FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

Case No. 05-38A (Marina View Trustee LLC – Modification of Approved Consolidated Planned Unit Development)

THIS CASE IS OF INTEREST TO ANC 6D

On June 5, 2008, the Office of Zoning received an application from Marina View Trustee LLC (the "Applicant") requesting consent calendar ("minor modification") approval of a modification request of the planned unit development ("PUD") that was approved in Zoning Commission Case No. 05-38 (which became final and effective on October 26, 2007). At the Zoning Commission's July 14, 2008 public meeting, the Zoning Commission removed the item from its consent calendar, and instead set it down for a public hearing as a regular modification request.

The Office of Planning provided a report on this modification request (dated July 3, 2008) and ANC 6D provided a resolution in support of this modification request (dated June 10, 2008). The Applicant's minor modification application statement shall serve as its pre-hearing statement.

The property that is the subject of this application is bounded by M, 6th and K Streets, S.W., and is known as Square 499, Lot 61 (also known as Lots 855, 856, 857, 858, and 859) (the "Subject Property"). The Subject Property is located in the Southwest neighborhood of Ward 6 and consists of approximately 135,263 square feet of land area. The original PUD Order approved up to 570 residential units spread among four residential buildings (including the two existing buildings designed by noted architect I.M. Pei), 16,000 square feet of workforce affordable housing (approximately 18 units), and 8,900 square feet of retail use along M Street, S.W.

The Applicant's modifications to the approved PUD include: (i) refinements of some of the facades and roof structures of the various buildings, (ii) removal of the for-sale component; (iii) relocation of a pool from inside the Amenities Building to outside, adjacent to the Great Lawn; (iv) an increase in the maximum number of units in the project to 580 (an increase of less than 2%); and (v) modifications to the community amenities package.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

THIS CASE IS OF INTEREST TO ANCs 7A, 7B, 7C, and 7D

The Zoning Commission set the case down for a public hearing at its regularly scheduled public meeting held on July 14, 2008. The OP report served as the pre-hearing submittal for the case.

The proposed zone map amendment would include specified properties within the following squares and portions of squares:

-----------------------------------------------------------------------------------------------------------------------------------------------	------------

A complete description of the properties included in this rezoning case is attached to the end of this notice.

The R-5-A Zone District is a general Residence District designed to permit flexibility of design by permitting all types of urban residential development. In R-5-A Districts, all new residential developments, except those comprising all one-family detached and semi-detached dwellings, shall be reviewed by the Board of Zoning Adjustment as special exceptions. In the R-5-A district there is no minimum lot area. Floor area ratio is limited to a maximum of 0.9.

The R-1-B Zone District permits one-family detached dwellings with a minimum lot area of 5,000. The current proposal includes only a small number of properties that are currently split zoned R-1-B and R-5-A, so that the entire property would be zoned R-1-B.

The R-2 Zone District permits semi-detached dwellings and one-family detached dwellings. The minimum lot area is 3,000 square feet for semi-detached dwellings, and 4,000 square feet for detached dwellings.

The R-3 Zone District allows row dwellings, semi-detached dwellings, and detached dwellings. The minimum lot area is 2,000 for row dwellings, 3,000 square feet for semi-detached dwellings, and 4,000 square feet for detached dwellings.

The R-4 Zone District also permits row dwellings, semi-detached dwellings, and detached dwellings. The R4 district also allows flats, and permits the conversion of certain buildings to apartment buildings. The minimum lot area is 1,800 for row dwellings, 3,000 square feet for semi-detached dwellings, and 4,000 square feet for detached dwellings. A converted building must have 900 feet of lot area for each unit.

Proposed amendments to the Zoning Regulations and Map of the District of Columbia are authorized pursuant to the Zoning Act of June 20, 1938, (52 Stat. 797), as amended, D.C. Official Code § 6-641.01, *et seq.*

The public hearing on this case will be conducted as a rulemaking in accordance with the provisions of § 3021 of the District of Columbia Municipal Regulations, Title 11, and Zoning. Pursuant to that section, the Commission will impose time limits on testimony presented to it at the public hearing.

All individuals, organizations, or associations wishing to testify in this case should file their intention to testify in writing. Written statements, in lieu of personal appearances or oral presentations, may be submitted for inclusion in the record.
