GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS
BOARD FOR THE CONDEMNATION OF INSANITARY BUILDING
P.O. BOX 37200
WASHINGTON, D.C. 20013-7200

Find enclosed a list of buildings against which condemnation proceedings have been instituted. This list is current as of April, 2005. The following paragraphs will give some insight into why these buildings were condemned and the meaning of condemnation for insanitary reasons.

Each listed property has been condemned by the District of Columbia Government's Board for the Condemnation of Insanitary Buildings (BCIB). The authority for this board is Title 6, Chapter 9, of the District of Columbia Code, 2001 Edition. The BCIB has examined each property and has registered with the record owner (via condemnation) a strong disapproval of the condition in which the property is being maintained. The BCIB has recorded at the Office of the Recorder of Deeds an Order of Condemnation against each property for the benefit of purchasers and the real estate industry.

These properties were condemned because they were found to be in such an insanitary condition as to endanger the health and lives of persons living in or in the vicinity of the property. The corrective action necessary to remove the condemnation order could take the form of demolition and removal of the building by the owner or the BCIB. However, most buildings are rendered sanitary, i.e., the insanitary conditions are corrected by the owner or the BCIB.

The administration of the condemnation program does not take title to property. The title to each property remains with the owner. Accordingly, inquiries for the sale or value of these properties should be directed to the owner of record. Inquiries regarding the owner or owner's address should be directed to the Office of Tax and Revenue, Customer Service, Office of Real Property Tax (202) 727-4829, 941 North Capitol Street, NE, 1st floor.

For further assistance, contact the Support Staff of the BCIB on 442-4486.

NOTICE OF PUBLIC MEETING
Prescription Drug Price Information Act

Time: June 16, 2005, 7:00 pm

Location: Auditorium, One Judiciary Square, 441 Fourth Street, NW, First Floor

The Department of Health and the Office of the Attorney General announce their intention to implement and enforce the District of Columbia Prescription Drug Price Information Act, D.C. Law 1-81 (D.C. Code §§ 48-801.01 - .06). Under that law, enacted by the Council of the District of Columbia 1976, every pharmacy in the District must prominently display in its prescription drug service area the current selling prices for the 100 most commonly used prescription drugs, each in two commonly-prescribed quantities. Current charges for professional and convenience services offered by the pharmacy must also be listed. Under the law, consumers may be offered the listed drugs and services only at the posted prices.

Effective August 1, 2005, all pharmacies in the District will be required to prominently display their current prices for the prescriptions drugs on a list furnished to them by the Department of Health. On or about July 20, 2005, the Department of Health will issue to each pharmacy a new pricing book identifying the 100 most commonly used prescription drugs, along with instructions for entering pricing information and for displaying it in conformity with the law. Failure to offer consumers the drugs listed at the posted price and the services is a violation of the law and will be subject to administrative action by the Department of Health and enforcement action by the Office of the Attorney General.

**TRAINING, TECHNICAL ASSISTANCE AND
COMPREHENSIVE CLINICAL SERVICES PROJECT
FOR THE
PRE-KINDERGARTEN INCENTIVE PROGRAM**

The DC Office of Early Childhood Development (OECD), invites applications from eligible applicants to provide training, technical assistance and comprehensive clinical services for the projects funded under the Pre-Kindergarten Incentive Program.

OECD, a unit of the District of Columbia Department of Human Services (DHS), will award two sub-grants in the following categories: Training & Technical Assistance and Comprehensive Clinical Services.

Under the Pre-Kindergarten Incentive Program, beginning July 1, 2005, the OECD, in cooperation with the District of Columbia Public Schools (DCPS), will fund true-quality early childhood services for at least 375 District of Columbia children not currently enrolled in an early education program, through funding to a variety of non-profit community-based organizations at 24 sites throughout the District.

The funded projects require training and technical assistance related to the implementation of prescribed curricula, classroom instruction, evaluation design and implementation, parent-involvement, marketing and community outreach, and use of computers and other equipment; and, they require access to a set of comprehensive health-related services (including but not limited to social workers, psychologists, speech and language practitioners and play therapists) that will ensure that no child enrolled in the Pre-Kindergarten Incentive Program leaves the program with an undiagnosed health challenge that may affect that child's ability to learn.

Private and non-profit organizations, government agencies, universities, and medical centers are eligible to apply for funding under this RFA.

For further information, please contact Ms. Priscilla Burnett, Program Assistant, DHS Office of Grants Management by telephone 202-671-4407.
