".

Sec. 2. (a) There existed an immediate need to prohibit commercial tour buses, except tour buses used for government purposes, within the Capitol Hill Historic District.

(b) Beginning June 9, 2007, the United States Capitol Police banned all commercial tour buses from several streets surrounding the Capitol Complex Grounds, including Independence Avenue (between Washington Avenue, S.W., and 2nd Street, S.E.), Constitution Avenue (between Louisiana Avenue, N.W., and 2nd Street, N.E.), 1st Street (between Maryland Avenue, S.W., and Independence Avenue, S.W.), 1st Street (between D Street, N.E., and D Street, S.E.) and 2nd Street (between D Street, N.E., and D Street, S.E.). The ban has resulted in commercial tour buses inappropriately travelling through adjacent Capitol Hill neighborhoods and idling, parking, and staging loading and unloading of passengers on narrow residential streets.

(c) Tour buses on residential streets occupy multiple street parking spaces, impose on surrounding homes and on narrow streets, and risk compromising the mobility of emergency vehicles on, and their accessibility to, those streets.

(d) Idling diesel vehicles along the narrow residential streets pose a threat to public health by increasing air pollution in the neighborhoods.

(e) In July 2007, the Council enacted the Capitol Hill Historic District Protection Emergency Act of 2007, effective August 2, 2007 (D.C. Act 17-112; 54 DCR 8231) ("Emergency Act"), which imposed a prohibition, with specified exceptions, of commercial tour buses within the Capitol Hill Historic District. The Emergency Act expires on October 31, 2007.

(f) In September 2007, the Council enacted the Capitol Hill Historic Protection Temporary Act of 2007, passed on 2nd reading on September 18, 2007 (Enrolled version of Bill 17-306), which must complete a 30-day Congressional review and will not become law until, at the earliest, November.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Operation Enduring Freedom and Operation Iraqi Freedom Active Duty Pay Differential Extension Emergency Declaration Resolution of 2007".

Sec. 2. (a) On September 14, 2001, President George W. Bush issued a proclamation, "Declaration of National Emergency by Reason of Certain Terrorist Attacks," which declared a national emergency due to the September 11, 2001 terrorist attacks on the World Trade Center in New York and the Pentagon. The resulting military operations were named Operation Enduring Freedom.

(b) On September 14, 2001, in furtherance of the aforementioned proclamation, President George W. Bush issued Executive Order 13223, ordering the Ready Reserve of the Armed Forces to active duty, in addition to providing additional authority to the Department of Defense and the Department of Transportation.

(c) The Operation Enduring Freedom Active Duty Pay Differential Emergency Amendment Act of 2001, effective January 8, 2002 (D.C. Act 14-225; 49 DCR 664), provided for payment of a pay differential for each employee called to active duty as a result of Operation Enduring Freedom. D.C. Act 14-225 specified that the pay differential would be paid for any period following the formal inception of Operation Enduring Freedom during which the employee was carried in a non-pay status, from the time the employee is called to active duty until the employee is released from active duty, or until September 30, 2002, whichever occurred first. D.C. Act 14-225 expired on April 8, 2002.

(d) The Operation Enduring Freedom Active Duty Pay Differential Temporary Amendment Act of 2002, effective April 13, 2002 (D.C. Law 14-113; 49 DCR 1416), provided for continuation of payment of a pay differential for each employee called to active duty as a result of Operation Enduring Freedom. D.C. Law 14-113 specified that the pay differential would be paid for any period following the formal inception of Operation Enduring Freedom during which the employee was carried in a non-pay status, from the time the employee is called to active duty until the employee is released from active duty, or until September 30, 2002, whichever occurred first. D.C. Law 14-113 expired on November 24, 2002.

(e) The Operation Enduring Freedom Active Duty Pay Differential Extension Emergency Amendment Act of 2002, effective October 23, 2002 (D.C. Act 14-498; 49 DCR 9795),

ENROLLED ORIGINAL

provided for payment of the pay differential for each employee who, as of September 30, 2002, had been called to active duty from reserve units as a result of Operation Enduring Freedom. D.C. Act 14-498 expired on December 30, 2002.

(f) The Operation Enduring Freedom conflict has not ended and, on March 19, 2003, Operation Iraqi Freedom began. Additional employees have been called to active duty as a result. Accordingly, the District of Columbia authorized a pay differential for employees called to active duty for this purpose as well as the continuation of the payment to employees called to active duty after September 30, 2002, through the enactment of Operation Enduring Freedom and Operation Iraqi Freedom Active Duty Pay Differential Extension Emergency Amendment Act of 2003, effective April 16, 2003 (D.C. Act 15-74; 50 DCR 3619), and the Operation Enduring Freedom and Operation Iraqi Freedom Active Duty Pay Differential Extension Temporary Amendment Act of 2003, effective May 19, 2003 (D.C. Law 15-23; 50 DCR 4339). D.C. Law 15-23 expired on March 3, 2004.

(g) The Council continued the authority for the pay differential through the enactment of the Operation Enduring Freedom and Operation Iraqi Freedom Active Duty Pay Differential Extension Temporary Amendment Act of 2004, effective May 18, 2004 (D.C. Law 15-158), which expired on December 29, 2004.

(h) The Council again continued the authority for the pay differential through the enactment of Operation Enduring Freedom and Operation Iraqi Freedom Active Duty Pay Differential Extension Temporary Amendment Act of 2005, effective March 8, 2006 (D.C. Law 16-64), which expired on October 19, 2006.

(i) The authority had been extended by the Operation Enduring Freedom and Operation Iraqi Freedom Active Duty Pay Differential Extension Emergency Amendment Act of 2006, effective October 25, 2006 (D.C. Act 16-516; 53 DCR 9099), which expired on January 17, 2007, and the Operation Enduring Freedom and Operation Iraqi Freedom Active Duty Pay Differential Extension Temporary Amendment Act of 2006, effective March 6, 2007 (D.C. Law 16-299), which expires on October 17, 2007.

(j) The enactment of the proposed emergency will continue authority to provide a pay differential in an amount equal to any difference between the employees' basic District of Columbia government pay and their basic military pay.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Operation Enduring Freedom and Operation Iraqi Freedom Active Duty Pay Differential Extension Emergency Amendment Act of 2007 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

October 2, 2007

To declare the existence of an emergency with respect to the need to exempt non-hospital-based substance abuse treatment facilities from the certificate of need requirements of the Health Services Planning Program Re-establishment Act of 1996.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Health Services Planning Program Re-establishment Emergency Declaration Resolution of 2007".

Sec. 2. (a) There exists an immediate crisis with respect to the need to provide and deliver non-hospital-based substance abuse treatment services in the District, and that need is particularly acute with respect to youth, non-hospital-based substance abuse treatment.

(b) Approximately 60,000 District residents need substance abuse treatment, but there is only one provider available to provide residential treatment services for women accompanied by children.

(c) Approximately 4,000 District youth require substance abuse treatment, but no services are available for youth treatment east of North Capitol Street, and the current capacity for the entire District consists of one acute-care facility, one residential-treatment facility, one intensive outpatient hospital-based facility, and 2 outpatient programs.

(d) The number of non-hospital-based youth treatment providers has decreased by 50% in recent years.

(e) Exemption of non-hospital-based substance abuse treatment facilities from the certificate of need requirements of the Health Services Planning Program Re-establishment Act of 1996, effective April 9, 1997 (D.C. Law 11-191; D.C. Official Code § 44-401 *et seq.*), is needed to expedite the provision of non-hospital-based substance abuse treatment services to District residents.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Health Services Planning Program Re-establishment Emergency Amendment Act of 2007 be adopted after a single reading.

October 2, 2007

To declare the existence of an emergency with respect to the need to amend the Youth Employment Act of 1979 to ensure that participants in the program are working at least 10 hours per week, to clarify that the in-school and out-of-school, year-round employment programs shall not be limited to students considered at risk of dropping out of school or economically disadvantaged, and to authorize the Mayor to fund this measure through the \$3.5 million in available funds previously allocated for job training in the Fiscal Year 2008 Budget Support Act of 2007.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Access to Youth Employment Programs Emergency Declaration Resolution of 2007".

Sec. 2 (a) Currently, the in-school and out-of-school, year-round employment programs, administered pursuant to the Youth Employment Act of 1979, give preference to students considered at risk of dropping out of school or economically disadvantaged, while students that are not considered at-risk or economically disadvantaged are not even considered for participation in the programs.

(b) Emergency legislation is need to clarify that while students considered at risk of dropping out of school or economically disadvantaged shall remain the priority for inclusion in these programs, students who are not at risk of dropping out of school or economically disadvantaged should not be summarily excluded from participation in the programs.

(c) The current administration of these programs unfairly punishes those students who are not at risk of dropping out of school by denying them the opportunity to participate in these programs.

(d) Classes have already begun for District students. It is important that the needed changes to the programs take place as close to the beginning of the school year as possible.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Access to Youth Employment Programs Emergency Amendment Act of 2007 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to request that the federal government adopt a sensible immigration policy.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council Urging the Federal Government to Adopt a Sensible Immigration Policy Emergency Declaration Resolution of 2007".

Sec. 2. (a) Recently, a number of legislative bodies in communities immediately surrounding the District of Columbia have introduced or enacted legislation directing that local resources be used to subject individuals presumed to be undocumented immigrants to increased government scrutiny.

(b) These measures, which appear to be in response to the federal government's failure to develop a sensible immigration policy, have generated considerable apprehension within the District's immigrant community about what the future holds for them here.

(c) Therefore, in an effort to address the concerns of District residents, the Council has an immediate need to affirm its conviction that policies denying equal protection of the law are incompatible with the Constitution of the United States and our individual oaths of allegiance to it. Further, the Council believes that fear and intimidation are not substitutes for a sound and compassionate immigration policy.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Sense of the Council Urging the Federal Government to Adopt a Sensible Immigration Policy Emergency Resolution of 2007 be adopted on an emergency basis.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

17-378

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the sense of the Council that the federal government should adopt a realistic immigration policy that permits undocumented immigrants the opportunity to remain in the United States.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council Urging the Federal Government to Adopt a Sensible Immigration Policy Emergency Resolution of 2007".

Sec. 2. The Council finds that:

(1) The United States of America is a country founded upon the hard work, sacrifice, and ingenuity of immigrants.

(2) Since the country's inception, the willingness to accept and embrace immigrants from around the world has enriched and strengthened this nation.

(3) Currently, the United States is home to an estimated 12 million individuals who did not enter this country lawfully.

(4) Despite the perception of some that undocumented immigrants live an easy and subsidized life in the United States, the truth is that their American reality far too often consists of low-wage jobs, poor working conditions, obstacles to obtaining housing and healthcare, economic exploitation, and hardship.

(5) While the Council does not condone the fact that individuals have entered this country in violation of federal immigration laws, the federal government's failure to secure our borders and willingness to turn a blind eye toward the enforcement of our immigration laws has contributed significantly to the growing population of undocumented immigrants.

(6) Recent efforts by the federal government to comprehensively address the issue of border security and the status of undocumented immigrants have failed to produce a solution.

(7) In the absence of a comprehensive national solution, numerous state and local legislatures have responded by proposing, or adopting, their own policies targeted at undocumented residents.

ENROLLED ORIGINAL

(8) For example, the City of Hazelton, Pennsylvania, passed the Illegal Immigration Relief Act Ordinance, which denies business permits to anyone who employs undocumented immigrants, creates a treble damage cause of action against an employer who terminates a citizen, if the citizen can prove that the employer retained an undocumented immigrant, imposes fines on landlords who rent to undocumented immigrants, and requires all tenants to register with the city for the purpose of enforcing the provision.

(9) Prince William County and Loudoun County, Virginia, each passed identical resolutions requiring a county police officer to determine the citizenship status of any detained person, if the officer has probable cause to believe that the individual has violated federal immigration laws. The resolutions also require county agencies to determine which of the county's public benefits and social services can be denied to undocumented residents.

(10) The adoption of these measures, under the guise of assisting the federal government with its immigration enforcement, breeds a climate of fear, xenophobia, and discrimination. These measures contribute nothing to the nation's goal of finding a meaningful solution to its porous borders or past lax enforcement of immigration laws.

Sec. 3. It is the sense of the Council that the enforcement and formulation of immigration policy is a federal matter and that the District's resources should not be used to enforce federal immigration policy. The Council condemns local policies that pander to a climate of xenophobia, encourage the use of racial and ethnic profiling, and are little more than a thinly veiled effort to exclude certain individuals from their communities. The Council petitions the federal government to construct an immediate solution to the status of undocumented immigrants residing in the United States that will afford these individuals the opportunity to obtain citizenship.

Sec. 4. Transmittal.

The Secretary to the Council shall transmit a copy of this resolution to the officers of both houses of Congress, to the committee chairs that have jurisdiction over District of Columbia affairs, to the House Subcommittee on Immigration, Citizenship, Refugees, Border Security, and International Law, and to the Delegate to the House of Representatives from the District of Columbia.

Sec. 5. This resolution shall take effect immediately upon the first date of publication in the District of Columbia register.

To declare the existence of an emergency with respect to the need to require the Mayor to investigate appropriate traffic calming measures and institute increased speeding penalties for motorists around school zones, recreation centers, libraries, and public parks, and to require the Mayor to submit, within 60 days, a report to the Council reporting the findings of the investigation and the type of traffic control devices that should be installed.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "School Proximity Traffic Calming Emergency Declaration Resolution of 2007".

Sec. 2. (a) There exists an immediate crisis regarding the need for a comprehensive review of traffic calming plans for school zones, recreation centers, libraries, and public parks to ensure the health, safety, and welfare of city pedestrians, particularly school-age children.

(b) After meeting with PTA Presidents and touring all recreation centers, it has come to the Council's attention that the School Proximity Traffic Calming Act of 2000 urgently needs to be updated in time for the District to take appropriate action this school year to ensure the safety of school children, and also expanded to include recreation centers, libraries, and public parks that all residents are encouraged to use, and are part of the encouraged continuum of education for our school children.

(c) Metropolitan Police Department statistics show that as of September 9, 2007, there have been 48 deaths resulting from pedestrians being hit by motorists this year.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the School Proximity Traffic Calming Emergency Amendment Act of 2007 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to prevent expiration of certain sections within the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005 that clarify that the dollar volume subcontracting requirement may include purchases from small business enterprises that provide materials, goods, and supplies, to extend many of the benefits of the act to small, local, and disadvantaged business enterprises to all certified business enterprises, and to provide the Department of Small and Local Business Development grant-making authority.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Department of Small and Local Business Development Subcontracting Clarification, Benefit Expansion, and Grant-making Authority Emergency Declaration Resolution of 2007".

Sec. 2. (a) The Department of Small and Local Business Development Subcontracting Clarification Temporary Act of 2006, effective March 6, 2007 (D.C. To declare the existence of an emergency with respect to the need to clarify that the owner of a property that is receiving erroneously the homestead deduction and senior/disabled real property tax relief has a duty to inform the Chief Financial Officer, to provide that such benefits and those available to low-income property owners shall be rescinded prospectively on the sale of real property to a non-qualifying purchaser, and to clarify that a former owner that received the benefits is personally liable for the amount of benefits improperly received.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Real Property Tax Benefits Revision Emergency Declaration Resolution of 2007".

(a) The D.C. Land Title Association expressed grave concern about the current law's retroactive rescission of the homestead and senior/disabled deductions in the limited instance where a property is not transferred to a homesteader or a senior or disabled person.

(b) Under current law, the retroactive rescission is effective back to the first day of the half tax year when the property was transferred. The retroactive rescission makes prorating taxes at settlement very difficult because the settlement company must escrow significant funds pending the finalization of the tax bill by the Office of Tax and Revenue during the next billing cycle.

(c) The Council has previously passed this measure on emergency and temporary basis. The temporary (D.C. Law 16-257) is expiring on October 19, 2007. The Committee on Finance and Revenue expects to mark up the permanent legislation this month. To avoid a gap in authority, the emergency and temporary measures are warranted.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing Agreement Emergency Declaration Resolution of 2007".

Sec. 2. (a) The Office of Chief Financial Officer's Office of Tax and Revenue needs to be able to enter into a closing agreement for taxable periods prior or subsequent to the date of a closing agreement.

(b) Present law permits a closing agreement only for taxable periods prior to the date of the closing agreement.

(c) Amending the law to allow the Office of Tax and Revenue to enter into a closing agreement for any taxable period would be advantageous to the District and taxpayers because it permits resolution of all tax matters including future tax periods in a one closing agreement, and brings the District of Columbia's law into conformance with the Internal Revenue Code § 7121(a).

(d) There are cases pending for which the ability to enter into a closing agreement for any taxable period would bring about settlement.

To declare the existence of an emergency with respect to the need to delay implementation by one tax year of the owner-occupant residential tax credit to real properties that were under the lower income homeownership cooperative housing association 5-year exemption, to clarify that to receive the credit there must be continuous ownership, and to clarify that no credits will be granted for tax years prior to Tax Year 2007.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Lower Income Homeownership Cooperative Housing Association Re-Clarification Emergency Declaration Resolution of 2007".

(a) At the request of the Office of Tax and Revenue, the Council included title I-I in the Fiscal Year 2007 Budget Support Act of 2006 to ensure that residents receive the benefit of the property tax cap even though they are not paying taxes during that period because, without the Office of Tax and Revenue's revaluation of the taxable assessments, the value of applying for the Lower Income Homeownership Cooperative Housing Association Program would be eliminating the benefit of applying for this program.

(b) The implementation of this legislation needs to be delayed because of the unanticipated difficulty in determining continuous ownership and retroactively adjusting the property tax cap.

(c) The Office of Tax and Revenue will provide property tax credits for Tax Year 2007 for anyone who is adversely impacted by the one year delay in the following tax year.

(d) If the proposed emergency act is not passed, the Office of Tax and Revenue still will not be able to provide the tax credits until the next fiscal year, which could have an adverse impact on the District's audit.

The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Lower Income Homeownership Cooperative Housing Association Re-Clarification Emergency Act of 2007 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to amend the School Modernization Financing Act of 2006 to provide that the Facilities Master Plan shall be submitted by May 31, 2008, to require that a work program of 2008 activities and capital projects to be undertaken by the Office of Public Education Facilities Modernization and a proposed organizational structure be submitted to the Council within 60 days of the effective date of this act, and to provide that no further funds shall be transferred to the Office of Public Education Facilities Modernization if the submissions are not submitted as required; to amend the Schools Modernization Amendment Act of 2005 to strike obsolete references and insert current references; and to amend the Public Education Reform Amendment Act of 2007 to provide that the Director of the Office of Public Education Facilities Modernization shall have maintenance authority at District of Columbia Public Schools facilities.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "School Modernization Use of Funds Requirements Emergency Declaration Resolution of 2007".

Sec. 2. (a) Section 103 of the School Modernization Financing Act of 2006, effective June 8, 2006 (D.C. Law 16-123; D.C. Official Code § 38-2971.03) ("Act"), established requirements to access the Public School Capital Improvement Fund. The Act requires that the expenditure of all funds be in accordance with the Facilities Master Plan and the Capital Improvement Plan and prohibits the Chief Financial Officer from transferring funds until a facilities management organizational strategy is approved. Neither the Facilities Master Plan nor the facilities management organizational strategy have been filed with or, therefore, approved by the Council.

(b) Section 4045(a) of the Schools Modernization Amendment Act of 2005, effective October 20, 2005 (D.C. Law 16-33; D. C. Official Code § 1-325.44), requires certain criteria to be met before the receipt of funds from the Bond Revenue account of the Schools Modernization Fund.

ENROLLED ORIGINAL

(c) To provide funding authority for imminent capital projects, notwithstanding the need for Council approval of the Facilities Master Plan and the organizational strategy, the Council enacted the Modernization Funds Submission Requirements Waiver Temporary Amendment Act of 2007, effective May 15, 2007, (D.C. Law 17-15; 54 DCR 5350), which sunset on October 1, 2007.

(d) Section 704(6) of the Public Education Reform Amendment Act of 2007, effective June 12, 2007 (D.C. Law 17-9; D.C. Official Code § 38-453(6)), excluded routine maintenance of District of Columbia Public Schools facilities from the functions of the Office of Public Education Facilities Modernization ("OFM"). Further evaluation has demonstrated that transfer of maintenance functions to OFM will result in a more efficient operation of the capital improvement program of District of Columbia Public Schools facilities.

(e) It is important that there be legislation in effect that establishes a new deadline for OFM to submit the Facilities Master Plan and to require that a work program for fiscal year 2008 and a proposed organizational chart be submitted prior to the extended deadline for submission of the Facilities Master Plan and that transfers maintenance authority to OFM as soon as possible.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the School Modernization Use of Funds Requirements Emergency Amendment Act of 2007 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to clarify that an Advisory Neighborhood Commission may provide reimbursements for authorized purchases made with credit cards.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Advisory Neighborhood Commissions Clarification Emergency Declaration Resolution of 2007".

Sec. 2. (a) Two opinions by the Office of the Attorney General ("OAG"), dated May 28, 1996 and June 14, 2004, have concluded that an Advisory Neighborhood Commission ("ANC") may not use credit cards directly or indirectly to purchase goods and services because it is not expressly authorized in the Advisory Neighborhood Commissions Act of 1975, effective October 10, 1975 (D.C. Law 1-21; D.C. Official Code § 1-309.01 *et seq.*).

(b) The exclusion of the use of a credit card not only prohibited an ANC from using a credit card directly to make purchases but also from reimbursing a ANC commissioner or employee who makes purchases for the ANC with his or her own credit card.

(c) This prohibition created a hardship for ANCs in that there are substantial cost savings and conveniences to be realized through internet and retail credit card purchases.

(d) In December 2006, the Council enacted the Advisory Neighborhood Commissions Clarification Temporary Amendment Act of 2006, effective March 8, 2007 (D.C. Law 16-261; 54 DCR 792) ("Act"), which addressed this issue. The Act will expire on October 19, 2007. Emergency legislation is necessary to ensure that the law continues to clearly state that an Advisory Neighborhood Commission may provide reimbursements for authorized purchases made with credit cards.

Sec. 3. The Council determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Advisory Neighborhood Commissions Clarification Emergency Amendment Act of 2007 be adopted after a single reading.

17-388

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to amend the Neighborhood Investment Act of 2004 to establish the purposes of the Neighborhood Investment Fund, to authorize the making of grants and loans from the Neighborhood Investment Fund, to modify the boundaries of the Deanwood Heights Neighborhood Investment Program target area, and to establish goals for certain target areas.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Neighborhood Investment Emergency Declaration Resolution of 2007".

Sec. 2. (a) The Neighborhood Investment Act of 2004, effective March 30, 2004 (D.C. Law 15-131; D.C. Official Code § 6-1071 *et seq.*) ("Act"), provides that monies received and credited to the Neighborhood Investment Fund shall be used to carry out the objectives of the Act, but there were no stated objectives in the Act. Target Areas #10, #11, and #12 have no stated goals that would allow for spending on any projects in these target areas. The Act does not authorize the making of loans and grants from the Neighborhood Investment Fund.

(b) On October 3, 2006, the Council enacted D.C. Law 16-207, the Neighborhood Investment Temporary Amendment Act of 2006, to authorize the Office of the Deputy Mayor for Planning and Economic Development to make grants and loans from the Neighborhood Investment Fund, to include the entire commercial area along Nannie Helen Burroughs and Division Avenues in the Deanwood Heights Neighborhood Investment program target area, and to establish goals for certain target areas. D.C. Law 16-207 will expire on October 13, 2007. A permanent measure, Bill 17-181, the Neighborhood Investment Amendment Act of 2007, was reported out of the Committee on Economic Development on September 25, 2007, and is scheduled for first reading on October 2, 2007. This emergency bill is necessary to prevent a gap in legal authority.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Neighborhood Investment Emergency Amendment Act of 2007 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to require certain records to be made available to the Child and Family Services Agency as part of an investigation of suspected child abuse or neglect.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Child Abuse and Neglect Investigation Record Access Emergency Declaration Resolution of 2007".

Sec. 2. (a) There exists an ongoing concern regarding the investigation of suspected child abuse and neglect in the District of Columbia.

(b) To protect the safety of the children and to strengthen the accuracy of decision-making, persons investigating reports of suspected child abuse or neglect need immediate access to records concerning the child. The investigators particularly need access to records that may be held by those who are mandated by law to report suspected child abuse or neglect.

(c) Without immediate access to the records of mandated reporters, completion of an investigation could be delayed, putting children at risk of additional maltreatment. If the investigation is completed without the records, investigation results could be less than accurate, putting children at risk of additional maltreatment.

(d) The Child and Family Services Agency staff who investigate reports of suspected child abuse and neglect must have immediate access to records in the possession of a person who is required to report child abuse or neglect, or the person's employee, concerning the child who is the subject of the report or any other child in the home.

(e) The Child Abuse and Neglect Investigation Record Access Temporary Amendment Act of 2006, effective December 4, 2006 (D.C. Law 16-213; 53 DCR 9884), which addressed this issue, will expire on October 17, 2007. Emergency legislation is necessary to require that certain records continue to be available to the Child and Family Services Agency as part of an investigation of suspected abuse or neglect.

October 2, 2007

To declare the existence of an emergency with respect to the need to amend the Prevention of Child Abuse and Neglect Act of 1977 to include limited grant-making authority among the duties and powers of the Director of the Child and Family Services Agency.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Child and Family Services Grant-making Emergency Declaration Resolution of 2007".

Sec. 2. (a) There exists an ongoing concern regarding the provision of a continuum of child abuse and neglect services to children and families in the District of Columbia. The District is experiencing a large number of youth who are growing up in, and aging out of, the foster-care system. In addition to lacking permanency, these youth are all too frequently without family connections, consistent foster parenting, or sufficient adult living skills.

