"(b) The standards adopted under subsection (a) of this section shall include a progressive schedule of discipline which promotes the goal of in-class education for students subject to disciplinary action, beginning with in-class intervention strategies and ending with expulsion as the final and most extreme form of discipline, and to the extent consistent with this progressive schedule, it shall be the policy of the District of Columbia to prefer in-school disciplinary action, except for those students who may be a danger to the school's faculty,
