ZONING COMMISSION NOTICE OF FILING
Z.C. Case No. 07-14
(Map Amendment – Square 3848, Lot 817)
May 3, 2007

THIS CASE IS OF INTEREST TO ANC 5B

On May 1, 2007, the Office of Zoning received an application from Israel Manor Inc., on behalf of Brentwood Outlots LLC, (the “applicant”) for approval of a map amendment from M and C-M-2 to C-2-B for the above-referenced property.

The property that is the subject of this application consists of Square 3848, Lot 817 in Northeast Washington, D.C. (Ward 5) on a site approximately 600 feet to the east of the Rhode Island Avenue Metrorail Station and generally bounded by Rhode Island Avenue and Washington Place.

The subject property contains approximately 2,961 square feet of land area and is currently unimproved. The current zoning classifications, M and C-M-2, are industrial zones that do not permit residential use. Rezoning the site to the C-2-B zoning classification would allow retail and residential uses, such as multiple dwellings on the site. The applicant intends to construct approximately 33 units of low-income or affordable senior housing in a single, four-story building on the site.

For additional information, please contact Sharon S. Schellin, Secretary to the Zoning Commission at (202) 727-6311.
