Sec. 2. (a) Twenty-six states have an official fruit, 2 of which picked their official fruit based on suggestions from children.

(c) Every year, the District of Columbia holds the Cherry Blossom Festival, which includes a parade and other events celebrating the beauty of the cherry tree and the original gift, in 1912, of 3,000 cherry trees from the city of Tokyo to the people of Washington, D.C.

(d) Washington, D.C. is more closely associated with the cherry than any other fruit.

(e) The matter of an official fruit was studied by the students in Mr. Bunton's class at Bowen Elementary School, and they proposed that the cherry be named the official fruit of the District of Columbia.
