

**THE DEPUTY MAYOR FOR PLANNING
AND ECONOMIC DEVELOPMENT**

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The Deputy Mayor for Planning and Economic Development (“Deputy Mayor”), pursuant to the authority set forth in section 8(a) of the Qualified Zone Academy Revenue Bond Project Forward Commitment Approval Act of 2005, effective October 18, 2005 (D.C. Law 16-28; 52 DCR 8093) (“Act”) and Mayor’s Order 2007-93, dated April 13, 2007, hereby gives notice of the adoption of the following emergency rules by adding a new Chapter 51 (Qualified Zone Academy Revenue Bonds) of Title 10 (Planning and Development) DCMR. The emergency rules establish the criteria for determining which District of Columbia public schools and public charter schools will be presented to the Council for approval as Qualifying Schools eligible for qualified zone academy revenue bond financing under the Act.

Action was taken on April 17, 2007 to adopt the following rules on an emergency basis effective on that date. Without these emergency rules, the District government will not be able to evaluate applications for qualified zone academy revenue bond financing, submit the approved list of applicants for Council approval, and issue revenue bonds to fund critical school needs by the beginning of the next school year. Thus, adoption of these emergency rules is necessary for the immediate preservation of the public health, safety, welfare and morals. These emergency rules will remain in effect for up to 120 days from the date of adoption, unless earlier superseded by another rulemaking notice or by publication of a Notice of Final Rulemaking in the *D.C. Register*, whichever occurs first.

The Deputy Mayor also gives notice of his intent to adopt these proposed rules as final rules in not less than thirty (30) days from the date of publication of this Notice in the *D.C. Register*.

A new Chapter 51 (Qualified Zone Academy Revenue Bonds) of Title 10 (Planning and Development) DCMR is added to read as follows:

- 5100.4 At his sole discretion, the Deputy Mayor may consider the following criteria when determining which schools will be presented to the Council for approval as Qualifying Schools and the proposed amount of Qualified Zone Academy Revenue Bond financing for each school presented to the Council:

 - (b) The level of need for physical or educational improvements at the school;

DEPARTMENT OF HEALTH

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The Director of the Department of Health pursuant to the authority set forth in § 6(c) of the District of Columbia Smoking Restriction Act of 1979, effective September 28, 1979 (D.C. Law 3-22; D.C. Official Code, § 7-1705(c) (2001)), § 4921 of the Department of Health Functions Clarification Act of 2001, effective October 3, 2001 (D.C. Law 14-28; D.C. Official Code § 7-747(2006 Supp.)), and Mayor's Order 2007-63, dated March 8, 2007, hereby gives notice of the adoption of the following amendments, on an emergency basis, to Title 20, Chapter 21 of the District of Columbia Municipal Regulations, (DCMR). The Director also gives notice of his intent to take final rulemaking action to adopt the amendments in not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

These Emergency Rules were adopted on April 10, 2007, become effective on April 17, 2007, and shall expire on August 8, 2007. These Emergency Rules shall supersede the existing emergency rules which were adopted on March 22, 2007, became effective on April 5, 2007, and would expire on July 20, 2007, unless superseded as shown by the Notice of Proposed and Emergency Rulemaking published on April 6, 2007 at 54 DCR 3084. Additionally, the Director's notice of intent to take final rulemaking action supersedes the proposed permanent rulemaking published on April 6, 2007. These emergency and proposed rules differ from the emergency and proposed rules published on April 6, 2007, by adding rules for obtaining an economic hardship waiver and making further clarifications and corrections. The emergency and proposed rules will prevent a gap in regulation and enforcement that would otherwise result from a lack of comprehensive rules to implement a smoking ban with limited exemptions. The specific differences between this rulemaking and the rulemaking published on April 6, 2007 are the: (1) substitution of the word "review" for the word "audit" in subsection 2105.5; (2) switch from "all" criteria to "one or more" criteria in subsection 2106.1(d); (3) substitution of "place of employment" and "public space" for "tobacco bar" and "retail store" in subsection 2106.7; and (4) inclusion of a definition of the term "review" in subsection 2199.

The proposed amendments would regulate smoking in places of employment and public places, specify the requirements for eligibility for exemptions or waivers from the prohibition of smoking in public places and places of employment, and harmonize existing smoking rules with the requirements for signage under the Department of Health Functions Clarification Amendment Act of 2006, effective April 4, 2006 (D.C. Law 16-90; D.C. Official Code § 7-741 *et seq.* (2006 Supp.)).

Pursuant to § 4921 of the Department of Health Functions Clarification Act of 2001, the proposed rules are being transmitted to the Council of the District of Columbia, and the proposed rules will not become effective until the expiration of the sixty (60) day period of Council review or upon approval by Council resolution, whichever occurs first, and

publication of a notice of final rulemaking in the *D.C. Register*. Publication of a Notice of Final Rulemaking before the expiration of the emergency rule shall supersede the emergency rule.

If the Director fails to make a determination within ninety (90) days and the applicant has complied with requests for information, the Director shall extend the validity of the conditional certificate for additional thirty (30)-day increments until the Director makes a final determination.

2105.5 If the Director determines that a place qualifies for an exemption after a review of the place's financial records, the Director shall issue a certificate of exemption to that place. The certificate issued under this subsection shall be valid for not longer than three (3) years and shall not be transferable to another location or another owner.

2105.6 The Director may perform an annual audit of the financial records of a place that holds a certificate of exemption. an incomplete application and inform the applicant of the information necessary to complete the application.

2106.3 The Director shall make a final determination regarding the application, in writing, not later than sixty (60) days after receiving an application. The decision shall state the reasons for granting or denying the application.

2106.4 An application for an economic hardship waiver shall include the following information:

Official Code § 7-741 *et seq.* including the following:

- (a) Prohibiting smoking near restrooms or commonly used pathways and entrances;
- (b) Requiring physical barriers or ventilation systems, or both, between smoking and non-smoking areas;

2106.6 The Director may grant a waiver for a period not to exceed three (3) years. The waiver shall be:

- (c) Nonrenewable.

2106.7 Each place of employment and public space **that** holds an economic hardship waiver shall provide to the Director every twelve (12) months from the date of the waiver documentation that it continues to satisfy the minimum revenue requirements to maintain the waiver. The Director may revoke the waiver if the place or employment or public space fails to provide documentation to show that it continues to satisfy the revenue requirements for the waiver.

Comment [PLH1]: Using "place and employment or public space" as that phrase is used as describing who can apply for economic hardship waiver.

2106.8 The Director shall conduct periodic inspections to ensure that the holder of a waiver complies with the requirements of this section or any conditions or restrictions contained in the waiver.

2106.9 The Director may suspend or revoke a waiver upon finding that the holder of a waiver has violated a condition or restriction or has failed to comply with the requirements of this chapter or the Acts that have not been waived.

2106.10 The Director may also grant an event-specific waiver based on economic hardship to a hotel, motel, or convention hall for an event that was
