

D.C. OFFICE OF PERSONNEL

NOTICE OF FINAL RULEMAKING

The Director, D.C. Office of Personnel, with the concurrence of the City Administrator, pursuant to Mayor's Order 2000-83, dated May 30, 2000 and Mayor's Order 2005-73, dated May 5, 2005; and in accordance with Title II of D.C. Law 15-353, the Child and Youth, Safety and Health Omnibus Amendment Act of 2004 (Act), effective April 13, 2005, hereby gives notice that final rulemaking action was taken to adopt these rules. The Act requires that criminal background checks be obtained for: (1) persons being considered for paid employment, or unsupervised voluntary services, with District government agencies that meet the definition of "covered child or youth services provider" in section 202 (3) of the Act; and (2) employees and unsupervised volunteers in District government agencies considered covered child or youth services providers. CHAPTER 4

ORGANIZATION FOR PERSONNEL MANAGEMENT

A new section 412 is added to read as follows:

412 CRIMINAL BACKGROUND CHECK AND TRAFFIC RECORD CHECK REQUIREMENTS – DISTRICT GOVERNMENT AGENCIES CONSIDERED COVERED CHILD OR YOUTH SERVICES PROVIDERS

412.1 Pursuant to Title II of D.C. Law 15-353, the Child and Youth, Safety and Health Omnibus Amendment Act of 2004 (Act), effective April 13, 2005, and as specified in this section, the Mayor and other personnel authorities shall be required to conduct criminal background checks and traffic record checks to investigate certain employees, volunteers, and persons being considered for employment with District government agencies that are "covered child or youth services providers," as that term is defined in section 202 (3) of the Act and section 499 of this chapter.

- 412.2 Pursuant to section 211 (1) of the Act, District government agencies considered covered child or youth services providers shall begin conducting criminal background checks within forty-five (45) days of the publication in the D.C. Register of the notice of final rulemaking implementing the criminal background check requirements of the Act. The requirement for the criminal background checks shall apply not only to new appointees to paid and voluntary positions covered under the Act, but also to employees occupying positions covered under the Act. Such employees will be subjected to an initial criminal background check within the timeframe specified in this subsection and, subsequent to that, to periodic checks as specified in section 412.3 of this section.
- 412.3 Pursuant to section 203 (g) of the Act, each employee or volunteer described in section 412.11 (c) and (d) of this section occupying a covered position shall be required to submit to periodic criminal background checks while employed by, or volunteering at, a District government agency considered a covered child or youth services provider. The provisions for periodic criminal background checks are specified in sections 412.36 through 412.38 of this section.
- 412.4 The following subordinate agencies shall be considered covered child or youth services providers subject to the criminal background check and traffic record check provisions of the Act. The standard for determining that an agency is subject to the Act is that as part of its mission, the agency, as a whole or certain components thereof, provides the types of direct services to children or youth, or for the benefit of children or youth, encompassed in the duties and responsibilities listed in section 412.13 of this section:
- (a) Department of Human Services;
 - (b) Department of Health;
 - (c) Department of Parks and Recreation;
 - (d) Fire and Emergency Medical Services Department;
 - (e) Metropolitan Police Department;
 - (f) State Education Office within the Executive Office of the Mayor;
 - (g) Department of Youth Rehabilitation Services;
 - (h) Department of Mental Health; and
 - (i) Child and Family Services Agency.

- 412.5 A District government agency designated by the Mayor or independent personnel authority as a child or youth services provider subject to the Act, may challenge such a designation and the requirement to comply with the Act, by submitting a challenge of the designation, in writing, to the appropriate personnel authority, within five (5) days of the publication in the D.C. Register of the notice of final rulemaking implementing the criminal background check requirements of the Act. The submission shall include information and documentation deemed appropriate by the agency to challenge the designation. The personnel authority will evaluate the information and documentation submitted by the agency and respond in writing within five (5) days of the receipt of the agency's challenge.
- 412.6 Pursuant to section 204 (b)(2) of the Act, traffic record checks shall be conducted on employees and supervised and unsupervised volunteers of District government agencies considered covered child or youth services providers who are, or on appointees who would be, required to drive motor vehicles to transport children or youth in the course of performing their duties. Traffic record checks shall be obtained from the traffic records maintained by the D.C. Department of Motor Vehicles.
- 412.7 Pursuant to section 205 (a) and (b) of the Act, criminal background checks will be conducted in accordance with Federal Bureau of Investigations (FBI) policies and procedures and in a FBI-approved environment, by means of fingerprint and National Criminal Information Center checks.
- 412.8 Agencies subordinate to the Mayor that are subject to the Act, and independent District government agencies that are subject to the Act, shall cover the costs for criminal background checks and traffic record checks required under the Act.
- 412.9 The Director, D.C. Office of Personnel, shall enter into a Memorandum of Understanding (MOU) with the Chief, Metropolitan Police Department (MPD) stating that the MPD will conduct the criminal background checks under the Act, including fingerprinting, and develop internal operating procedures to conduct the checks, for agencies under the personnel authority of the Mayor.
- 412.10 Personnel authorities shall be responsible for conducting traffic record checks pursuant to the Act, and for developing internal operating procedures for conducting the checks.
- 412.11 Except as specified in section 412.12 of this section, criminal background checks pursuant to this section will be required for the following persons:
- (a) Each person being considered for paid employment with a District government agency considered a covered child or youth services provider, in a position with duties and responsibilities as described in section 412.13 of this section or similar duties and responsibilities;

- (b) Each person being considered for voluntary service in a District government agency considered a covered child or youth services provider, in an unsupervised position with duties and responsibilities as described in section 412.13 of this section or similar duties and responsibilities;
- (c) Each paid employee of a District government agency considered a covered child or youth services provider, who occupies a position with duties and responsibilities as described in section 412.13 of this section or similar duties and responsibilities; and
- (d) Each volunteer in a District government agency considered a covered child or youth services provider in an unsupervised position with duties and responsibilities as described in section 412.13 of this section or similar duties and responsibilities.

412.12 Criminal background checks are not required for the following persons:

- (a) A person being considered for compensated or voluntary employment with a District government agency considered a covered child or youth services provider that will not bring the person in direct contact with children or youth;
- (b) A volunteer in a District government agency considered a covered child or youth services provider who has only supervised contact with children or youth; however, if applicable, such person will be required to submit to a traffic record check pursuant to section 204 (b)(2) of the Act; and
- (c) A person being considered for compensated or voluntary employment with a District government agency considered a covered child or youth services provider who has an active federal security clearance.

412.13 Upon consulting with the head of a District government agency considered a covered child or youth services provider, the appropriate personnel authority shall identify and determine which positions in the agency shall be covered under the Act. In identifying the covered positions, the personnel authority shall ensure that the duties and responsibilities of each position require the provision of direct services that affect the health, safety, and welfare of children or youth or services for the benefit of children or youth, including but not limited to, at least one (1) of the following duties and responsibilities:

- (a) Childcare duties;
- (b) Recreational activities;

412.14 The following standards shall be applied in identifying positions, compensated or not, which shall be subject to the criminal background check requirement or the traffic record check requirement under the Act:

- (a) The underlying guiding standard to be applied in identifying positions that shall be subject to the criminal background check requirement and traffic

record check requirement shall be one of reasonableness, coupled with the standards outlined in section 412.14 (b) through (k) of this section, as applicable.

