**Community Academy Public Charter Schools**

**REQUEST FOR PROPOSAL**

**Development/Architectural/Engineering Services**

Community Academy Public Charter Schools (CAPCS), a District of Columbia public charter school located at 1300 Allison Street, NW, Washington, DC 20011, is requesting proposals for the development of the property at 1400 First Street, NW. Proposals should include both the rehabilitation and renovation of the historic Armstrong School building and the development of the adjacent land such that it will generate a continuing source of revenue. The school will have an arts focus and serve 1,000 children in grades Pre-school through 12.

CAPCS issued an RFP in November 2004 that did not include the development of the land. This new RFP supercedes the original RFP issued in November 2004, which has been canceled. Those who submitted proposals in response to the November 2004 RFP are required to re-submit proposals for the new RFP. Additional information, including a Scope of Work, can be obtained from David Valdez at [davidvaldez@capcs.org](mailto:davidvaldez@capcs.org).

## INTRODUCTION

The Tax Reform Act of 1986 established the Federal Low Income Housing Tax Credit ("LIHTC") Program. The LIHTC program was subsequently made permanent by the Revenue Reconciliation Act of 1993 as further amended by The Community Renewal Tax Relief Act of 2000. The program was created to encourage the private sector to invest in the construction and rehabilitation of housing for low and moderate-income individuals and families. Project owner/investors claim the LIHTC on their Federal income tax return each year for a period of ten years. However, projects generally must meet certain requirements for low-income use for thirty years. The Mayor delegated the authority and assigned the responsibility of administering the LIHTC program to the District of Columbia Department of Housing and Community Development ("DHCD") in Mayor's Order 87-72, dated March 18, 1987.

## QUALIFIED ALLOCATION PLAN

Federal law requires jurisdictions to adopt a plan to allocate the LIHTC to projects based on federally mandated requirements and priority needs determined by the District of Columbia ("District"). The District's Low Income Housing Tax Credit Qualified Allocation Plan (the "QAP") is intended to ensure the selection of only those projects that comply with Federal law and address, on a priority basis, the housing needs of the District. There are two types of LIHTC's; 1) from the District's Per-Capita Credit Ceiling; and 2) an automatic four percent 4% present-value LIHTC issued to qualifying projects financed with tax-exempt bonds. The per-capita LIHTC is competitively awarded to eligible housing projects based on the selection criteria set forth in the DHCD Low Income Housing Tax Credit Program Guidelines and Procedures, and the annual Public Notice of Funding Availability/Request for Proposals (NOFA/RFP) ("Notice"). The Notice shall articulate in detail the housing needs, targeted locations, specific program goals, and ranking criteria for the subject allocation period and include the application with required exhibits.

These allocation procedures shall govern the award of the District's LIHTC and shall apply to residential rental housing financed by: (1) private lenders; (2) taxable bonds; and (3) local or Federal loan programs. These procedures shall automatically renew themselves annually, unless amended, replaced or rescinded. The Mayor of the District of Columbia has the sole authority to amend, replace or rescinded the QAP.

Projects financed with certain tax-exempt bonds may be eligible to receive a four percent (4%) present-value LIHTC without regard to the District's Per-Capita Credit ceiling. Although tax-exempt bond financed projects need not compete for an allocation through the competitive process, they shall be evaluated against the threshold criteria established in Section 42 of the Internal Revenue Code ("IRC") and they must comply with the monitoring procedures contained in the District of Columbia, Department of Housing and Community Development's Low Income Housing Tax Credit Program Compliance Manual (CM), which is incorporated by reference herein.

**Determining the LIHTC** - The Tax Credits are generally provided to project owners in equal annual installments over a 10-year period. The Tax Credits may not exceed the applicable

percentage of the qualified basis of each low income building in the project as defined in Section 42(d) of the Code. The applicable percentage is the percentage that will yield, over the 10-year Tax Credit period, Tax Credits with a present value equal to either 70% or 30% of the qualified basis of the building. New construction and rehabilitation projects that are not federally subsidized are eligible for the 70% present value Tax Credit. Projects financed with Federal funds or involving the acquisition of existing buildings (when combined with eligible rehabilitation) are eligible for the 30% present value Tax Credit.

**Tax Credit Amount Available.** - The amount of Tax Credits available for the District to allocate in each calendar year reflects the sum of the amounts allowed as the State Tax Credit Ceiling under IRC Section 42(h)(3)(C). This amount may be increased by returned Tax Credits from prior years, Tax Credits allocated to the District from the national Tax Credit pool or by new legislation increasing the amount of Tax Credits distributed to each state. Any unallocated or Recovered Tax Credits or a combination of both may be awarded as part of the current year cycle(s) of awards for Tax Credits, or may be carried over to the next year's cycle(s) of awards at the discretion of the DHCD.

### APPLICATION PROCESS

Applications will be accepted and reviewed during one or more scheduled rounds of competition. DHCD will provide public notice concerning the schedule of the competitive round(s) for the reservation of LIHTC. The Notice will provide application deadline dates. DHCD has established a goal to announce competition results within 45 to 60 days of the application deadline dates. Only projects that meet the threshold requirements set forth in the QAP will be rated and ranked in the competitive round(s).

**Eligible Sponsors** - Profit-motivated and non-profit sponsors are eligible to apply for a reservation of LIHTC to fund residential rental property located in the District of Columbia.

**Director's Special Initiatives Program** - The Director may utilize up to twenty-five percent (25%) of any annual per capita allocation and any unallocated carryover of a prior year allocation as a Director's Special Initiatives program for stimulating development in any targeted area.

**Tax-Exempt Bond Financed Projects** - Projects financed with the proceeds of District of Columbia issued tax-exempt bonds may be eligible to receive four percent (4%) present-value LIHTC that is exempt from the District's Per-Capita Credit Ceiling. When 50% or more of the development and acquisition costs are financed with the proceeds of these tax-exempt bonds, sponsors may be eligible for four percent (4%) present-value LIHTC on the entire qualified basis of their projects. If less than 50% of costs are financed with the proceeds of these tax-exempt bonds, sponsors may be eligible to receive LIHTC on the portion of the qualified basis financed with the bonds. The District's Housing Finance Agency ("DCHFA") issues the tax-exempt bonds and DHCD issues the tax credits and work cooperatively through an inter-agency agreement to allocate tax credits on tax-exempt bond financed developments.

To receive LIHTC for projects financed with qualified tax-exempt bonds, sponsors must first apply to the DCHFA. Prior to the project going to a closing on the tax-exempt bonds the tax-

exempt bond-financed projects are required to submit an initial application to DHCD for the allocation of tax credits. The application is a request to DHCD for a letter from DHCD stating that DHCD will underwrite the project in accordance with the requirements of § 42 of Internal Revenue Code. Consistent with an inter-agency agreement DHCD will not duplicate the DCHFA underwriting of tax-exempt bonds projects and will accept and rely on the DCHFA determination of the financial feasibility in DHCD's underwriting of the tax credit allocation as required by § 42 of Internal Revenue Code.

After construction is completed and the project is placed in service, the project sponsor requests of DHCD, via application, that IRS Forms 8609 be issued. The 8609 is the document that allocates the tax credits. The application is comprised of: 1) a revised proforma, adjusted to the final development cost, as reflected on the cost certification prepared by the projects' CPA, 2) a copy of the Cost Certification, 3) a draft of the 8609 form for each building in the project, 4) copies of the required DC licenses, 5) a copy of the certificate of occupancy for each building and 6) evidence of a recorded Restrictive Covenant. These projects shall also be required to comply with the monitoring provisions of the QAP.

### FEES

The LIHTC program has substantial duties and responsibilities mandated by § 42 of IRC. In order to defray the management and operational costs of the program, fees are charged. The fees fall into two categories: 1) Issuance Cost and 2) Compliance Cost. Full and timely payment of all fees is a determinate of every allocation. Non-payment of Compliance Fees is grounds for issuance of Form 8823 to the IRS.

#### Fee Structure

##### A. Issuance Cost

The Issuance Cost consists of three parts for the Per Capita Allocation Projects - (Application, Reservation and Allocation). Each portion is assessed and due at particular times in the application-allocation process. 1) An application is not complete if not accompanied by a check for the application fee. 2) The Tax Credit Reservation Fee is payable at the time the Tax Credit Reservation is accepted; and 3) The Tax Credit Allocation Fee is payable at the time the Tax Credit Carry-Over Allocation is requested. The Reservation Fee and the Allocation Fee together equal 1% of the value of the Total Ten Year Allocation. The Reservation Fee is one-half ( $\frac{1}{2}$ ) of 1% of the value of the Total Ten-Year Allocation and the Allocation Fee is the remaining 50%. Each of the components of the Issuance Cost is non-refundable.

- a. **Application Fee**
  - i. The Application Fee for Non-Profit Developers is \$ 200.00
  - ii. The Application Fee for For-Profit Developers is \$ 500.00
- b. **Reservation Fee**

The Reservation Fee is assessed at the time a reservation is given to a developer and the amount is due in full at the time the developer accepts the reservation. Included in the reservation letter is an acceptance certification to be executed by the developer and returned to DHCD evidencing the acceptance of the reservation. No reservation will be valid if not accompanied by the reservation fee.

- 1) The Reservation Fee shall be 1/2 of 1% of the value of the Total Ten Year Allocation for the Project.

**c. Allocation Fee on Per Capita Allocation Projects**

The Allocation Fee is assessed at the time the DHCD issues the carry-over allocation to the project. The carry-over allocation is applied for by the developer by submitting an application to DHCD which is comprised of a revised proforma which reflects the revised development budget, which is prepared by the projects' CPA, accompanied by the accountant's certification that ten per cent (10%) of the projected development cost has been expended. A check for the remaining fifty per cent (50%) balance of the Allocation Fee must also be remitted with the Application.

- 1) The Allocation Fee shall be one half (1/2) of one per cent (1%) of the value of the Total Ten Year Allocation for the Project.

**d. Allocation Fee on Tax Exempt Bond Projects**

Projects financed with Tax Exempt Bonds may qualify for an automatic allocation of four percent (4%) tax credits. An Allocation Fee of one percent (1%) of the value of the Total Ten Year Allocation for the Project is assessed and collected. The HFA collects part and DHCD collects the other part. The HFA charges and collects 60% of the one percent (1%) of the value of the Total Ten Year Allocation at the time of the Bond Closing. DHCD charges and collects the remaining 40% of the one percent (1%) of the value of the Total Ten Year Allocation in two installments.

- i. The tax-exempt bond-financed projects are required to submit an initial application to DHCD for the allocation of tax credits prior to the project going to closing on the tax-exempt bonds. The application is a request for a letter from DHCD stating that DHCD will underwrite the project in accordance with the requirements of § 42 of Internal Revenue Code. At the

time of application, the sponsor is required to pay the first installment of the remaining 40% fee, which is 15% of the one percent (1%) of the value of the Total Ten Year Allocation.

- ii. The remaining 25% of the one percent (1%) of the value of the Total Ten Year Allocation will be assessed when the project sponsor requests DHCD, by way of application, to issue the IRS Form(s) 8609 for the project. The application must consist of:
  - a revised proforma, adjusted to reflect the final development cost and reflected on the cost certification prepared by the project's CPA.
  - a copy of the Cost Certification
  - a draft of the Form 8609(s) for each building in the project,
  - copies of the required DC licenses,
  - a copy of the recorded Restrictive Covenant,
  - a copy of the certificate of occupancy for each building, and
  - a check for the remaining 25% balance of the one percent (1%) of the value of the Total Ten Year Allocation Fee.

e. **Extension Fee**

**Extension of Time to Satisfy Requirements for Allocations**

Sponsors unable to meet the requirements to receive an allocation of LIHTC within the period required in their reservation may request an extension of the reservation. All sponsors must pay a nonrefundable fee of One Thousand Dollars (\$1,000.00) for each project for which an extension of the reservation is requested. The fee must be paid at the time the extension is requested and will be refunded only in the event that the request for an extension is denied.

**Extension of Time to Satisfy Requirements for Carryover Allocation**

Sponsors unable to meet the deadline for meeting the requirements for a carryover allocation (see "Allocation" below) may request an extension of the deadline prescribed in the Code. All sponsors must pay a nonrefundable extension fee of One Thousand Dollars (\$1,000.00) for each month and for each project for which an extension of time is requested. The fee must be paid at the time the extension request is submitted.

**Allocation Modification**

Sponsors requesting modifications to the IRS Form 8609 already issued by DHCD where the requested modification is not the result of an administrative error by DHCD must pay an Allocation Modification fee of One Thousand Dollars (\$1,000.00). This fee is not refundable.

**B. Compliance Monitoring Fee Assessment & Payment Process**

Projects receiving an allocation of tax credits will be charged an annual Compliance Monitoring Fee. The fee will be assessed each year on July 1<sup>st</sup> beginning 2005. The fee for 2005 shall be due on August 15<sup>th</sup>; the fee for 2006 and subsequent years shall be due on April 1<sup>st</sup> of each subsequent year. The first year's "compliance fee" is due with the application for the issuance of the IRS Form 8609(s) for the project.

**a. Definition of Covered Projects**

All projects that have received an IRS Form 8609(s) prior to June 30, of the year in which it is issued shall be charged a Compliance Monitoring Fee of \$35.00 per unit; Projects receiving an allocation after June 30<sup>th</sup> of the year in which it is issued shall be charged a Compliance Monitoring Fee of \$25.00 per unit.

**b. Compliance Monitoring Fee Billing & Payment Process**

For the calendar year of 2005, all Compliance Monitoring Fees are due on or before August 1, 2005; commencing January 1, 2006 and thereafter all Compliance Monitoring Fees are due on or before April 1 of each calendar year. A notice will be issued to each project on or before February 15 of each year stating the amount of the Compliance Monitoring Fee due and the date and place where payment should be made. All projects receiving 8609's will be assessed the first years Compliance Monitoring Fee at the time of issuance of the 8609(s). Non-payment by the required time will be a cause for the issuance of an IRS Form 8823.

**LIHTC SET ASIDE**

**Non-profit Set-aside** - As required by Federal law, no more than 90% of the District's annual LIHTC ceiling may be allocated to sponsors other than qualified non-profit sponsors. As such, 10% of the Per-Capita Credit ceiling is set-aside exclusively for projects developed by qualified non-profit sponsors. To be eligible to receive a reservation from this set-aside, sponsors must show that they will meet the following Federal requirements throughout the compliance period: (1) qualified sponsors must be exempt from tax under Section 501(c)(3) or 501(c)(4) of the IRC or be a wholly owned subsidiary of a qualified non-profit organization; (2) they must have as one of their tax-exempt purposes the development of low income housing; (3) they must own an interest in the

project either directly or through a partnership; (4) they must materially participate in the development and operation of the project through regular, continuous and substantial actions; and (5) they must not be affiliated with or controlled by a profit-motivated organization.

Reservations from the non-profit set-aside are permitted under circumstances where a partnership between non-profit and profit-motivated entities exists, only if each organization is independently controlled and operated and the non-profit materially participates in the development and operations of the project.

