**DISTRICT OF COLUMBIA  
HISTORIC PRESERVATION REVIEW BOARD**

**NOTICE OF PUBLIC HEARING**

The D.C. Historic Preservation Review Board will hold a public hearing to consider adoption of a multiple-property thematic document and applications to designate the following properties as historic landmarks in the D.C. Inventory of Historic Sites. The Board will also consider the nomination of the properties to the National Register of Historic Places:

**Case No. 07-26: Multiple-property thematic documentation for Garden Club of America Entry Markers, Washington, D.C.**

**Case No. 07-27: Garden Club of America Entry Markers at Westmoreland Circle**

**Case No. 07-28: Garden Club of America Entry Markers at Chevy Chase Circle**

**Case No. 07-29: Garden Club of America Entry Marker at Georgia Avenue**

**Case No. 07-30: Garden Club of America Entry Markers at Friendship Heights**

The hearing will take place at **10:00 a.m. on Thursday, May 24, 2007**, at 441 Fourth Street, NW (One Judiciary Square), in Room 220 South. It will be conducted in accordance with the Review Board's Rules of Procedure (10 DCMR 26). A copy of the rules can be obtained from the Historic Preservation Office at 801 North Capitol Street, NE, Room 3000, Washington, DC 20002, or by phone at (202) 442-8800.

The Board's hearing is open to all interested parties or persons. Public and governmental agencies, Advisory Neighborhood Commissions, property owners, and interested organizations or individuals are invited to testify before the Board. Written testimony may also be submitted prior to the hearing. All submissions should be sent to the address above.

For each property, a copy of the historic landmark application is currently on file and available for inspection by the public at the Historic Preservation Office. A copy of the staff report and recommendation will be available at the office five days prior to the hearing. The office also provides information on the D.C. Inventory of Historic Sites, the National Register of Historic Places, and Federal tax provisions affecting historic property.

If the Historic Preservation Review Board designates a property, it will be included in the D.C. Inventory of Historic Sites, and will be protected by the D.C. Historic Landmark and Historic District Protection Act of 1978. The Review Board will simultaneously consider the nomination of the property to the National Register of Historic Places. The National Register is the Federal government's official list of prehistoric and historic properties worthy of preservation. Listing in the National Register provides recognition and assists in preserving our nation's heritage. Listing provides recognition of the historic importance of properties and assures review of Federal undertakings that might affect the character of such properties. If a property is listed in the Register, certain Federal rehabilitation tax credits for rehabilitation and other provisions may

apply. Public visitation rights are not required of owners. The results of listing in the National Register are as follows:

Consideration in Planning for Federal, Federally Licensed, and Federally Assisted Projects: Section 106 of the National Historic Preservation Act of 1966 requires that Federal agencies allow the Advisory Council on Historic Preservation an opportunity to comment on all projects affecting historic properties listed in the National Register. For further information, please refer to 36 CFR 800.

Eligibility for Federal Tax Provisions: If a property is listed in the National Register, certain Federal tax provisions may apply. The Tax Reform Act of 1986 (which revised the historic preservation tax incentives authorized by Congress in the Tax Reform Act of 1976, the Revenue Act of 1978, the Tax Treatment Extension Act of 1980, the Economic Recovery Tax Act of 1981, and the Tax Reform Act of 1984) provides, as of January 1, 1987, for a 20% investment tax credit with a full adjustment to basis for rehabilitating historic commercial, industrial, and rental residential buildings. The former 15% and 20% Investment Tax Credits (ITCs) for rehabilitation of older commercial buildings are combined into a single 10% ITC for commercial and industrial buildings built before 1936. The Tax Treatment Extension Act of 1980 provides Federal tax deductions for charitable contributions for conservation purposes of partial interests in historically important land areas or structures. Whether these provisions are advantageous to a property owner is dependent upon the particular circumstances of the property and the owner. Because the tax aspects outlined above are complex, individuals should consult legal counsel or the appropriate local Internal Revenue Service office for assistance in determining the tax consequences of the above provisions. For further information on certification requirements, please refer to 36 CFR 67.

Qualification for Federal Grants for Historic Preservation When Funds Are Available: The National Historic Preservation Act of 1966, as amended, authorizes the Secretary of the Interior to grant matching funds to the States (and the District of Columbia) for, among other things, the preservation and protection of properties listed in the National Register.

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing must submit to the State Historic Preservation Officer a notarized statement certifying that the party is the sole or partial owner of the private property, and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility for listing in the National Register. If the property is then determined eligible for listing, although not formally listed, Federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If an owner chooses to object to the listing of the property, the notarized objection must be submitted to the above address by the date of the Review Board meeting.

Participants should be prepared to discuss proposed issues regarding the establishment of Verizon Washington DC, Inc.'s Universal Emergency Number 911 Services Rates ("E911 Services").

2. On April 1, 2004, the Commission granted the District of Columbia Government's ("District Government") motion to reclassify Verizon's E911 Services from the competitive services basket to the basic business services basket.<sup>2</sup> Based on the Commission's reclassification decision, Verizon's E911 tariff rate was suspended, and the Commission sought comments from the parties on the appropriate method to set a rate for Verizon's E911 service. By Order No 13206, the Commission determined that the most appropriate vehicle for establishing Verizon's E911 rate is through a rate proceeding.<sup>3</sup>

3. On December 13, 2006, the Commission directed the District Government and Verizon to convene a settlement conference to discuss a resolution of the issues pending in this rate proceeding. The parties subsequently reported that the settlement discussions were unsuccessful and on January 19, 2007, the District Government and Verizon filed a proposed procedural schedule for adoption by the Commission in moving this proceeding forward to resolution.<sup>4</sup> By Order No. 14200, the Commission established the procedural schedule for this rate proceeding.<sup>5</sup>

<sup>1</sup> See D.C. Code § 34-908 (Commission can investigate complaint of unjust discriminatory rate, however no order affecting such rate can be entered without formal hearing).