- (b) A determination that a position is covered under the Act and subject to the criminal background check requirement shall be based on a comprehensive analysis of the position description or statement of duties, as applicable. The purpose of the analysis shall be to determine if the position description or statement of duties contains at least one (1) of the duties and responsibilities listed in section 412.13 of this section or similar duties and responsibilities and that any incumbent of the position will perform the duties and responsibilities personally and routinely.
- (c) The single fact that a position is located in a District government agency considered a covered child or youth services provider does not automatically make the position or its incumbent subject to the criminal background check requirement or the traffic record check requirement of the Act.
- (d) Strictly tangential, casual, or occasional contact with children or youth does not automatically make an employee or volunteer subject to the criminal background check requirement or traffic record check requirement of the Act.
- (e) Administrative, clerical, or technical support positions within the immediate office of the head of a District government agency considered a covered child or youth services provider as well as within other components, units, or divisions of the agency that provide non-operational support services shall not be subject to the criminal background check requirement unless the position descriptions or statements of duties, as applicable, contain at least one (1) of the duties and responsibilities listed in section 412.13 of this section, or similar duties and responsibilities related to the direct provision of services to children or youth, and a determination is made that any incumbents of the positions will perform the duties and responsibilities personally and routinely. Such positions may include, but are not limited to the head of the agency, special assistants, administrative officers, staff assistants, and secretaries.
- (f) An employee who is detailed, temporarily promoted, or temporarily reassigned from a non-covered position to a covered position shall be subject to an initial criminal background check upon the personnel action being effected and to periodic criminal background checks while detailed, temporarily promoted, or temporarily reassigned.

- (g) A volunteer whose assignment changes from non-covered duties and responsibilities to covered duties and responsibilities shall be subject to an initial criminal background check upon being moved to the covered assignment and to periodic criminal background checks while in the covered assignment.
- (h) A determination that a position is subject to the traffic record check requirement under the Act shall be based on a comprehensive analysis of the position description or statement of duties, as applicable. The purpose of the analysis shall be to determine if the position description or statement of duties requires that any incumbent of the position drive a motor vehicle to transport children or youth in the course of performing his or her duties.
- (i) An employee who is detailed, temporarily promoted, or temporarily reassigned from a non-covered position to a position that will require him or her to drive a motor vehicle to transport children or youth in the course of performing the duties of the detail, temporary promotion, or temporary reassignment shall be subject to an initial traffic record check upon the personnel action being effected.
- (j) A volunteer whose assignment changes from non-covered duties and responsibilities to duties and responsibilities that will require him or her to drive a motor vehicle to transport children or youth in the course of performing the duties of the voluntary assignment shall be subject to an initial traffic record check requirement upon being moved to the covered assignment.
- (k) Except as specified in section 412.12 of this section, any position subject to the traffic record check requirement shall also be subject to the criminal background check requirement.

412.15 District government agencies considered covered child or youth services providers may submit information and documentation to the appropriate personnel authority to challenge the designation of a position as subject to a criminal background check or traffic record check. The personnel authority shall evaluate any information and documentation submitted by an agency, and promptly determine whether the original designation shall stand or be changed.

412.16 Vacancy announcements for positions identified and designated as requiring a criminal background check or traffic record check, or both, shall include statements informing each applicant that:

- (a) The position for which he or she is applying has been identified and designated as requiring a criminal background check or traffic record check, or both;

- (b) If tentatively selected for the position, a criminal background check or traffic record check, or both, as appropriate, will be conducted; and
 - (c) The employing agency may offer employment to the appointee to the position contingent upon receipt of a satisfactory criminal background check or traffic record check, or both.
- 412.17 In the case of non-competitive recruitment for a position requiring a criminal background check or traffic record check, or both, the appropriate personnel authority shall inform the person being considered for employment, in writing, of the requirements specified in section 412.16 of this section.
- 412.18 The Director, D.C. Office of Personnel (or his or her designee), shall publish the list of positions in agencies under the personnel authority of the Mayor that are subject to a criminal background check or traffic record check, or both, in the District Personnel Manual (or any other procedural manual developed). The list shall be published on an annual basis.
- 412.19 An appointee to a compensated position with a District government agency considered a covered child or youth services provider may be offered employment contingent upon receipt of a satisfactory criminal background check or traffic record check, or both, and begin working in a supervised setting, prior to receiving the results of the checks, and prior to the employing agency making a determination that the appointee meets the requirements of the Act. Upon making a determination to allow the appointee to begin working prior to receiving the results of the check or checks, the employing agency shall so inform the appropriate personnel authority.
- 412.20 An appointee to an unsupervised volunteer position with a District government agency considered a covered child or youth services provider will not be allowed to begin volunteering in an unsupervised setting until the results of the criminal background check or traffic record check, or both, are received and a determination is made that the appointee meets the requirements of the Act.
- 412.21 Prior to a criminal background check being conducted, the appropriate personnel authority will inform each appointee, employee, or unsupervised volunteer subject to the check of the location of the office where the check will be conducted, when to report for fingerprinting, and provide each appointee, employee, or unsupervised volunteer with a form or forms to be utilized for the following purposes:
- (a) To authorize the MPD or other entity, as appropriate, to conduct the criminal background check and confirm that the appointee, employee, or unsupervised volunteer has been informed that the employing agency is authorized to conduct a criminal background check;

