(4) Subsection (b) is amended to read as follows:

“(b) *Reduction.* -- The Mayor shall reduce the conversion fee of each unit of a condominium, or proportionate value of the cooperative residence, when the owner sells a unit in the housing accommodation, provides a lease, or provides an option to lease for at least 5 years, to current or new qualifying tenant-purchasers. To qualify for this reduction, a lease cannot require monthly payments greater than existing rents, as may be increased by the annual adjustment of general applicability provided in section 206(b), or a similar annual adjustment in any successor rent control act, or 30% of gross household income, whichever is greater. The 5% conversion fee shall be reduced by dividing the total number of qualifying tenant-purchasers by the number of units in the building at settlement, and multiplying the quotient by 5%. The resulting percentage shall be subtracted from the 5% conversion fee coefficient and shall be used as the basis of the final conversion fee.”.

(5) Subsection (b-1) is amended to read as follows:

“(b-1) *Payment.* -- Upon registration of the housing accommodation as a condominium or a cooperative, the Mayor shall record a lien on the property in the amount of the declared conversion fee. The declared conversion fee shall be apportioned among the individual units or shares according to the percentage that each unit represents of the total estimated sales price and shall be paid at the time of settlement on the individual units or shares. The Recorder of Deeds shall not record a deed for an individual unit or share until the declared conversion fee for that individual unit or share is paid in full. The Mayor shall require payment of the declared conversion fee for any unsold units or shares 2 years after the housing accommodation is registered as a condominium or a cooperative. After payment of the declared conversion fees for all of the units, if the declared conversion fee and the final conversion fees are not the same, any underpayment or overpayment of the conversion fee shall be collected from the owner or refunded to the owner by the Mayor, accordingly. If the final conversion fee is greater than the declared conversion fee, for each 1% that the final conversion fee is greater than the declared conversion fee, a .5% (one-half of one percent) surcharge shall be added to the conversion fee paid by the owner. The Mayor shall enforce a lien against any unsold unit of a condominium or proportionate value of a cooperative to collect any underpayment of the final conversion fee.”.