(b) The development of a volunteer mentoring program will greatly help these youth maintain positive connections with an adult. Grant-making authority enabled the Director of the Child and Family Services Agency to continue to issue grants to support the development of a volunteer-based mentoring program.

(c) The Child and Family Services Grant-making Temporary Amendment Act, effective March 2, 2007 (D.C. Law 16-193; 53 DCR 8654), which authorized this necessary grant-making, will expire on October 13, 2007. Emergency legislation is necessary to continue limited grant-making authority among the duties and powers of the Director of the Child and Family Services Agency.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Child and Family Services Grant-making Emergency Amendment Act of 2007 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to amend the District of Columbia Traffic Act, 1925 to provide for double fines, or increased criminal penalties, for traffic moving infractions when committed in a work zone, and to require the display of signs alerting drivers to the increased fines and penalties.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Doubled Fines in Construction and Work Zones Emergency Declaration Resolution of 2007".

Sec. 2. (a) On average, there have been more than 300 work-zone vehicle accidents per year between 2004 and 2006. More than 25% of these accidents have been injury accidents.

(b) If this accident rate were to continue, there would be approximately 125 work-zone vehicle accidents by the time permanent enhanced penalties for work zone infractions take effect.

(c) The Committee on Public Works and the Environment has already held a public hearing and a committee markup for the permanent doubled fines legislation. The legislation received no opposition during these discussions.

(d) The emergency legislation provides adequate time for the District Department of Transportation ("DDOT") to design signs that will alert drivers to doubled fine zones. DDOT will require contractors who operate in work zones to post such signs.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Doubled Fines in Construction and Work Zones Emergency Amendment Act of 2007 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to amend the Establishment of the Office of the Chief Medical Examiner Act of 2000 to authorize the Mayor to waive, until October 1, 2008, the requirement that the Chief Medical Examiner for the District of Columbia be certified in forensic pathology by the American Board of Pathology or be eligible for such certification, and to clarify that a Chief Medical Examiner appointed pursuant to the waiver must meet the requirement by October 1, 2008 to continue to be eligible to hold the office.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Appointment of the Chief Medical Examiner Emergency Declaration Resolution of 2007".

Sec. 2. (a) There exists an immediate need to amend the Establishment of the Office of the Chief Medical Examiner Act of 2000, effective October 19, 2000 (D.C. Law 13-172; D.C. Official Code § 5-1402(c)), to allow the Mayor to waive the requirement for certification or eligibility for certification in forensic pathology by the American Board of Pathology ("Board") ("certification requirement") until October 1, 2008 for any individual appointed as Chief Medical Examiner ("CME") for a term beginning on May 1, 2007 and ending on April 30, 2013.

(b) Under current District law, the CME must meet the certification requirement. A waiver of this requirement will allow the Mayor to appoint a CME who does not meet the certification requirement until October 1, 2008, while the Mayor conducts a national search to fill the position with a candidate who meets the certification requirement. Since February, a national search has been underway for a CME who is Board-certified or Board-eligible. However, no suitable replacement has yet been found.

(c) A waiver of the certification requirement will allow Dr. Marie Pierre-Louis to continue to serve as Chief Medical Examiner. Dr. Pierre-Louis was appointed to serve as CME in the previous unexpired term ending on April 30, 2007. Pursuant to section 2(c) of the Confirmation Act of 1978, effective March 3, 1979 (D.C. Law 2-142; D.C. Official Code § 1-523.01(c)), Dr. Pierre-Louis has continued to serve in that position in a holdover capacity, which she may continue to do through October 27, 2007.

ENROLLED ORIGINAL

(d) Since accepting the position of CME in 2004, Dr. Pierre-Louis and her staff have made significant improvements in the operations of the Office of the Chief Medical Examiner ("OCME"). Under Dr. Pierre-Louis' leadership, a historic backlog of autopsy reports was eliminated, critical vacancies have been filled, long-standing health and safety issues within the office have been resolved, new policies and procedures have been written and implemented, and staff morale has substantially improved. With these improvements, the OCME is working toward eventually applying for accreditation from the National Association of Medical Examiners ("NAME").

(e) It is imperative that the Office of the Chief Medical Examiner not lose momentum towards obtaining NAME accreditation while a suitable replacement for Dr. Pierre-Louis can be found. Her extensive experience in her field, strong performance as CME since December 21, 2004, and sound vision for reforming the OCME and obtaining NAME accreditation for the agency make Dr. Pierre-Louis well-qualified for the position.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Appointment of the Chief Medical Examiner Emergency Amendment Act of 2007 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to amend the Community Access to Health Care Amendment Act of 2006 to authorize the Mayor to capitalize a public-private partnership in an amount not to exceed \$79 million; to amend the Health Services Planning Program Re-Establishment Act of 1996 to limit certificate of need application fees paid by Specialty Hospital of America, LLC, or certain of its subsidiary entities; and to amend Title 47 of the District of Columbia Official Code to exempt from taxation the improvements currently located in square 5919, lots 3 and 4, and from the deed transfer tax, the transfer of square 5919, lots 3 and 4, to Specialty Hospital of Washington-GSE Holdings, LLC.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "East of the River Hospital Revitalization Emergency Declaration Resolution of 2007".