- (b) To affirm that the appointee, employee, or unsupervised volunteer has not been convicted of a crime, has not pleaded nolo contendere, is not on probation before judgment or placement of a case upon a stet docket, and has not been found not guilty by reason of insanity, for any sexual offenses or intra-family offenses in the District of Columbia or their equivalent in any other state or territory, or for any of the following offenses or their equivalent in another state or territory:
- (1) Murder, attempted murder, manslaughter or arson;
 - (2) Assault, battery, assault and battery, assault with a dangerous weapon, mayhem, or threats to do bodily harm;
 - (3) Burglary;
 - (4) Robbery;
 - (5) Kidnapping;
 - (6) Theft, fraud, forgery, extortion, or blackmail;
 - (7) Illegal use or possession of a firearm;
 - (8) Trespass or injury to property;
 - (9) Sexual offenses, including indecent exposure; promoting, procuring, compelling, soliciting, or engaging in prostitution; corrupting minors (sexual relations with children); molesting; voyeurism; committing sex acts in public; incest; rape; sexual assault; sexual battery; or sexual abuse;
 - (10) Child abuse or cruelty to children; or
 - (11) Unlawful distribution or possession of, or possession with intent to distribute, a controlled substance;
- (c) To acknowledge in writing that the appointee, employee, or unsupervised volunteer has been notified of his or her right to obtain a copy of the criminal background check report and to challenge the accuracy and completeness of the report;
- (d) To acknowledge that the employing agency may choose to deny the appointee employment or an unsupervised volunteer position, or to terminate an employee or volunteer, based on the outcome of the criminal background check;

- (e) To provide any additional identification that is required, such as name, social security number, date of birth, and gender; and
 - (f) To inform the appointee or employee that a false statement on the form or forms may subject them to criminal penalties.
- 412.22 Upon receiving and completing the form or forms specified in section 412.21 of this section, the appointee or employee shall report to the designated location to be fingerprinted.
- 412.23 Upon completing each criminal background check, the designated MPD representative, or the representative for any other entity conducting the check, shall forward the check to the appropriate employing agency. The employing agency shall forward a copy of the check to the personnel authority upon completing the review and determination process pursuant to sections 412.24 through 412.32 of this section.
- 412.24 District government agencies shall consider a variety of factors in determining an appointee's suitability for employment based on a criminal background check conducted pursuant to this section, but shall not consider arrest records unless they are related to crimes against children or youth. Possession of one (1) or more of the following criminal background characteristics may make the appointee ineligible for employment or unsupervised voluntary service:
- (a) A felony conviction; or
 - (b) A serious misdemeanor conviction.
- 412.25 Except as provided in section 412.26 of this section, the following variables shall be closely considered and evaluated on a case-by-case basis to determine if an appointee subject to a criminal background check shall be ineligible for paid employment or unsupervised voluntary service:
- (a) The recency of any conviction;
 - (b) The age of the appointee at the time of any conviction;
 - (c) Any false statements made by the appointee concerning the form or forms described in section 412.21 of this section, or the uncovering of any intentional false statements of material fact or deception or fraud in applying for employment, compensated or not, that would provide a basis for disqualification; and
 - (d) The absence or presence of rehabilitation or efforts toward rehabilitation.