### THRESHOLD CRITERIA

To be rated and ranked during any round of competition, projects must meet all of the following threshold criteria. These requirements are intended to eliminate projects that do not meet basic program guidelines and to ensure that LIHTCs are reserved for projects that are viable and in compliance with District and Federal requirements. Projects that do not meet the threshold criteria will not be rated and ranked during competitive rounds.

**Federal Requirements for Eligibility** - The following criteria are Federal requirements related to tenant incomes, maximum rent levels and low income occupancy with respect to an eligible LIHTC project.

**Minimum Occupancy Restrictions** - At a minimum, sponsors must elect that either:

- 20% of the units in the project must be rented to families with incomes at 50% or less of area median income; or
- 40% of the units in the projects be rented to families with incomes at 60% or less of the area median income.

**Maximum Rent Levels** - Low income units in the project must be rent restricted as defined by Section 42(g) (2) of the IRC for a period of thirty years. (The compliance period of 15 years and an extended use period of 15 years.) Prior to the issuance of the Form 8609(s) by the District, the Developer must provide evidence that the restrictive covenant has been recorded.

**Eligible Projects** - Projects must involve new construction, acquisition, or rehabilitation. For projects involving rehabilitation, the rehabilitation costs must be the greater of \$3,000 per unit or 10% of the adjusted basis. This minimum rehabilitation requirement must be met within two years of the allocation of LIHTC. If applying for acquisition credit, projects must not have been placed in service or undergone substantial rehabilitation within the previous 10 years. Exceptions to the 10-year rule are provided for projects with Federal or other mortgages that are subject to prepayment provisions and for buildings acquired from failed financial institutions. In these cases, waivers from the IRS will be required before the LIHTC is allocated. A request for a waiver from the IRS will be required to meet the threshold criteria. The appropriate form will be available from DHCD.

In addition to these criteria, projects must fully comply with all Federal requirements as set forth in Section 42 of the IRS Code. Applications for projects that do not meet these criteria will be returned to the applicant without ranking.

**District of Columbia Eligibility Requirements** - The following criteria are the District of Columbia's requirements for eligibility. Generally, if any of the following criteria are not met, projects will not be ranked.

**Development Team** - (1) Members of the development team must certify that they are free of suspension or debarment from participating in any government programs, both local and Federal. (2) With respect to substantial liens and/or judgments and/or foreclosures and/or bankruptcies, applicants must have a history that is acceptable to DHCD. (3) Applicants must comply with any existing prior agreements with DHCD.

**The Application** - The LIHTC Application must be fully completed and all required attachments must be included. The specific form and required exhibits will be included in the periodic Notice.

**Site Control Requirements** - Satisfactory evidence of site control of the project must be provided. Satisfactory evidence of site control includes the presentation of deeds, contracts of sale, leases with purchase options or other forms acceptable to the DHCD. Applicants must provide evidence verifying notification of tenant's rights.

#### SELECTION CRITERIA

Once projects meet the threshold requirements, they will be competitively evaluated, rated and ranked, based on pre-determined selection criteria, established in accordance with Federal law, the District's housing priorities and needs. The selection criteria are published in the attached DHCD Low Income Housing Tax Credit Program Guidelines and Procedures Manual (GPM), which is incorporated into the QAP by reference herein. The selection criteria may be revised, from time to time, to reflect the changing housing needs of the District and will be articulated in the Notice and GPM.

#### UNDERWRITING

The Application will require the Developer to demonstrate that the Project is financially feasible and economically viable using the least amount of Tax Credits. DHCD shall determine whether the Developer has requested the least amount of Tax Credit necessary to ensure Project feasibility and to conform to the QAP. DHCD may adjust the amount of Tax Credits requested based upon DHCD's underwriting. Underwriting shall be performed on a Project at three stages: 1) prior to the time a reservation is awarded, 2) at Allocation Carryover, and 3) before a Form 8609(s) is issued. Developers will be required to file a new pro forma at each of these stages in the Tax Credit process. In addition, the Developer must supply the following information.

**Project Financial Information** - The Application will require the Developer to supply sufficient information to allow DHCD to determine whether the Project is financially feasible during both its construction phase and its operational phase. The Application will require the Sponsor to provide information regarding project loans, grants, equity contributions, the anticipated funds received from syndicators, equity partners or private funding sources for the Tax Credits,

enterprise zone benefits and any other type of financing or contributions that are relevant to the economic feasibility of the Project.

**Operating Reserves** - Projects are required to establish an operating reserve equal to three (3) months of projected operating expenses plus "must-pay" debt service payments. Such reserves must be maintained for five full years commencing after the Project has reached stabilized occupancy. Stabilized occupancy is a function of the vacancy rate used by the Developer in the Application. The Application will require the Developer to include a narrative explaining how the operating reserve will be established. The requirement for an operating reserve may be satisfied by the Developer utilizing the operating reserve required by the Project lenders or investors provided the reserve is equal to or greater than the reserve required by this Section.

The Ownership Entity may fund the operating reserve using an irrevocable letter of credit, which letter of credit may be released at the end of the five-year period described above in Section 4.2.

**Replacement Reserves** - Projects are required to establish a replacement reserve account by making monthly deposits equal to \$200.00 per unit per annum for new construction and \$300.00 per unit per annum for rehabilitation projects. The Application will require the Developer to include a narrative explaining how the replacement reserve will be escrowed and used. The replacement reserve must be shown on the pro forma.

The requirement for the replacement reserve is a compliance issue and may be satisfied using the terms and conditions of the replacement reserve required by lenders or other funds financing the Project, provided the reserve is equal to or greater than the reserve required by this Section. Developers are required to submit to DHCD a verification that the terms and conditions of the replacement reserve required by lenders or other funds financing the Project has or will be satisfied at the time a building is placed in service.

**Limits on Developer and Builder Fees** - Developer fees including overhead and profit and Consultant fees shall not exceed the percentages described below. The Developer's fee is calculated as a percentage of Total Project Costs less the sum of the cost of land, Developer's fee, Developer's overhead and profit, consultant fees and project reserves. The Developer fees will be limited as follows:

**For new construction Projects;**

- One to 100 units - not to exceed 15%,
- 100 units and greater - not to exceed 12%;

**For acquisition/rehabilitation, adaptive reuse or historic preservation Projects;**

- One to 100 units - not to exceed 15%,
- 100 units and greater - not to exceed 12%.

of the criteria outlined below:

1. **Small Projects** - Defined as projects that contain less than 30 residential rental units.
2. **High Risk** - Defined as projects that involve adaptive re-use or require extraordinarily challenging substantial rehabilitation or provide more than 50% of units for tenants with annual income of 50% or less of the area median.

DCHFA will complete a second subsidy layering review at the time the IRS Form 8609(s) is issued for the Project.

DHCD and DCHFA reserve the right, without amending this QAP, to amend the subsidy layering procedures as necessary to comply with changes in applicable Federal law or regulations, HUD guidelines or the MOU. HOME and CDBG funding when combined solely with Tax Credits do not trigger the subsidy layering review process.

**Unit Cost Cap** - The total development cost (total project cost minus cost of land, commercial hard construction, bridge loan interest, operating reserves, DHCD compliance monitoring fee and replacement reserves) per unit must not exceed the HUD 221 (d)(3) high cost mortgage limits by bedroom size, which will be outlined in an attachment to the Application. Projects receiving Federal historic rehabilitation tax credits will be allowed to deduct the residential portion of the historic tax credit from the project costs to allow for stricter rehabilitation standards. DHCD may, on a case-by-case basis, allow a Project receiving historic rehabilitation tax credits or participating in HUD's portfolio re-engineering program to exceed the unit cost cap. Portfolio re-engineering projects should include a copy of the project's physical condition assessment to demonstrate the potential unit cost. However, total adjusted eligible basis (before qualified census tract adjustment) will be limited to the HUD 221 (d)(3) high cost mortgage limits in any case. Affordable Assisted Living Projects are allowed an exceptional per unit cost of 120% of the HUD 221 (d) (3) high cost mortgage limits. Tax-exempt bond projects funded under Section 3 are exempt from this Section.

#### UNDERWRITING REVIEW

Projects meeting threshold requirements that are rated and ranked against the selection criteria will also be evaluated to determine how much LIHTC is needed. DHCD will calculate the maximum LIHTC for which projects are eligible. However, DHCD, in accordance with Section 42 of the Code, shall allocate the minimum amount of LIHTC necessary to create financial feasibility and economic viability for the project.

This determination is made by employing commonly accepted underwriting methodology (consistent with the GPM) and occurs at three points in the process: (1) at the time of application; (2) at the time of reservation; and (3) at the time the project is placed in service.

**Limitation on Fees** - DHCD will limit fees in the development budget according to the standards

established in the GPM.

**LIHTC Equity Projections** - DHCD will evaluate the reasonableness of the proposed syndication value of the LIHTC based on current market conditions. Evaluation of the market will be based on current syndication proposals and information on the status of funds from various national syndication firms.

**Special Target Areas** - Federal law permits jurisdictions to reserve a greater amount of LIHTC than the maximum normally allowed for projects in certain areas. These areas are known as Qualified Census Tracts (QCT) and Difficult Development Areas (DDA). QCT's are areas in which 50% of the population has incomes of less than 60% of the area median or which has a poverty rate of a least 25%. A listing of QCT's for the District is available at DHCD. Difficult Development Areas (DDA) are those areas designated by HUD because of high construction, land and utility costs relative to area median income. The eligible basis for projects in these areas may be increased by as much as 30%. Higher LIHTC may be reserved where Federal law permits and where the feasibility analysis indicates the need for the additional LIHTC.

## RESERVATIONS

The Reservation is a conditional commitment of LIHTC and, therefore, does not meet the definition of a binding allocation as stated in Section 42 of the IRC. Once the conditions of the Reservation Agreement have been met, the sponsor will receive a binding allocation agreement that meets all requirements as set forth in Section 42 of the IRC. Reservations will be made based on DHCD's rating and ranking of the projects based on the project selection criteria and the availability of resources, both LIHTC and other funding requested. Reservation of LIHTC Letters will be issued, by DHCD's Director, to the highest rated applicants.

