**FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:**

**Case No. 06-39 – The Catholic University of America Campus Plan Amendment and Further Processing Application**

**THIS CASE IS OF INTEREST TO ANC 5A and 5C**

**Application of The Catholic University of America**, pursuant to 11 DCMR § 3104.1, and in accordance with Section 210 of the Zoning Regulations, the President and Trustees of The Catholic University of America (hereinafter "**Catholic**" or the "**University**") request to amend the Campus Plan approved in 2002 to locate student housing in the northeast corner of the Main Campus. Catholic also requests special exception approval for the further processing of the approved Campus Plan to permit the construction of two of the proposed student housing facilities and to permit rooftop structures within the setback required by Section 400.7. Finally, Catholic seeks special exception approval to extend the use of previously approved temporary housing units on campus through 2012.

On August 18, 2006, the Office of Zoning received an application from The Catholic University of America requesting approval of an amendment to the Campus Plan approved in 2002 and a further processing application to permit the construction of residence halls in the northeast corner of the University's Main Campus. This further processing application and campus plan amendment affect the University's Main Campus, which is bound by Taylor Street to the north, Harewood Road to the west, Michigan Avenue to the south and John McCormack Road to the east. This portion of the campus is located in the R-5-A Zone District.

The Zoning Commission approved Catholic's Campus Plan for the period 2002 through 2012 on May 23, 2003 through Zoning Commission Order No. 02-20. Consistent with the approval, the proposed construction will increase the floor area ratio for the campus to .36 and the proposed residence halls will be approximately 74 feet tall. The two residence halls will consist of approximately 250,000 square feet. The Zoning Commission also approved the use of 26 temporary housing units on Catholic's Campus until April 2009 through Order No. 04-10. The Applicant seeks approval for extending this approval through 2012.

**PLEASE NOTE:**

- Failure of an applicant or appellant to appear at the public hearing will subject the application or appeal to dismissal at the discretion of the Commission.
- Failure of an applicant or appellant to be adequately prepared to present the application or appeal to the Commission, and address the required standards of proof for the application or appeal, may subject the application or appeal to postponement, dismissal, or denial.