- 412.26 Notwithstanding the factors and variables specified in sections 412.24 and 412.25 of this section, a criminal background check reflecting a conviction or convictions for crimes against children or youth shall result in the disqualification of the appointee subject to the check.
- 412.27 Records of traffic infractions shall be judged on an individual basis for appointees whose duties would include driving a motor vehicle to transport children or youth as described in the Act. A pattern of disregard for existing traffic regulations, particularly where there has been a conviction for driving under the influence of intoxicants or drugs, may make the appointee ineligible for employment or voluntary service, if the appointee could be required to drive a motor vehicle to transport children or youth in the course of performing his or her duties.
- 412.28 Based on the outcome of the criminal background check, each employing agency shall determine whether a final offer of appointment should be made or denied or, when the appointee to a compensated position was allowed to begin working in a supervised setting prior to receiving the results of the check, if he or she will be retained or employment will be terminated.
- 412.29 If the determination is to deny the final offer of appointment or terminate employment, the employing agency shall do all of the following:
- (a) Send the appointee a written notification of the determination. The written notification shall inform the appointee of his or her right to obtain a copy of the criminal background check report and to challenge the accuracy and completeness of the report, in writing, within ten (10) days of receiving the written notification; and
 - (b) Send the personnel authority a copy of the written notification.
- 412.30 In challenging the results of a criminal background check report, the appointee may present information and documentation to clarify any errors in the report resulting from mistakes in identity, and any mitigating circumstances that may exist concerning the report.
- 412.31 Upon receiving a challenge to a criminal background check report, the appropriate employing agency shall promptly make a determination on the case and inform the appointee of the decision, in writing, with a copy to the personnel authority.
- 412.32 If the determination is that a final offer of appointment should be made to an appointee who did not begin working prior to the employing agency receiving the results of the check, the employing agency shall promptly notify the personnel authority.

- 412.33 Upon receiving the employing agency's determination that a final offer of appointment should be made to an appointee, the appropriate personnel authority shall promptly issue a final offer letter to the appointee. If the determination is to terminate employment, the personnel authority will process the action to terminate the employment within ten (10) days of receiving the employing agency's determination.
- 412.34 An appointee under this section who intentionally provides false information that is material to the application in the course of applying for a position shall be subject to prosecution pursuant to section 404 of the District of Columbia Theft and White Collar Crimes Act of 1982, effective December 1, 1982 (D.C. Law 4-164; D.C. Official Code § 22-2405) (2001).
- 412.35 A volunteer in an unsupervised position may use the same successful criminal background check conducted on him or her for a period of two (2) years when applying for multiple unsupervised volunteer positions, if the volunteer provides a signed affirmation that he or she has not been convicted of a crime, has not pleaded nolo contendere, is not on probation before judgment or placement of a case upon a stet docket, and has not been found not guilty by reason of insanity, for any sexual offenses or intra-family offenses in the District of Columbia or their equivalent in any other state or territory, or for any of the felony offenses listed in section 412.21 (b)(1) through (11) of this section, or their equivalent in any other state or territory, since the date of the most recent check.
- 412.36 Periodic criminal background checks for current employees and unsupervised volunteers shall be conducted when:
- (a) Derogatory information about the employee or unsupervised volunteer, of a nature that will impact the employee's or unsupervised volunteer's suitability to continue performing the duties of the covered position, is disclosed to the employing agency or personnel authority by a credible source or sources, or is independently discovered by the employing agency or personnel authority; or
 - (b) Information about a criminal offense committed by the employee or unsupervised volunteer, such as the criminal offenses listed in section 412.21 of this section, is disclosed to the employing agency or personnel authority by a credible source or sources, or is independently discovered by the employing agency or personnel authority.
- 412.37 An employee who fails a periodic criminal background check may be subject to administrative action up to and including removal. In determining the type of administrative action to be taken, the employing agency shall consider the factors and variables in sections 412.24 and 412.25 of this section as well as any other similar factors and variables, except that a criminal background check

reflecting a conviction or convictions for crimes against children or youth shall result in removal. In addition to, or in the place of administrative action, and at the employing agency's discretion, an employee who fails a periodic check may be reassigned to a non-covered position, except that this option shall not be available for an employee whose criminal background check reflects a conviction or convictions for crimes against children or youth.