**Surplus Reservations** - In the event that the supply of LIHTC, in a given year, exceeds the demand in the initial round, then those Surplus Credits may, at the sole discretion of the Director, be reserved in the following order of priority, without the need for an advertised competitive round. (1) to a Director's Special Initiatives program for stimulating development in any targeted area. (2) to a project(s) that received a reservation from a prior year LIHTC, that has sufficient eligible basis to qualify for additional credit and that needs additional credit in order to complete the project's funding in a manner that creates financial viability and economic feasibility. (3) for projects that are in a high state of readiness and have sufficient eligible basis and the project needs LIHTC in order to complete the project's funding in a manner that creates financial viability and economic feasibility. (4) for projects that have sufficient eligible basis and the project is located in a strategic development zone as defined in the (GPM) and the project needs LIHTC's in order to complete the project's funding in a manner that creates financial viability and economic feasibility.

**Forward Reservation** - Under certain conditions, a project may be eligible to receive a Reservation of LIHTC from the District's Per-Capita Credit ceiling for future years (known as a Forward Reservation). To receive a Forward Reservation, project sponsors must agree to comply with all conditions imposed by DHCD and the IRS. The following types of projects may receive Forward Reservations from future years' LIHTC's .

- **Projects Unable to Meet Deadlines** - Are project(s) that have already received Reservations and are not able to meet time schedules of the Reservation and such projects are deemed by the Director to be essential to DHCD's strategic plan or mission. In this event the previous Reservation may be voided and, at the sole discretion of the Director, a Reservation from future years may be substituted for the LIHTC reserved under the voided Reservation.
- **Insufficient LIHTC** - A Forward Reservation may be approved for a project that ranked high enough in a round of competition for an award, but for which there is insufficient remaining LIHTC's that can be allocated in the current year.
- **Multiple Year Reservations** - Where projects require more than \$400,000 of annual LIHTC and/or reservations would be more appropriately staged over two or more years, DHCD may agree to reserve, subject to availability, LIHTC's from a future year(s). DHCD will determine if the benefits to the District are sufficient to warrant the issuance of a Forward Reservation. In most cases this determination will rely most heavily on the following factors: (1) the sponsors' request for LIHTC is large enough so as to eliminate the availability of LIHTC to other competitive applicants, and (2) the scope of the rehabilitation or construction is such that it is unlikely that the entire project can be "placed in service" within the time constraints imposed under the IRC.

#### ALLOCATIONS

Sponsors who meet the requirements of the Reservation Agreement shall receive binding allocation agreements that meet all qualifications required under Section 42 of the IRC. To qualify for a Carryover-Allocation, sponsors must incur more than 10% of the reasonably anticipated basis by the close of the calendar year in which the allocation is made and then place the project in service within two years of the date of the binding allocation. Failure to meet these requirements will result in the loss of the LIHTC for the project.

Reservation Agreements will identify a date certain by which sponsors must certify that projects have been placed in service or, at a minimum, that more than 10% of the reasonably anticipated basis has been incurred. If sponsors have not met either of these requirements, then the Reservation may be cancelled. Any LIHTC available from cancelled reservations will be awarded to other projects or carried forward in the District's unallocated pool.

**Carryover Allocation Evaluation** - Sponsors who have received a LIHTC reservation and have incurred more than 10% of the reasonably anticipated basis must submit an application for a Carryover Allocation from DHCD. To issue the Carryover Allocation, DHCD must receive documentation and certification concerning the costs incurred as well as evidence that all application and reservation fees have been paid. Sponsors must submit a certification from a third party attorney or certified public accountant, which certification must be acceptable to the DHCD, and which includes an itemization of the project's reasonably expected basis and the costs incurred. The application must include evidence that the restrictive covenant has been recorded and, the application must be accompanied by a check for the allocation fee.

**Placed-in-Service Evaluation** - At the time buildings are placed in service DHCD will undertake its final evaluation of the project to determine the amount of LIHTC needed to make the development financially feasible. Only the amount needed for financial feasibility and economic viability will be awarded. Any additional LIHTC previously allocated to projects, above and beyond this amount, will be recaptured.

Before the IRS Form 8609(s) is issued, DHCD must receive, review and approve the documentation specified below.

1. **Revised Application** -- An updated application adjusting the development budget to the sources and uses reflected on the cost certification and incorporating all changes in the development team and management group.
2. **Date Project Placed in Service** - Occupancy permits and licenses or other evidence of completion satisfactory to DHCD for each building within the project.
3. **Cost Certification** - A cost certification prepared by the sponsor's attorney or certified public accountant detailing the total sources and uses of funds. (For projects insured by the Federal Housing Administration ("FHA"), the Federal cost certification may be substituted if it includes the total sources and uses of funds for the project.)
4. **Eligible Basis** - A statement of the computation of the Project's development cost that qualify as eligible cost per IRC § 42.
5. **Limited Partnership Agreement** - A copy of the executed limited partnership agreement including all attachments and exhibits executed by all parties to the agreement.
6. **Extended Use Covenant** - A copy of the document that extends and restricts the use of the property with evidence that it has been legally recorded.
7. **Allocation Fee** - The appropriate Allocation fee as described above.

