The E.L. Haynes Public Charter School is announcing a

REQUEST FOR PROPOSAL

for

Architectural and Engineering Design Services ("A/E")

Per the website www.elhaynes.org: "Haynes opened in August 2004 and serves 163 PreK-3rd graders this year. Haynes engages students in a challenging program in all core academic subjects, plus Spanish, fine arts, and fitness. Haynes is an Expeditionary Learning school where students embark on learning expeditions involving fieldwork, local experts, and community service to master nationally-acclaimed standards."

Haynes is soliciting proposals for the design of a new school building in Northwest Washington DC.

E. L. Haynes PCS is currently housed in 12,000 square feet of building at 3029 14th Street, NW, Washington DC. The school is considering expanding its successful program through 8th grade and therefore its enrollment to approximately 468. The Project is expected to include various classrooms, a science lab, an art studio, a library, a small gymnasium, and general administrative space. The program is currently estimated in the range of 46,000 gross square feet. The proposed site is approximately 0.4 acres. Initial studies suggest a 4 story building with a basement at a construction cost in the range of \$8M.

Design is expected to begin immediately upon selection of the preferred firm, with occupancy of the building targeted for August 2007. The delivery method is expected to include preconstruction services leading to a form of cost plus contract. Haynes will have an Owner's Representative through design and construction.

The RFP will be issued on April 27, 2006. All proposals are due on or before noon on May 8, 2006.

A copy of the RFP can be obtained through the single point of contact:

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT**

Application No. 17462 of Patrick McManaman and Mary Peters, pursuant to 11 DCMR § 3104.1, for a special exception to allow an addition to an existing single-family dwelling under section 223, not meeting the lot occupancy requirements under section 403, and nonconforming structure provisions under subsection 2001.3, in the R-1-B District at premises 4650 Warren Street, N.W. (Square 1554, Lot 38).

HEARING DATE: April 25, 2006
DECISION DATE: April 25, 2006 (Bench Decision)

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 3E and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 3E, which is automatically a party to this application. ANC 3E submitted a report in support of the application. The Office of Planning (OP) also submitted a report in support of the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception under section 223. No parties appeared at the public hearing in opposition to this application. Accordingly a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 223, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application be **GRANTED**.

VOTE: 4-0-1 (Geoffrey H. Griffis, John A. Mann II, Ruthanne G. Miller, Curtis L. Etherly, Jr. to approve, the Zoning Commission member not present, not voting.)

ZONING COMMISSION ORDER NO. 04-04A
Z.C. Case No. 04-04A
Minor Modification to the Consolidated Planned Unit Development
for G.W. Carver Senior Apartments
February 13, 2006

Pursuant to notice, a public meeting of the Zoning Commission for the District of Columbia (the "Commission") was held on February 13, 2006. At the meeting, the Zoning Commission approved an application from the Carver 2000 Tenants Association, Inc. (the "Applicant") for a minor modification to an approved planned unit development ("PUD") for property identified as Lots 78 and 79 in Square 5140, bounded by Central Avenue, East Capitol Street, 47th and 49th Streets, N.E. This PUD Modification is authorized pursuant to Chapters 1 and 24 of the District of Columbia Zoning Regulations. Because the modification was deemed minor, a public hearing was not conducted. The Commission determined that this modification request was properly before it under the provisions of §§ 2409.9 and 3030 of the Zoning Regulations.

FINDINGS OF FACT

By Zoning Commission Order No. 04-04, dated April 11, 2005, the Commission approved a PUD for Lots 78 and 79 in Square 5140. The Order approved the construction of a 104-unit apartment house for senior citizens, including one apartment for the resident manager. All of the units will be for seniors having household incomes of less than 60 percent of Area Median Income ("AMI"). The PUD site was rezoned from R-5-A to R-5-B in conjunction with the PUD.

The Application requested a modification of Condition No. 2 of Order No. 04-04. That condition states as follows:

2. *The development approved in this PUD shall be a new, 104-unit, four-story apartment building for senior citizens, including one apartment for the resident manager. All of the units shall be restricted to seniors earning less than sixty percent (60%) of the area median income for a period of not less than 40 years at rents that will not exceed thirty percent (30%) of the area median income. Approximately forty percent (40%) of the apartments shall serve households of seniors having thirty percent (30%) or less of the area median income, an additional forty percent (40%) of units shall serve those seniors with incomes of thirty percent*

(30%) to fifty percent (50%) of area median income and twenty percent (20%) shall serve those having fifty percent (50%) to eighty percent (80%) of area median income.

The Applicant's PUD Modification submission of January 18, 2006 requested that only the first two sentences of this condition be retained. The stated reason was that the underwriting and financing entities for the project were unwilling to assume the risk represented by the detailed breakdown of household incomes and units in the last sentence: 40 percent of apartments to serve households having 30 percent or less of AMI, 40 percent restricted to senior households having incomes of 30-50 percent of AMI and 20 percent of the units to serve households having 50-80 percent of AMI. The underwriters reportedly see this detailed restriction as a major "up-front" risk that they are not willing to take. This is primarily because achieving these detailed targets is dependent upon renewal of Housing Assistance Payment ("HAP") funding, which is not assured for a 40-year period.

More specifically, the indicated income ranges assume the continuation of a Housing Assistance Payment Contract the Applicant has with the D.C. Housing Authority (HAP contract #0007-2003). The HAP was awarded to the Applicant following a competitive solicitation administered by the DC Housing Authority, whereby rental subsidy payments would be provided to very low-income seniors. Without the HAP, the low-income rental standards will require that 100% of the apartments be rented to families earning less than sixty percent (60%) of the area median income for a period of not less than 40 years (which restrictions are required by the D.C. Housing Finance Agency ("DCHFHA") and will be recorded in a DCHFHA land use restriction agreement at bond closing. With the HAP, the project will be able to reach a much lower income profile as set forth in existing Condition No. 2 of Order No. 04-04.

The issue is that funding for the HAP is subject to Federal government appropriations and the initial contract term is limited to ten years, following which initial terms the HAP is typically renewed at five-year intervals. The counsels for the Bond Purchaser and the Tax Credit Equity Investor have raised the issue of determining whether the Property would be in violation of the Zoning Commission's Order in the unlikely event that the HAP contract was not funded or renewed. They would be left with a 30-year mortgage or tax credit investment that would not be financially feasible if required to maintain the income profiles set forth in the last sentence of Condition No. 2. The underwriters can accept the long-term use restriction requiring that 100% of the Property's tenants have less than sixty percent (60%) of area median income even if, at some future time, HAP funding was no longer available.

The Applicant proposed that the last sentence of Condition No. 2 simply be deleted, which would leave in place the affordability requirement set forth in the second sentence, which states:

All of the units shall be restricted to seniors earning less than sixty percent (60%) of the area median income for a period of not less than 40 years at rents that will not exceed thirty percent (30%) of the area median income.

The Application stated that, even with the proposed change, G.W. Carver Senior Apartments delivers a strong affordable housing package for the following reasons:

1. One hundred percent (100%) of the units will be affordable, which exceeds the typical minor "component" of affordable units within an otherwise market-rate project;
2. The dwelling units will be held affordable for a 40-year period, which is much longer than the 20-year affordability period that often is proposed in PUDs;
3. All of the units will be for senior households earning sixty percent (60%) of AMI or less, so that this building will serve genuinely low- and moderate-income seniors; and
4. The specific text to be retained in Condition No. 2 is a stronger requirement than most PUDs with an affordable housing component.

By report dated January 27, 2006, the Office of Planning ("OP") recommended approval of the requested Modification, noting that Condition No. 2 would continue to explicitly require 100 percent (100%) of the apartment units to be affordable to seniors earning sixty percent (60%) or less of AMI for a period of not less than 40 years, "a significantly greater affordable housing contribution than is provided in any comparable planned unit development."

During its deliberations on February 13, 2006, the Zoning Commission decided to substitute a sentence for the deleted sentence that would retain the goal of the Applicant acquiring HAP funding and being able to achieve the indicated household income target.