- 412.38 An unsupervised volunteer who fails a periodic criminal background check may be terminated or moved to another volunteer assignment that does not include the provision of direct services to children or youth. In determining the type of action to be taken, the employing agency shall consider the factors and variables in sections 412.24 and 412.25 of this section as well as any other similar factors and variables, except that a criminal background check reflecting a conviction or convictions for crimes against children or youth shall result in the termination of the voluntary services.
- 412.39 In the case of an agency that violates any of the provisions of the Act, the Mayor (or his or her designee) or independent personnel authority may take administrative action, or direct that administrative action be taken, against the agency head or other agency official who violated the particular provision or provisions of the Act.
- 412.40 Criminal background check records obtained under this section shall be confidential and shall be for the exclusive purpose of making employment-related determinations under this section. The records shall not be released or otherwise disclosed to any person, except when:
- (a) Required as one component of an application for employment with a District government agency considered a covered child or youth services provider;
 - (b) Requested by the personnel authority during an official inspection or investigation;
 - (c) Ordered by a court;
 - (d) Authorized by the written consent of the person being investigated; or
 - (e) Utilized for an administrative action in a personnel proceeding, including but not limited to, disciplinary actions under Chapter 16 of these regulations.
- 412.41 An individual who discloses confidential information in violation of any of the provisions in section 412.40 of this section shall be guilty of a criminal offense and, upon conviction, shall be fined not more than one thousand dollars

(\$1,000) or imprisoned for not more than one hundred eighty (180) days, or both.

412.42 Each personnel authority with agencies considered covered child or youth services providers shall prepare compliance reports every six (6) months beginning on the date that these regulations are effective. Each report shall be submitted to the Mayor and shall include:

- (a) The number of criminal background checks and traffic record checks conducted for appointees, the number of appointees who were hired upon completion of the check, and the number rejected; and
- (b) The number of periodic criminal background checks conducted for employees and unsupervised volunteers, and any administrative action initiated or taken upon completion of the periodic checks.

412.43 Agencies covered under the Act shall submit, to the Mayor, a list of positions subject to the criminal background check requirement on an annual basis by December 1st of every year.

The Act requires that the following individuals be tested by the District government for drug and alcohol use: (1) an applicant for employment in a safety-sensitive position with the District government; (2) a District government employee in a safety-sensitive position who has had a reasonable suspicion referral; (3) a post-accident District government employee in a safety-sensitive position; and (4) a District government employee who is required to drive a motor vehicle to transport children or youth in the course of performing his or her official duties, whenever a supervisor has probable cause or a police officer arrests such employee for a violation of the law and has reasonable grounds to believe such employee to have been operating or in physical control of a motor vehicle within the District of Columbia while that employee's breath contains .08 percent or more, by weight, of alcohol, or while under the influence of an intoxicating liquor or any drug or combination thereof, or while that employee's ability to operate a motor vehicle is impaired by the consumption of intoxicating liquor. District government employees who work in safety-sensitive positions shall be subject to random testing. The Act also requires that rules be issued to implement its provisions. These rules amend the chapter by adding new sections 3901 through 3910 and 3999 to Chapter 39, Testing for the Presence of Controlled Substances and Alcohol, of Title 6 of the District of Columbia Municipal Regulations, for the purpose of implementing the provisions of the Act. 3903.1 Upon consulting with the head of a District government agency with safety-sensitive positions, the appropriate personnel authority shall identify and determine which positions in the agency shall be designated safety-sensitive positions subject to mandatory drug and alcohol testing under the Program. In identifying the safety-sensitive positions, the personnel authority shall ensure that the duties and responsibilities of each position require the provision of services that affect the health, safety, and welfare of children or youth, including direct care and custody of children or youth, including but not limited to at least one (1) of the following duties and responsibilities:

- (b) A determination that a position is a safety-sensitive position shall be based on a comprehensive analysis of the position description or statement of duties, as applicable. The purpose of the analysis shall be to determine if the position description or statement of duties contains at least one (1) of the duties and responsibilities listed in section 3903.1 of this section or any similar duties and responsibilities and that any incumbent of the position will perform the duties and responsibilities personally and routinely.
- (c) The single fact that a position is located in a District government agency with safety-sensitive positions pursuant to the Act does not automatically make its incumbent subject to testing under the Program.

- (f) An employee who is detailed, temporarily promoted, or temporarily reassigned from a nonsafety-sensitive position to a safety-sensitive position shall be tested upon the personnel action being effected and, as applicable, shall be subject to testing under the Program while on temporary assignment.

The original acknowledgment form shall be filed by the agency in a place designated for that purpose and a copy shall be provided to the appropriate personnel authority.

- 3904.4 Upon acknowledging receipt of the advance written notice, each employee occupying a safety-sensitive position shall be given one (1) opportunity to seek treatment if he or she acknowledges a drug or alcohol problem. An employee who so acknowledges a drug or alcohol problem shall undergo and complete a counseling and rehabilitation program, and shall not be subject to administrative action while completing the counseling and rehabilitation program; however, the employing agency shall immediately detail the employee to a nonsafety-sensitive position while he or she completes the counseling and rehabilitation program.
- 3904.5 Position vacancy announcements for positions identified and designated as safety-sensitive shall include a statement informing each applicant that:
- (a) The position for which he or she is applying has been identified and designated as a safety-sensitive position subject to mandatory drug and alcohol testing;
 - (b) If tentatively selected for the safety-sensitive position, he or she will be required to submit to testing for illegal drug use prior to appointment, and that appointment to the position will be contingent upon a negative drug test result;
 - (c) If selected to the safety-sensitive position before the drug test result is received, and contingent upon a negative drug test result, he or she may begin working in a position that is not a safety-sensitive position prior to receiving the result; and
 - (d) Once hired into a safety-sensitive position, he or she shall be subject to mandatory random drug or alcohol testing.
- 3904.6 In the case of non-competitive recruitment for a safety-sensitive position, the appropriate personnel authority shall inform the person being considered for employment of the mandatory testing requirements described in section 3904.4 of this section.

- 3905.3 Pursuant to section 2032 (b) of the CMPA, and except for a District government employee described in section 3905.4 of this section and section 3908 of this chapter, a District government employee in a safety-sensitive position shall be subject to random testing.
- 3905.4 Pursuant to section 2033 of the CMPA, an employee in a safety-sensitive position who operates a motor vehicle in the performance of his or her duties shall be tested whenever a supervisor has probable cause, or a police officer arrests the employee for a violation of the law, and has reasonable grounds to believe such employee to have been operating or was in physical control of a motor vehicle within the District of Columbia while the employee's breath contains .08 percent or more, by weight, of alcohol, or while under the influence of an intoxicating liquor or any drug or combination thereof, or while the employee's ability to operate a motor vehicle is impaired by the consumption of intoxicating liquor.
- 3905.5 An employee who acknowledges a drug or alcohol problem as specified in section 3904.4 of this chapter and who completes a counseling and rehabilitation program for illegal drug use or alcohol abuse shall be tested before being allowed to return to the safety-sensitive position he or she occupied before completion of such a program. After returning to the safety-sensitive position, the employee shall be subject to testing as specified in sections 3905.3 and 3905.4 of this section, and section 3908 of this chapter, as applicable.

3906 MANDATORY DRUG AND ALCOHOL TESTING FOR SAFETY-SENSITIVE POSITIONS – TESTING METHODOLOGY

- 3906.1 Testing for illegal drug use shall be conducted by collecting a urine sample from the individual being tested.

A positive EMIT test shall be confirmed by the vendor, using the gas chromatography/mass spectrometry (GCMS) methodology.