#### MONITORING FOR COMPLIANCE

Owners are responsible for making sure that their LIHTC projects comply with all Federal requirements. DHCD is responsible for monitoring each project to make sure that owners comply with the LIHTC provisions. The compliance period is for 15 years beginning with the first taxable year of the building's credit period and is extended for an additional 15-year period by the restrictive covenant for a total of thirty (30) years. Monitoring procedures have been established by DHCD which include provisions for record-keeping and -retention, certification, review, inspection; and notification of non-compliance. These procedures are provided in detail in the DHCD LIHTC Compliance Manual (CM).

**Record Keeping and Retention** For each qualified low income building in the project, Owners

must maintain records that provide specific information for each year of the compliance period. Failure to maintain these records or otherwise comply with the requirements as set forth in the CM may result in the issuance of IRS Form 8823 and the eventual recapture of Tax Credits. All applicants are urged to review the CM and to require that project property managers have a thorough knowledge of the requirements under the IRC and the CM. All Owners must certify that they will be able to send and receive data electronically and must provide a current electronic address.

**Notification of Noncompliance** - DHCD will promptly notify project owners in writing in the event that its monitoring reveals that the project is in non-compliance. This notice will provide a cure period of up to 90 days from the date of the notice during which time the owner must cause the project to come into compliance. Failure to cure a condition of noncompliance may result in recapture of the LIHTC. All incidents of noncompliance must be reported to the IRS on form 8823 notwithstanding the resolution of compliance issues. For good cause, DHCD may grant an extension of the cure period for up to an additional six months.

The OECD is the lead agency in the District of Columbia responsible for providing early care and education services for District of Columbia children six (6) weeks through twelve (12) years of age and through age 18 if the child has a disability.

The Pre-Kindergarten Incentive Program will offer the opportunity for the District of Columbia Public Schools (DCPS) and DHS to forge a partnership with the goal to ensure that 375 4-year old District of Columbia children, currently deprived of child development and early education services, receive in community-based settings, the same benefit of quality early education as their peers enjoy in public school pre-k classrooms.

DHS/OECD invites the submission of applications for this second round of Pre-Kindergarten Incentive Program funding through a Memorandum of Understanding between DCPS and DHS/OECD. Ten grants were made for this program in an earlier round of funding.

Grants will be provided to staff, train, and equip as many as 16 classrooms in community-based settings in Wards 2, 3, 4 and 7 for up to sixteen (16) District children in each classroom. The OECD will accept applications from private and non-profit pre-school and Head Start programs. Priority will be given to programs that are currently accredited or have submitted application for accreditation. Centers that are moving toward accreditation may also apply and may be eligible for technical assistance.

DHS/OECD seeks to fund multiple grant awards. Under this initiative, a maximum of \$2,250,000 is available for this purpose. Individual grant awards will be based on the number of children served in each of as many as 16 classrooms to be funded, up to a maximum of 16 children per classroom. **DISTRICT OF COLUMBIA PUBLIC CHARTER SCHOOL BOARD****REQUEST FOR PROPOSALS – MIDDLE SCHOOL PROJECT****OVERVIEW OF THE PCSB MIDDLE SCHOOL PROJECT:**

The District of Columbia Public Charter School Board (PCSB) requests proposals for Middle School Project Consultants, who will provide training for new and existing middle school instructors and administrators of charter schools under the PCSB's authority. A newly created initiative, the Middle School Project will address at least two critical themes or needs: 1) Structuring a sound middle school program, and 2) Providing training relevant to the needs of middle school educators, with goals, including but not limited to *a) using assessments to place students in appropriate course selections, b) understanding the adolescent learner, c) providing teachers with reading across content areas strategies, d) developing and managing portfolio systems, and e) creating and/or identifying exploratory experiences for middle school learners.*

**AN OVERVIEW OF THE PCSB:**

The School Reform Act of 1996 established the PCSB as one of the two chartering authorities in the District of Columbia. In its role as an independent charter authorizer, the PCSB accepts and reviews applications to establish charter schools and provides oversight of those charters once approved. The PCSB also has the authority to revoke a school's charter for failure to comply with its charter, or applicable laws or regulations. The PCSB currently provides oversight to 34 charters on 40 campuses.

**ABOUT CHARTER SCHOOLS AND CHARTER SCHOOL PERFORMANCE:**

Charter schools are publicly funded schools that operate independently of the public school system. In exchange for this autonomy, charter schools are accountable for demonstrating high performance. Failure to do so could result in charter revocation.

The PCSB conducts on-going monitoring and oversight, including annual Program Development Reviews to determine to what extent programmatic implementation has taken place. In addition to programmatic implementation, the PCSB assesses the quality of such programs as it relates to student achievement and performance outcomes.

**TASK**

Support middle school administrators and instructional leadership in developing a sound middle school program in areas such as:

- using various assessments to place students in appropriate course selections,
- understanding the adolescent learner,
- implementing strategies for teaching reading across content areas,
- managing portfolio systems, and
- creating and/or identifying exploratory experiences for middle school learners.

