

## DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS

**NOTICE OF PROPOSED RULEMAKING****CIVIL INFRACTIONS: SCHEDULE OF FINES AMENDMENTS**

The Director of the Department of Consumer and Regulatory Affairs, pursuant to the authority set forth in Section 33 of the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985 Technical and Clarifying Amendments Act of 1990, effective March 8, 1991 (D.C. Law 8-237; 16 DCMR §§ 411.10 and 411.11); Section 104 of the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985, effective October 5, 1985 (D.C. Law 6-42; D.C. Official Code § 2-1801.04); Mayor's Order 99-68, dated April 28, 1999; and the Towing Vehicles Rulemaking Authority Continuation Temporary Act of 2002, effective April 2, 2003 (D.C. Law 14-277; D.C. Official Code § 47-2850), hereby gives notice of his intent to adopt the following amendments to Chapter 32 of Title 16 of the District of Columbia Municipal Regulations in not less than fifteen (15) days from the date of publication of this notice in the D.C. Register. These rules will become effective upon publication of the final rules in the D.C. Register, or upon approval of the proposed rules by the Council of the District of Columbia, whichever occurs later.

The fifteen (15) day comment period is justified by the need to be able to impose civil fines as a sanction for violating the new regulations governing towing services for motor vehicles in the District of Columbia, when the Towing Service for Motor Vehicles Regulations (49 DCR 10926) become effective on June 16, 2003.

This proposed rulemaking adds a new section of infractions to the Schedule of Fines for violations of 16 DCMR, Chapter 4 -- Towing Service for Motor Vehicles.

Chapter 32 of Title 16 DCMR (Consumers, Commercial Practices & Civil Infractions) (July 1998), is amended as follows to add:

## DEPARTMENT OF HUMAN SERVICES

NOTICE OF PROPOSED RULEMAKING

The Interim Director of the Department of Human Services, pursuant to the authority set out in Reorganization Plan No. 3 of 1986 (effective January 3, 1987), the Rehabilitation Act of 1973, as amended, 29 U.S.C. §§ 701 *et seq.*, 34 C.F.R. Part 361, the Rehabilitation Services Program Establishment Temporary Act of 2002, effective April 4, 2003 (D.C. Law 14-290), any substantially similar succeeding legislation, and Mayor's Order 2002-173, dated October 14, 2002, hereby gives notice of the intent to amend Chapter 1 of Title 29 of the *District of Columbia Municipal Regulations* to incorporate new subsections 100.1 through 118.11 and section 199, entitled Vocational Rehabilitation Services. Although the Rehabilitation Services Program Act was signed by the Mayor on January 7, 2003, the Act provided that it was applicable as of January 1, 2003. These proposed rules establish the standards for the management and operation of the District of Columbia Vocational Rehabilitation Services Program, which provides vocational rehabilitation services to individuals with disabilities.

These rules were promulgated as proposed on December 27, 2002 at 49 DCR 11794. After reviewing public comments on the rules, the Department made substantive changes to the rules and is now promulgating them for a second time as proposed. All sections contained the "Client Services Division" were changed to the "Rehabilitation Services Administration" to reflect the language in the State Plan and for consistency. Changes were made to: section 101 to comply with the Rehabilitation Act correct reference; section 113 to more accurately state the intent of the law; section 114 to state use of comparable benefits; section 115 for clarification; section 118 for clarification and to include the appropriate authority; and section 199 to clarify some of the definitions and to add a definition for "Natural Support".

It is critical that the District of Columbia respond to the myriad needs of individuals with disabilities for vocational rehabilitation services. Currently, the District of Columbia administers a federally funded vocational rehabilitation services program, which responds to a wide-range of rehabilitative needs of District of Columbia residents. These rules enable the District to operate a vocational rehabilitation services program as an entity established as part of the District of Columbia government.

The Interim Director gives notice of the intent to take final rulemaking action to adopt these rules in not less than thirty (30) days from the date of publication of this in notice in the *D.C. Register*.

29 DCMR, Chapter 1, is amended by deleting sections 100 to 104 and 199, renumbering sections 105 through 139 as sections 135 through 169, and inserting subsections 100.1 through 118.11 and section 199 as follows:

- 101.5 The Rehabilitation Services Administration shall schedule an interview for an individual with a vocational rehabilitation counselor upon completion of the orientation meeting to assist the individual to apply for vocational and other rehabilitation services.
- 101.6 The orientation meeting may be waived by the Chief, Client Services Division or his or her designee. If the orientation meeting is waived, the Client Services Division shall schedule an interview with a vocational rehabilitation counselor to assist the individual to apply for vocational rehabilitation services.

  - (b) An exploration of the individual's abilities, capabilities and capacity to perform in work situations is carried out in accordance with subsection 103.13 or, if appropriate, an extended evaluation is carried out in accordance with subsection 103.14.

## **103 ASSESSMENT FOR DETERMINING ELIGIBILITY**

- 103.1 In order to determine whether an individual is eligible for vocational rehabilitation services, the Rehabilitation Services Administration shall conduct an assessment for

determining eligibility in the most integrated setting possible, consistent with the individual's needs and informed choice, and in accordance with this section.

- 103.2 The Rehabilitation Services Administration shall base an applicant's eligibility for vocational rehabilitation services only on the following basic requirements:
- (a) A determination by qualified personnel that the applicant has a physical or mental impairment;
  - (b) A determination by qualified personnel that the applicant's physical or mental impairment constitutes or results in a substantial impediment to employment for the applicant;
  - (c) A determination by a qualified vocational rehabilitation counselor employed by the Rehabilitation Services Administration that the applicant requires vocational rehabilitation services to prepare for, secure, retain, or regain employment consistent with the applicant's unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice; and
  - (d) A presumption, in accordance with subsection 103.3 of this section, that the applicant can benefit in terms of an employment outcome from the provision of vocational rehabilitation services.
- 103.3 The Rehabilitation Services Administration shall presume that an applicant who meets the eligibility requirements in subsections 103.2(a) and (b) of this section can benefit in terms of an employment outcome unless the Rehabilitation Services Administration demonstrates, based on clear and convincing evidence, that the applicant is incapable of benefiting in terms of an employment outcome from vocational rehabilitation services due to the severity of the applicant's disability.
- 103.4 The Rehabilitation Services Administration may presume an applicant eligible for services based on the following:
- (a) Any applicant who has been determined eligible for Social Security benefits under Title II or Title XVI of the Social Security Act shall be:
    - (1) Presumed eligible for vocational rehabilitation services pursuant to subsections 103.2 and 103.3 of this chapter; and
    - (2) Considered an individual with a significant disability as defined in section 199, and
  - (b) If an applicant for vocational rehabilitation services asserts that he or she is eligible for Social Security benefits under Title II or Title XVI of the Social Security Act (and, therefore, is presumed eligible for vocational rehabilitation services under subsection 103.4(a) of this section), but is unable to provide

appropriate evidence, such as an award letter, to support that assertion, the Rehabilitation Services Administration shall verify the applicant's eligibility under Title II or Title XVI of the Social Security Act by contacting the Social Security Administration. This verification shall be made within a reasonable period of time that enables the Rehabilitation Services Administration to determine the applicant's eligibility for vocational rehabilitation services within sixty (60) days of the individual submitting an application for services in accordance with subsection 102.1.

- 103.5 The Rehabilitation Services Administration shall ensure that an eligible individual, including an individual whose eligibility for vocational rehabilitation services is based on the individual being eligible for Social Security benefits under Title II or Title XVI of the Social Security Act, intends to achieve an employment outcome that is consistent with the applicant's unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice, by:
- (a) Informing individuals, through its application process for vocational rehabilitation services, that individuals who receive services under the program must intend to achieve an employment outcome, and
  - (b) Considering that the applicant's completion of the application process for vocational rehabilitation services is sufficient evidence of the individual's intent to achieve an employment outcome, and that no additional demonstration on the part of the applicant is required for purposes of satisfying subsection 103.5(a) of this section.
- 103.6 Nothing in this section, including subsection 103.4, shall be construed to create an entitlement to any vocational rehabilitation service.
- 103.7 The Rehabilitation Services Administration may initiate the provision of vocational rehabilitation services for an applicant on the basis of an interim determination of eligibility prior to the sixty (60) day period described in subsection 102.1.
- 103.8 When making an interim determination of eligibility, the Rehabilitation Services Administration shall:
- (a) Obtain a written approval from the Administrator of the Rehabilitation Services Administration or his or her designee;
  - (b) Document in the individual's records the criteria and conditions for making the determination; and
  - (b) Document in the individual's records the scope of services that may be provided pending the final determination of eligibility.

- 103.9 When providing services based on an interim determination of eligibility, the Rehabilitation Services Administration shall make a final determination of eligibility within sixty (60) days of the individual submitting an application for services in accordance with subsection 102.1.
- 103.10 When determining eligibility under this section, the Client Services Division, in accordance with the D.C. Human Rights Act of 1977, as amended, D.C. Official Code Sections 2-1401.01 *et seq.*, (Act), shall not discriminate on the basis of actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, familial status, family responsibilities, matriculation, political affiliation, disability, source of income, or place of residence or business. Sexual harassment is a form of sex discrimination, which is prohibited by the Act. In addition, harassment based on any of the above-protected categories is prohibited by the Act. Discrimination in violation of the Act shall not be tolerated. Violators shall be subject to disciplinary action.
- 103.11 Except as provided in subsection 103.12 of this section, the Rehabilitation Services Administration shall base its determination of each of the basic eligibility requirements in subsection 103.2 of this section on:
- (a) A review and assessment of existing data, including counselor observations, education records, information provided by the individual or the individual's family, particularly information used by education officials, and determinations made by officials of other agencies; and
  - (b) To the extent existing data do not describe the current functioning of the individual or are unavailable, insufficient, or inappropriate to make an eligibility determination, an assessment of additional data resulting from the provision of vocational rehabilitation services, including trial work experiences, assistive technology devices and services, personal assistance services, and any other support services that are necessary to determine whether an individual is eligible.
- 103.12 The Rehabilitation Services Administration shall base its presumption under subsection 103.4 of this section, that an applicant who has been determined eligible for Social Security benefits under Title II or Title XVI of the Social Security Act satisfies each of the basic eligibility requirements in subsection 103.2 of this section, on determinations made by the Social Security Administration.
- 103.13 Prior to any determination that an individual with a disability is incapable of benefiting from vocational rehabilitation services in terms of an employment outcome because of the severity of that individual's disability, the Rehabilitation Services Administration shall:
- (a) Conduct an exploration of the individual's abilities, capabilities, and capacity to perform in realistic work situations to determine whether or not there is clear and convincing evidence to support such a determination;

- (b) Develop a written plan to assess periodically the individual's abilities, capabilities, and capacity to perform in work situations through the use of trial work experiences, which shall:
  - (1) Be provided in the most integrated setting possible, consistent with the informed choice and rehabilitation needs of the individual;
  - (2) Include supported employment, on-the-job training and other experiences using realistic work settings;
  - (3) Be of sufficient variety and over a sufficient period of time for the Rehabilitation Services Administration to determine that:
    - (A) There is sufficient evidence to conclude that the individual can benefit from the provision of vocational rehabilitation services in terms of an employment outcome; or
    - (B) There is clear and convincing evidence that the individual is incapable of benefiting from vocational rehabilitation services in terms of an employment outcome due to the severity of the individual's disability; and
  - (4) Provide appropriate supports, including assistive technology devices and services and personal assistance services, to accommodate the rehabilitation needs of the individual during the trial work experiences.

103.14 If an individual with a significant disability cannot take advantage of trial work experiences or if options for trial work experiences have been exhausted before the Rehabilitation Services Administration is able to make the determinations described in subsection 103.13(b)(3) of this section, the Rehabilitation Services Administration shall:

- (a) Conduct an extended evaluation to make these determinations;
- (b) Provide vocational rehabilitation services in the most integrated setting possible, consistent with the informed choice and rehabilitation needs of the individual;
- (c) Develop a written plan for providing services necessary to make a determination under subsection 103.13(b)(3) of this section; and
- (d) Provide only those services that are necessary to make the determinations described in subsection 103.13(b)(3) of this section and terminate extended evaluation services when the Rehabilitation Services Administration is able to make the determinations.

- 103.15 To provide vocational rehabilitation services during the extended evaluation period, the Rehabilitation Services Administration shall:
- (a) Obtain the written approval of the Administrator of the Rehabilitation Services Administration or his or her designee;