- 3906.5 Prior to testing for illegal drugs, a physician shall sit down with the appointee or employee being tested, as applicable, and ask what medications he or she might have been taking, to rule out any false positives in the drug screening results.
- 3906.6 The appropriate personnel authority shall notify, in writing, any appointee or employee in a safety-sensitive position found to have a confirmed positive urinalysis test result. The appointee or employee may then authorize that the stored sample be sent to another HHS-certified laboratory of his or her choice, at his or her expense, for a confirmation, using the GCMS testing method.
- 3906.7 Probable cause or reasonable suspicion and post-accident employee testing shall follow the same procedures set forth in this section. In the case of a reasonable suspicion referral, as confirmed by a second supervisor, or a post-accident employee, a supervisor shall escort the employee to the vendor's test site for specimen collection or a breathalyzer.
- 3906.8 In the event that a covered employee may require medical care following an accident, medical care shall not be delayed for the purpose of testing.
- 3906.9 A breathalyzer test shall be deemed positive if the vendor determines that one (1) milliliter of the employee's breath (consisting of substantially alveolar air) contains .38 micrograms or more of alcohol.

3907 MANDATORY DRUG AND ALCOHOL TESTING FOR SAFETY-SENSITIVE POSITIONS – POSITIVE DRUG AND ALCOHOL TESTS

- 3907.1 The following shall be grounds for termination of employment, provided that the notification requirements in section 3904 of this chapter have been met:

 - (c) Refusal to submit to a drug test or breathalyzer; or
 - (d) In the case of an employee who acknowledged a drug and alcohol problem as specified in section 3904.4 of this chapter, failure to complete the counseling and rehabilitation program, or a confirmed positive drug test result for the test conducted upon completion of the counseling and rehabilitation program pursuant to section 3905.5 of this chapter.
- 3907.2 The appropriate personnel authority shall decline to make a final offer of employment to a safety-sensitive position to an appointee if he or she:

3907.3 A person described in section 3907.2 of this section shall not reapply for appointment to a safety-sensitive position with the District government for a period of one (1) year from the date of his or her refusal to take the required drug test or the date of the confirmed positive test result, as applicable.

3907.4 A District government employee who is terminated for any of the events described in section 3907.1 of this section shall be denied subsequent appointment to a safety-sensitive position with the District government for a period of one (1) year from the date of any of these events.

3908.1 The immediate supervisor or manager of an employee occupying a safety-sensitive position shall make a reasonable suspicion referral for testing of an employee in a safety-sensitive position when there is a reasonable suspicion that the employee is under the influence of illegal drugs or alcohol to the extent that the employee is too impaired to perform his or her duties.

3908.2 Prior to contacting the appropriate personnel authority to make a referral under this section, the supervisor or manager shall:

(a) Have probable cause or reasonable suspicion that the employee is under the influence of an illegal drug or alcohol to the extent that the employee's ability to perform his or her job is impaired;

(b) Gather all information and facts to support this suspicion; and

(c) Receive a second opinion from another supervisor or manager.

3908.3 A reasonable suspicion referral may be based on direct observation of illegal drug use or possession, physical symptoms of being under the influence of illegal drugs, or intoxicated by alcohol, a pattern of erratic behavior, work performance indicators of drug or alcohol abuse, as well as any other reliable indicators.

3908.4 Testing resulting from a reasonable suspicion referral shall be conducted as specified in sections 3905 and 3906 of this chapter.

3909 MANDATORY DRUG AND ALCOHOL TESTING FOR SAFETY-SENSITIVE POSITIONS – REQUIRED TRAINING

3909.1 Agencies with safety-sensitive positions shall be responsible for providing training in drug abuse detection and recognition; documentation; intervention; and any other appropriate topics, for supervisors and managers in agencies with covered employees.

3910 MANDATORY DRUG AND ALCOHOL TESTING FOR SAFETY-SENSITIVE POSITIONS – RECORD KEEPING AND CONFIDENTIALITY