CONCLUSIONS OF LAW

Upon consideration of the record in this application, the Zoning Commission finds that the proposed modification is minor, consistent with the intent of the previously approved Zoning Commission Order No. 04-04 and that no public hearing is necessary. Further, the Commission concludes that its decision is in the best interest of the District of Columbia and is consistent with the intent and purpose of the Zoning Regulations. The approval of the modification is not inconsistent with the Comprehensive Plan.

The Zoning Commission finds that approving the modification is appropriate and not inconsistent with the intent of 11 DCMR §§ 2409.9 and 3030.

DECISION

In consideration of the Findings of Fact and Conclusions of Law herein, the Zoning Commission for the District of Columbia hereby orders **APPROVAL** of the application for a minor modification of an approved PUD. Condition No. 2 of Order No. 04-04 is hereby revised to read as follows:

2. *The development approved in this PUD shall be a new, 104-unit, four-story apartment building for senior citizens, including one unit for the resident manager. All of the units shall be restricted to seniors earning less than sixty percent (60%) of the area median income for a period of not less than 40 years at rents that will not exceed thirty percent (30%) of the area median income. The Applicant shall seek renewal of its Housing Assistance Payment funding so that the program goals of forty percent (40%) of the units being for households having thirty percent (30%) or less of AMI, forty percent (40%) having household of thirty to fifty percent (30%-50%) of AMI and twenty percent (20%) having incomes of fifty to eighty percent (50%-80%) of AMI may be achieved.*

This Order was **ADOPTED** by the Zoning Commission at its public meeting on February 13, 2006, by a vote of **5-0-0** (Carol J. Mitten, John G. Parsons, Anthony J. Hood, Gregory N. Jeffries, and Michael G. Turnbull to adopt).

In accordance with the provisions of 11 DCMR § 3028.8, this Order shall become final and effective upon publication in the D.C. Register; that is, on _____.

ZONING COMMISSION ORDER NO. 04-17A
Z.C. Case No. 04-17A
(PUD Modification – MedStar Health)
October 24, 2005

Pursuant to notice, the Zoning Commission for the District of Columbia (the "Commission") held a public meeting on October 24, 2005. At the meeting, the Zoning Commission approved an application from MedStar Health ("MedStar" or "Applicant") for a minor modification to an existing planned unit development (PUD) and a related map amendment to SP-1 and SP-2 for all of the area of Square 3129 that was zoned R-5-A, pursuant to Chapter 24 and § 102, respectively, of the District of Columbia Municipal Regulations ("DCMR"), Title 11, Zoning.

The Zoning Commission has determined that the modification request is properly before it under the provisions of §§ 2409.9 and 3030 of the Zoning Regulations.

FINDINGS OF FACT

By Z.C. Order No. 02-43 dated February 24, 2003, the Commission approved MedStar's application for second stage review and approval of a PUD and related map amendment to SP-1 and SP-2 for all of the area of Square 3129 that was zoned R-5-A, pursuant to Chapter 24 and § 102 respectively, of DCMR Title 11, Zoning.

The PUD approval was for the authority to implement a Master Development Plan, pursuant to the development plans and objectives set forth in "Master Plan 2000," for MedStar's campus of medical and related facilities on Square 3129. The application also sought approval of a map amendment, described in Master Plan 2000 as "Zoning Strategy B," the approval of which would result in a maximum total gross floor area of approximately 4.5 million square feet to be used primarily for the medical services and related uses that are described in Master Plan 2000.

The approved PUD included "Addition A," a hospital and parking expansion building with a gross floor area 50,000 square feet for parking use within the SP-1 zone and 197,600 square feet for hospital use within the SP-2 zone. In describing "Addition A," no specific reference was made to the inclusion of an electrical substation, an accessory use to these occupancies.

Pursuant to 11 DCMR § 3028, Zoning Commission Order No. 02-43 became final and effective upon publication in the D.C. Register on July 18, 2003.