**1. *Conduct Workshops and Training Sessions***

The Middle School Project Consultants will conduct workshops for interested middle school administrators, instructional leaders and teachers as a part of an on-going technical assistance and training initiative offered by the PCSB.

The PCSB will identify charter schools participants from new schools interested in assistance in creating a sound middle school program and existing schools based on findings from the 2004-2005 Program Development Review Reports. The PCSB will strongly encourage middle school staff participation in the project, which will consist of a series of discrete workshops scheduled from October 2005 through March 2006. Schools may enroll up to four participants in each workshop, however, participants must commit to attending the entire series to ensure maximum feedback and follow-up from the presenters.

**2. *Provide Feedback and Follow-Up***

Feedback will occur during each workshop session and could include classroom observations in schools that are implementing, or beginning to implement, components of the workshops. Teachers would then have time to reflect on the visit, time to plan, time to collaborate, and time to problem solve and ask questions.

Follow-up workshop sessions will be designed to suit the needs of the participants throughout the 2005-2006 school year.

**TIMEFRAME**

Middle School Project Proposals must be submitted to this office (3333 14<sup>TH</sup> Street, NW Suite 210 Washington, DC 20010) no later than August 19, 2005. PCSB anticipates awarding contracts to consultants for the Middle School Project by August 29, 2005. Workshops are expected to take place beginning no later

than October 3, 2005 and will continue to take place throughout the 2005-2006 school year, as needed. Workshops will be scheduled in consultation with PCSB staff.

### **COMPENSATION**

The total anticipated costs for independent consultants working on the Middle School Project will be between \$20,000 and \$30,000.

### **QUALIFICATIONS**

The PCSB seeks consultants that possess:

- Familiarity with charter schools
- Experience in providing training, especially as it relates to middle school instruction, planning and design, and curricula

**GOVERNMENT OF THE DISTRICT OF COLUMBIA  
BOARD OF ZONING ADJUSTMENT**

**Application No. 17111-A of 2412 Limited Partnership**, pursuant to 11 DCMR § 3103.2, for a variance from the floor area ratio requirements under section 402, a variance from the lot occupancy requirements under section 403, and a variance from the nonconforming structure provisions under subsection 2001.3, to allow a two story addition to an apartment house in the R-5-B District at premises 2412 17<sup>th</sup> Street, N.W. (Square 2566, Lot 819).

**HEARING DATE:** February 10, 2004  
**DECISION DATE:** March 2, 2004

**DISPOSITION:** By order dated March 5, 2004, the Board granted Application No. 17111, by a vote of 4-0-1 (Geoffrey H. Griffis, Ruthanne G. Miller, Curtis L. Etherly, Jr., and David A. Zaidain to approve, the Zoning Commission member not present, not voting).

**MODIFICATION ORDER**

By letter dated November June 24, 2005, the Applicant submitted a request that the Board modify the approved plans in the subject application. The Applicant requested that the Board approve a minor modification to the plans (Sheet A-2.1) pertaining to the east and west elevations to include the addition of third floor balconies. The Applicant also requested that the Board approve a revised cellar plan. The Applicant's request to modify the Order was not filed timely pursuant to § 3129.3 of the Zoning Regulations. The Board, by unanimous consent, waived the six-month time period for filing the request. Parties consist of the Office of Planning (OP) and Advisory Neighborhood Commission (ANC) 1C. Both parties were served with the request for modification pursuant to § 3129.4.

**THE MODIFICATION**

The reason for the request relates to two discrepancies in the revised sheets of plans submitted to the record during the case. In Exhibits 24 and 27 of the record, revised Sheet A-2.1 "East and West Elevations," depicting the addition of balconies to be provided at the third floor level and revised "Sheet A-1.3, "Third Floor Plan," showing the proposed third floor balconies, were submitted to the record. These sheets were not part of the certified plans that went to the Department of Consumer and Regulatory Affairs with the approved order. The Applicant requested that they be certified and transmitted to the Zoning Administrator.

The second discrepancy is that revised Sheet A-1.0 "Cellar Plan" was inadvertently not transmitted to the record. This plan shows a slightly more extensive area of excavation than the original plans. The previous plan was to do less excavation and maintain previously excavated areas, however, it now proves more efficient and stable to excavate somewhat more, including the previously unexcavated areas. There will be less underpinning needed with the revised plan and that the gross floor area of the cellar level and the building will remain unchanged from those previously approved, with some minor reconfiguration of the apartment unit layouts on this level.

### DECISION

The Board concludes that the requested plan modifications are minor and are within the requirements of §3129, as "minor modification[s] that do not change the material facts the Board relied upon in approving the application." After reviewing the request for modification and the supporting materials, the Board has determined that the request should be granted.

Accordingly, it is therefore hereby **ORDERED** that the motion for minor modification of plans, as shown on Exhibit No. 45 of the record is **GRANTED**.

**DATE OF DECISION:** July 5, 2005

**VOTE:** 3-0-2 (Geoffrey H. Griffis, Curtis L. Etherly, Jr. and Ruthanne G. Miller to approve; John Mann II and Kevin Hildebrand not voting, not having heard the original application.)
