ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA  
NOTICE OF PROPOSED RULEMAKINGZC CASE NO. 05-08  
(Text Amendment - Capitol Gateway Overlay District)

The Zoning Commission for the District of Columbia, pursuant to its authority under §§ 1 and 8 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797, as amended; D.C. Official Code §§ 6-641.01 and 6-641.07 (2001)), hereby gives notice of its intent to amend Chapters 16 and 30 of the Zoning Regulations (Title 11 DCMR) to allow, within a specified area of the Capital Gateway Overlay District, the construction and operation of a stadium (defined in the text as a "Ballpark") to host professional athletic team events. The specified area is the site proposed for the construction of a Ballpark to house the Washington Nationals major league baseball team. The proposed text sets forth the height, floor area ratio, setback, ground floor preferred uses, and parking requirements that will apply to this use and establishes a process for the Commission to review the Ballpark's final design for compliance with these requirements and adherence to design criteria also included in this text. That review will be conducted under the Commission's contested case procedures following notice to the public.

Final rulemaking action shall be taken in not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

The following rulemaking action is proposed:
