IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

July 8, 2003

To declare the existence of an emergency, due to Congressional review, with respect to the need to transfer the operation of the Disability Compensation Program from the Office of Personnel to the Office of Risk Management of the Office of the City Administrator; to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to make a conforming amendment; to require the Office of Risk Management of the Office of the City Administrator to report annually to the Council on its risk management activities; and to limit the number of full-time equivalent employees engaged in the performance of the risk management function in fiscal year 2004.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Disability Compensation Program Transfer Congressional Review Emergency Declaration Resolution of 2003".

Sec 2. The Council of the District of Columbia finds that:

(1) The transfer of operation of the Disability Compensation Program initiated in the Fiscal Year 2002 Budget Support Act of 2001 was designed to enhance efficiency and effectiveness of operations through application of professional disability compensation management and techniques.

(2) The Disability Compensation Program is largely comprised of the examination and resolution of disability compensation claims and related loss analysis and risk control strategies to contain these costs. These functions are typically performed as part of a professional risk management program

(3) Most of the professional expertise required by the Disability Compensation Program is being received from the Office of the City Administrator/Office of Risk Management that was established after the initial transfer of the operation of the Disability Compensation Program. The Office of Personnel also continues its assigned oversight responsibilities for the program. The program was further modified by emergency legislation, the Disability Compensation Program Transfer Emergency Amendment Act of 2003, which in turn, was further revised and modified by permanent legislation, the Fiscal Year 2004 Budget Support Act of 2003.

(4) Redundancy of management impacted economy, efficiency, and effectiveness of the program during the first year of the revised program operation.

(5) It is expected that the prompt enactment of emergency legislation transferring the administration of the Disability Compensation Program to the Office of the City Administrator/Office of Risk Management will assist in realizing the original efficiency and effectiveness objectives of the Fiscal Year 2002 Budget Support Act of 2001 transfer.

(6) Because permanent legislation must undergo 2 Council readings and

ENROLLED ORIGINAL

a 30-day Congressional review period before it can become effective, emergency legislation was required to enable the Office of the City Administrator/Office of Risk Management to begin to immediately apply professional risk management to the program without administrative redundancy.

(7) The Disability Compensation Program Transfer Emergency Amendment Act of 2003 expires on August 17, 2003.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Disability Compensation Program Transfer Congressional Review Emergency Amendment Act of 2003 be adopted after a single reading.

To declare the existence of an emergency, due to Congressional review, with respect to the need to increase civil and criminal penalties for violations of the laws and regulations concerning lead-based paint abatement and control to reduce the incidences of lead poisoning in the District of Columbia.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Lead-Based Paint Abatement and Control Congressional Review Emergency Declaration Resolution of 2003".

Sec. 2. (a) There exists an immediate crisis regarding children in the District of Columbia who continue to be lead poisoned at a rate that exceeds the national average as a result of persons conducting lead-based paint abatement and control without the use of trained and certified lead abatement contractors and workers.

(b) The current sanctions for failure to abide by the laws and regulations concerning lead-based paint abatement and control are not adequate to provide a deterrent.

(c) Without a significant increase in the penalties for failure to conduct lead-based paint abatement and control activities with trained lead-certified contractors and workers, residents will be subjected to conditions that threaten their lives and well-being.

(d) Without a significant increase in the penalties for failure to conduct lead-based paint abatement and control activities with trained lead-certified contractors and workers, the District of Columbia will not meet the threshold for eligibility and continued grant funding from the United States Environmental Protection Agency to administer and enforce federal lead-based paint statutes and regulations.

(e) The Lead-Based Paint Abatement and Control Emergency Amendment Act of 2003, effective May 19, 2003 (D.C. Act 15-89; 50 DCR 4334), is scheduled to expire on August 17, 2003. The Lead-Based Paint Abatement and Control Temporary Amendment Act of 2003, signed by the Mayor on June 20, 2003 (D.C. Act 15-100), is pending Congressional review.

(f) This emergency legislation is necessary to prevent a gap in the legal authority.

To declare the existence of an emergency, due to Congressional review, with respect to the need to maintain a Special Education Task Force.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Special Education Task Force Establishment Congressional Review Emergency Declaration Resolution of 2003".

Sec. 2. (a) The Special Education Task Force Establishment Act of 2003, signed by the Mayor June 20, 2003 (D.C. Act 15-106), is pending congressional review as part of the District of Columbia Fiscal Year 2004 Budget Support Act of 2003, and contains permanent language establishing the Special Education Task Force.

(b) The Special Education Task Force Emergency Act of 2003 will expire on August 17, 2003.

(c) There continues to exist an immediate crisis regarding the District of Columbia Public Schools' ("DCPS") ability to deliver special education services to students within the public school system. Special Education continues to be a major strain on DCPS' budget and the District's budget as a whole. Despite significant increases to DCPS' budget over the last five years, improvement in the delivery of special education services has not occurred.

(d) In addition, DCPS must comply with certain legal mandates, such as the Individuals with Disabilities Education Act, when a student seeks special education services. These legal mandates have elevated the cost of special education.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Special Education Task Force Establishment Congressional Review Emergency Act of 2003 be adopted after a single reading.

To declare the existence of an emergency, due to Congressional review, with respect to honoraria accepted by members of the Board of Education.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Honoraria Congressional Review Emergency Declaration Resolution of 2003".

Sec. 2. (a) The Honoraria Temporary Amendment Act of 2003, signed by the Mayor June 20, 2003 (D.C. Act 15-99), is currently pending congressional review.

(b) The Honoraria Emergency Act of 2003 expires on August 17, 2003.

(c) There exists an emergency regarding the ability of members of the Board of Education ("Board") to accept honoraria after appointment or election.

(d) Prior to the enactment of the Honoraria Emergency Amendment Act of 2002, members of the Board were subject to an annual \$10,000 limitation on honoraria.

(e) Since this limitation was enacted in 1989, the composition of the Board has changed to include both elected and appointed members.

(f) When this limitation was enacted, compensation for members of the Board was substantially higher and the Board had authority to adjust this compensation. This is no longer the case.

(g) It is important to the stability of the Board that the honoraria limit be removed.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Additional Use of the Reserve Funds Omnibus Emergency Declaration Resolution of 2003".

Sec. 2. (a) The District of Columbia ("District") is currently facing the highest childhood poverty rate in the nation.

(b) Compounded with the decline in private funds and an overwhelming increase in need, without additional funds, many District children will go hungry this summer.

(c) The use of \$600,000 from the fiscal year 2003 reserves to go to the Children and Youth Investment Trust Fund will help provide additional funds for the feeding program during the summer of 2003.

(d) The funds are necessary to feed daily over 6,000 District children, with breakfast and lunch and with an additional opportunity to take home bags of food. Over 768,000 meals will be served to children who do not have access to daily nutritious meals.

(e) Section 133 of the District of Columbia Appropriations Act, 2002, approved December 21, 2001 (Pub. L. No. 107-96; 115 Stat. 955), requires the Council to pass legislation prior to the use of the District's budgeted reserve funds.

(f) The current law, D.C. Act 15-082, expires on August 17, 2003. The temporary is still in the Mayoral review process which means it will not become effective before the August 17 expiration of the emergency legislation.