By letter dated June 1, 2004, counsel for the Applicant filed a request to place a minor modification to Zoning Commission Order No. 02-43 on the Commission's Consent Calendar pursuant to § 3030 of the D.C. Zoning Regulations. The letter requested the Zoning Commission

MAY 5 - 2006

to approve a minor modification to allow the construction of an electrical substation facility within "Addition A" of the approved PUD and map amendment order. The electrical facility will initially be constructed as a free-standing structure rising 5 to 13 feet above finished grade. However, that structure will be completely contained within the "Addition A" parking structure when it is built. Consequently, the electrical facility will only be visible to the public until the new parking structure is completed. In turn, the parking structure will be slightly reconfigured internally from that shown in the approved plan to recapture parking spaces that will be lost to the electrical facility. There will be no change in either the gross floor area or in the external appearance of "Addition A." The site area for "Addition A" is presently used as a surface parking lot.

The Applicant indicated that the new electrical facility is needed to address, on an emergency basis, shortfalls in MedStar's electrical capacity to power recent improvements to existing medical equipment and to equipment that will be incorporated within "Addition A" when it becomes operational.

By letter dated September 21, 2005, counsel for the Applicant filed a request to grant a minor modification to Zoning Commission Order Nos. 02-43 and 04-17 on the Commission's Consent Calendar pursuant to § 3030 of the D.C. Zoning Regulations. The minor modification would further modify Order Nos. 02-43 and 04-17 to relocate the electrical substation facility that was approved in Order No. 04-17 to a location that will be immediately to the south of the existing "E" Wing of the main hospital building as shown on Attachment A. The substation will be constructed as a below-grade structure in the existing "E" Wing of the main hospital and will later be enclosed within Additions "A" and "B" of the hospital. This new location for the electrical substation facility will not alter the external appearance of Additions "A" or "B" or of the "E" Wing of the hospital.

The Applicant is also requesting approval for the construction and use of a one-story infill structure within an existing closed courtyard. The one-story infill structure will be constructed in an existing courtyard located between Buildings "F" and "D" as depicted on Attachment B. The Applicant represents that the one-story infill structure will not be visible from the outside of the hospital building, because each of the surrounding buildings are now at least five stories in height. The existing courtyard is currently being used as a relaxation area for the staff and patients of the hospital. This activity will be relocated to an existing courtyard between the "D" Wing and the Cancer Suite.

The gross square footage of the proposed structures is included within the overall gross square footage and FAR limits previously approved by the Commission. At 5,700 square feet, the electrical substation facility will be included within the 2,500,000-square-foot cap on all "new below grade non-FAR-countable" space, as approved in Order No. 02-43. The courtyard infill will count 17,200 square feet toward the maximum available gross floor area of the 2,845,749 gross square feet.

By memorandum dated October 7, 2005, the D.C. Office of Planning recommended approval of this minor modification subject to the Applicant providing additional information regarding the impact, if any, on the overall square footage and FAR that is permitted by the PUD, recognition

by the Applicant that the gross square footage of the proposed structures is included within the overall gross square footage and FAR limits previously approved by the Commission, a designation of a specific place for the relocation of the existing relaxation area and a statement that the addition of the one-story courtyard will be conformance with 11 DCMR § 536.3. By letter dated October 13, 2005, the Applicant submitted the information requested by the Office of Planning.

MedStar presented evidence that it has duly served a full copy of its request for a minor modification on Advisory Neighborhood Commission 5C and the District Department of Transportation. No comments were received from either of these organizations.

On October 17, 2005, at its regular monthly meeting, on the recommendation of the Director of the Office of Zoning, the Zoning Commission placed MedStar's request for a minor modification on the Commission's Consent Agenda. Consideration of the matter was continued for the Applicant to provide a draft order. The Commission approved the minor modification at a special public meeting held October 24, 2005.

CONCLUSIONS OF LAW

Upon consideration of the record of this application, the Zoning Commission concludes that MedStar's proposed modification is minor and consistent with the intent of Zoning Commission Order No. 02-43. The Zoning Commission concludes that the proposed modification is in the best interest of the District of Columbia, is not inconsistent with the intent and purpose of the Zoning Regulations and Zoning Act.