Sec. 2. (a) As the only acute care hospital east of the Anacostia River, Greater Southeast Community Hospital ("GSCH") represents a critical part of the health care infrastructure for more than 140,000 residents in Wards 7 and 8.

(b) Over the past decade, the shortcomings and problems of GSCH have been chronicled extensively, including 2 bankruptcies, frequent challenges to the hospital's accreditation by the Joint Commission on Accreditation of Healthcare Organizations ("JCAHO"), promises made and broken, layoffs, and lawsuits. Ten years ago, GSCH operated more than 400 beds with a staff that exceeded 2,200. Today, the hospital operates fewer than 110 beds and has just 454 employees. At the same time, the physical structure and the quality and quantity of equipment have steadily declined.

(c) During the past year, serious concerns have been raised about patient safety and quality of care at the hospital, including frequent challenges to the hospital accreditation by JCAHO.

(d) In January 2007, the District received correspondence from the chief executive officer of GSCH, Dr. Cyril Allen, stating GSCH's intention to discontinue obstetric services at GSCH. At the same time, the Medical Executive Committee at GSCH sent the District's Department of

ENROLLED ORIGINAL

Health a letter that stated “[t]he Medical Executive Committee feels obligated to write this letter expressing our serious concerns about the ability of Greater Southeast Community Hospital to provide basic patient care. The declining level of hospital services has resulted in an unsafe environment in which to care for our patients. This makes it impossible to carry on the mission of the Hospital and impairs our ability to provide quality medical care to this community.”

(e) Following this correspondence from GSCH Medical Executive Committee, representatives from the District Department of Health and the Council of the District of Columbia convened a series of meetings with the staff and management of GSCH in an effort to address the situation. During these meetings, the GSCH staff and management described a hospital on the verge of financial collapse where every day was a struggle to maintain basic services. In March 2007, among other things, GSCH identified equipment and personnel needs that exceeded \$16 million, including such essential items as anesthesia machines, X-ray systems, ventilators, and echocardiogram machines, as well as basic supplies, such as patient call systems and blood-pressure monitors.

(f) In May 2007, staff in both the emergency room and the ambulatory care clinic on the D.C. General Hospital campus walked off the job after not having been paid.

(g) In response to the growing crises at GSCH and the threat that instability posed to the health and safety of District residents, the Committee on Health held a series of public hearings on patient safety and quality of care at the hospital.

(h) As a result of the hearings, the Department of Health conducted the most comprehensive licensure survey in District history, including thorough on-site inspections of both GSCH and the GSCH-run ambulatory care center located on the D.C. General Hospital campus. The department’s final report confirmed many of the concerns raised at the hearings, including staffing deficiencies, medical supply shortages, and inadequate medical equipment.

(i) In response to the deficiencies outlined in the report, in June 2007, GSCH entered into a corrective action plan with the District. In addition, GSCH parent company agreed to provide the hospital with the additional financial support needed to make necessary repairs and to continue services. These resources, coupled with diligent monitoring of the corrective action plan by the Department of Health and the Committee on Health, resulted in much-needed improvements and a reprieve from a crisis situation.

(j) Though initial progress had been made as a result of the plan, it has become evident that the parent company can no longer provide the financial support necessary to ensure continued progress.

(k) On August 22, 2007, GSCH’s parent corporation entered into an agreement to sell the hospital to Specialty Hospitals of America (“Specialty”). The August 22nd contract between the owners of GSCH and Specialty is contingent on Specialty concluding a satisfactory agreement with the District.

(l) On September 17, 2007, the Mayor signed a Letter Agreement in Principle with Specialty to enter into a public-private partnership for new ownership of GSCH. This letter agreement, if approved by the Council, provides financial support to facilitate acquisition of the

ENROLLED ORIGINAL

hospital and improvements to its physical plant, equipment, and operations.

(m) On September 26, 2007, the Committee on Health held a public roundtable on the proposed public-private partnership. At the hearing, Dr. Cyril Allen, Chief Executive Officer of GSCH, testified that the viability of the hospital is dependent upon an immediate change in ownership.

(n) The presence of a hospital at this location is of enormous importance to the entire healthcare infrastructure of the District. Its deterioration not only affects those individuals who utilize the hospital, but the District as a whole.

(o) Given the critical role GSCH plays within the community, and the prior history of failed efforts at maintaining patient safety and quality-of-care improvements, it is imperative that the Council authorize necessary financial support for the proposed public-private partnership between the District and Specialty.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the East of the River Hospital Revitalization Emergency Amendment Act of 2007 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to keep in place the amendment to the Office of Administrative Hearings Establishment Act of 2001 that permits the Rent Administrator, and those persons exercising authority delegated by the Rent Administrator, to retain authority to issue final orders in cases in which the Rent Administrator has held evidentiary hearings before October 1, 2006.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Rent Administrator Hearing Authority Emergency Declaration Resolution of 2007".

Sec. 2. (a) The authority of the Rent Administrator to hold hearings and issue decisions in administrative cases arising under the Rental Housing Act of 1985 was transferred to the Office of Administrative Hearings on October 1, 2006, pursuant to section 6(b-1)(1) of the Office of Administrative Hearings Establishment Act of 2001, effective March 6, 2002 (D.C. Law 14-76; D.C. Official Code § 2-1831.03(b-1)(1)).

(b) Currently, the Rent Administrator and the hearing examiners have a number of cases that either await issuance of a final decision or for which the period for appeal has yet to expire.

(c) Allowing the Rent Administrator and the hearing examiners to retain the authority to issue the remaining final orders will help to ensure that the claims of tenants and housing providers in these important matters are decided quickly and efficiently. Currently, the Rent Administrator Hearing Authority Temporary Amendment Act of 2006, D.C. Law 16-249, is in place to effectuate this purpose, but it is due to expire on October 19, 2007.

(d) To avoid serious delays in the adjudication of administrative hearings conducted under the Rental Housing Act of 1985, there is a critical and immediate need to maintain the temporary amendment to the Office of Administrative Hearings Establishment Act of 2001 that allows the Rent Administrator to issue the remaining final orders.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to exempt from taxation certain real property owned by Building Hope, an organization that provides funding for public charter school facilities in the District of Columbia, and to provide equitable real property tax relief to the organization.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Building Hope Real Property Tax Exemption and Equitable Real Property Tax Relief Emergency Declaration Resolution of 2007".

Sec. 2. Emergency circumstances.

(a) In August 2006, Building Hope, a nonprofit lender organization that provides funding for public charter schools facilities in the District of Columbia, purchased real property at 4801 Benning Road, S.E., also known as lot 802 in square 5357. Because of new zoning regulations restricting the location of public charter schools and the dearth of available land in the District of Columbia, Building Hope purchased the subject property on an expedited basis so that it could be eventually transferred to KIPP DC for use as a public charter school. This allowed KIPP DC the time necessary to obtain financing for the contemplated purchase price and construction costs without it losing the opportunity to purchase the property that it would use to educate children in the Benning Heights community.

(b) Building Hope was acting essentially as an agent or nominee for KIPP DC. As such, Building Hope applied to the Office and Tax and Revenue ("OTR") for a property tax exemption, but the application was denied because Building Hope was not per se an educational organization as required under our tax code.

(c) Consequently, at the March 2007 settlement on the resale of the property from Building Hope to KIPP DC, a resale involving no additional consideration except for reimbursement of the unanticipated taxes, KIPP DC was required to make whole Building Hope for taxes and tax-related expenses which Building Hope paid in the sum of \$136,343.51.

(d) On June 20, 2007, about 3 months after KIPP DC incurred the unintended and unexpected tax costs, OTR recognized the property at issue as tax-exempt under KIPP DC's

ENROLLED ORIGINAL

ownership.

(e) These tax costs, carried first by Building Hope and ultimately by KIPP DC, arose from real property that we should treat as tax-exempt. The unexpected costs are substantial and have had harmful impacts on both Building Hope and on KIPP DC, a provider of high-quality public education. The recovery of such costs are needed for KIPP DC to further its not-for-profit educational purposes, especially at this location, where construction costs have exceeded initial estimates due to a myriad of sub-surface site problems.

Sec. 3. The Council determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Building Hope Real Property Tax Exemption and Equitable Property Tax Relief Emergency Act of 2007 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

October 2, 2007

To declare the existence of an emergency with respect to the need to close a portion of the public alley system in square 452, bounded by Massachusetts Avenue, N.W., 6th Street, N.W., I Street, N.W., and 7th Street, N.W., in Ward 2.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of a Public Alley in Square 452, S.O. 06-1034, Emergency Declaration Resolution of 2007".

Sec. 2. (a) The Council passed on final reading on October 2, 2007, the Closing of a Public Alley in Square 452, S.O. 06-1034, Act of 2007 (Enrolled version of Bill 17-218), on which a public hearing was held by the Committee of the Whole on June 28, 2007.

(b) Bill 17-218 would close a portion of a public alley system in square 452, bounded by Massachusetts Avenue, N.W., 6th Street, N.W., I Street, N.W., and 7th Streets, N.W., in Ward 2, and replace the closed portion with wider and more functional public alley easements within the square. The alley closing will facilitate the development of a new 360,000-square-foot commercial office building, with approximately 21,000 square feet of ground floor retail space, and 300 underground parking spaces.

(c) Direct benefits from the project facilitated by this alley closing include not only increased tax revenues to the District, estimated to be approximately \$4 million annually from the new development, but the following additional benefits:

(1) A contribution of \$850,000 toward the creation of 17,000 square feet of off-site affordable housing in Ward 1;

(2) A contribution of \$600,000 to fund the renovation of the exterior and roof of the historic Chinese Community Church building at the corner of 5th and I Streets, N.W.;

(3) The provision of 4,100 square feet of multipurpose community space in the project that will be made available to Chinatown community groups and other neighborhood groups at no cost; and

(4) A 10% discount off standard lease rates in the retail space within the project to local Chinese retailers, or retailers which serve the Chinatown or Asian community.

(d) There exists an immediate need to approve this alley closing on an emergency basis

ENROLLED ORIGINAL

to allow the project facilitated by the alley closing to proceed expeditiously and ensure the feasibility of the project. Approval of emergency legislation will allow for the timely issuance of a building permit authorizing construction.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Closing of a Public Alley in Square 452, S.O. 06-1034, Emergency Act of 2007 be adopted after a single reading.
