## DEPARTMENT OF HEALTH

NOTICE OF IMPLEMENTATION OF PRICE POSTING REQUIREMENTS  
OF THE  
PRESCRIPTION DRUG PRICE INFORMATION ACT

The Director of the Department of Health hereby gives notice of his intent to implement the price posting requirements of the Prescription Drug Price Information Act. In June 2005 the Department of Health (DOH), in cooperation with the Office of the Attorney General (OAG), announced its intention to resume implementation and enforcement of the District of Columbia Prescription Drug Price Information Act (D.C. Law 1-81; D.C. Official Code § 48-801.01 *et seq.*). That law requires every pharmacy in the District to prominently display in its prescription drug service area the current selling prices for the 100 most commonly used prescription drugs, and requires the display of certain consumer rights information. The effective date of the re-implementation was announced as August 1, 2005. The DOH and the OAG invited members from the industry to public meetings held on June 16, 2005, and July 6, 2005, to discuss the re-implementation of the law.

As a result of the public meetings, and in consideration of the concerns expressed by members of the retail pharmacy community, DOH sent a letter to District pharmacists, dated July 29, 2005, requiring immediate display of a "Consumer Rights Poster." Meanwhile, the DOH postponed the requirement to post current selling prices for the 100 most commonly used prescription drugs and requested the industry to submit written comments and suggestions on the proposed re-implementation of the law.

On October 21, 2005, a Request for Comments was published in the *District of Columbia Register*, seeking input from members of the retail pharmacy community and the general public regarding DOH's proposed re-implementation and re-enforcement of the Prescription Drug Price Information Act.

After careful consideration of the comments received, DOH has determined that it will enforce the price posting requirements of the Prescription Drug Price Information Act. Therefore, DOH will issue each pharmacy a black-ring binder, appropriately labeled and appropriately sized, containing pre-printed sheets listing the 100 most commonly used prescription drugs. The binder is to be displayed prominently in the immediate vicinity of the prescription drug service area in such a manner so that the consumers would not have to obtain permission or assistance from a pharmacy employee.

You have an option of:

- a) Using the booklet to manually enter and maintain the current selling price for each drug listed, in the two common quantities indicated, or
- b) Replacing the drug list pages with a price list generated and printed by the pharmacy on a computer (in similar size and readability as the pages

issued by DOH), further replacing specific pages only as necessary to maintain current selling prices.

You will be required to pick up, and acknowledge receipt for, an "OUR CURRENT PRESCRIPTION PRICES" binder from DOH headquarters on or before July 1, 2006. All pharmacies will be required to display the binder, with current selling prices entered, in their prescription drug service areas beginning August 1, 2006.

The DOH and OAG will hold a meeting to discuss the decision to re-implement the law. The meeting will be held on Friday, June 9, 2006, 10:00 A.M. to 12 P.M., at 825 North Capitol Street, NE, Room 2204.

Questions about this program may be addressed to the DOH/Health Care Regulation and Licensing Administration, Health Regulation Administration, Pharmaceutical Control Division at (202) 442-5888.