The approval of the modification is not inconsistent with the Comprehensive Plan. Further, the requested minor modification will not affect any of the other conditions to the approved PUD. The modification is of such a minor nature that its consideration as a consent calendar item without public hearing is appropriate.

As this proposed minor modification will not change the exterior appearance of Additions "A," "B," "D," "E" or the Cancer Suite as approved, the Zoning Commission determined that it is unnecessary to refer this request to the National Capital Planning Commission for review and comments.

DECISION

In consideration of the reasons set forth herein, the Zoning Commission for the District of Columbia hereby orders **APPROVAL** of the following minor modification:

1. The Applicant may relocate the electrical substation facility that was approved in Order No. 04-17 to a location that will be immediately to the south of the existing "E" Wing of the main hospital building as shown on Attachment A to Applicant's counsel's September 21, 2005 letter. The substation shall be constructed as a below-grade structure in the existing "E" Wing of the main hospital, but may later be enclosed within Additions "A" and "B" of the hospital, provided that it remains below-grade. The facility's gross

floor area shall not exceed 5,700 square feet nor alter the external appearance of Additions "A" or "B" or of the "E" Wing of the hospital.

2. The Applicant shall be permitted to construct a one-story infill structure within an existing closed court between Buildings "F" and "D" of the Development Plan that was approved in PUD Order No. 02-43. The structure shall not be visible from the outside of the hospital building and its gross floor area shall not exceed 17,200 square feet. The current functions of the courtyard, as a relaxation area for the staff and patients of the hospital, may be relocated to an existing courtyard between the "D" Wing and the Cancer Suite.

The above-described construction shall be consistent with the plans submitted to the Zoning Commission record by MedStar on September 21, 2005. All other provisions and conditions of Zoning Commission Order No. 02-43 remain in effect.

Pursuant to the intent of 11 DCMR § 2409.3, no building permit shall be issued by the Department of Consumer and Regulatory Affairs ("DCRA") for the minor PUD modification until the Applicant has recorded a "Notice of Modification" of Zoning Commission Order No. 02-43 with the land records of the District of Columbia. That Notice of Modification shall include true copies of Zoning Commission Order No. 02-43 and this Order, which the Director of Zoning has certified. The recordation of the Notice of Certification shall bind MedStar and any successors in title to construct on and use this site in accordance with this Order and any amendments thereof.

After recordation of the Notice of Modification, MedStar shall promptly file a certified copy of that notice of Modification with the Office of Zoning.

The minor PUD modification approved by the Zoning Commission shall be valid for a period of two (2) years from the effective date of this Order. Within such time, an application must be filed for a building permit as specified in §§ 2409.2 and 2409.3 of the Zoning Regulations. Construction shall start within three (3) years of the effective date of this Order.

The Applicant is required to comply fully with the provisions of the Human Rights Act of 1977, D.C. Law 2-38, as amended, and this Order is conditioned upon full compliance with those provisions. In accordance with the D.C. Human Rights Act of 1977, as amended, D.C. Official Code § 2-1401.01 et seq., (Act) the District of Columbia does not discriminate on the basis of actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, familial status, family responsibilities, matriculation, political affiliation, disability, source of income, or place of residence or business. Sexual harassment is a form of sex discrimination that is also prohibited by the Act. In addition, harassment based on any of the above protected categories is also prohibited by the Act. Discrimination in violation of the Act will not be tolerated. Violators will be subject to disciplinary action. The failure or refusal of the Applicant to comply shall furnish grounds for the denial or, if issued, revocation of any building permits or certificates of occupancy issued pursuant to this Order.

MAY 5 - 2006

This application was approved by the Zoning Commission at its public meeting on October 24, 2005, by a vote of 4-0-1 (Carol J. Mitten, Kevin L. Hildebrand, and Anthony J. Hood to approve; John G. Parsons to approve by absentee ballot; Gregory N. Jeffries not present, not voting).

In accordance with the provisions of 11 DCMR § 3028.8, this Order shall become final and effective upon publication in the D.C. Register; that is, on _____.
