Official Code § 38-201 *et seq.*), all children of compulsory school age are required to attend school or receive an equivalent education approved by the Office of the State Superintendent of Education.. Notwithstanding the parent's responsibility to ensure that the child attends a school, a student may be subject to Suspension or Expulsion from DCPS pursuant to this chapter.
- B2504.9 The principal or other school official may establish, or make a referral to, a special class or other supervised program for students who are suspended, subject to the approval of a person designated by the Chancellor. This special class or other supervised program may be located within a student's home school or at another appropriate DCPS site.
- B2504.10 A student who has been suspended or expelled shall have access to an Education Plan as follows:
- (a) If a student is suspended for fewer than eleven (11) days, the principal initiating the Suspension shall provide an Education Plan that meets the student's educational needs and allows the student to make up any class and homework assignments and exams without penalty.
 - (b) If a student is suspended for eleven (11) days or more or expelled, the student shall be placed in an Alternative Educational Setting that will allow the student the opportunity to continue to earn credits towards promotion or graduation requirements.
- B2504.11 Restitution and/or school service may be required in any case involving school property (e.g., arson, vandalism, burglary, robbery). The amount of restitution or type of school service shall be determined by a person designated by the Chancellor.

- B2504.13 Students younger than the age of fourteen (14) who have been suspended or expelled shall not be allowed to leave school grounds during school hours unless accompanied by a parent or guardian, or his or her designee. Students older than fourteen (14) who have been suspended or expelled shall not be allowed to leave school grounds during school hours until a parent or guardian, or his or her designee, has been contacted by phone or in person and given a reasonable opportunity to arrange for proper supervision of the student. If the parent or

guardian of a suspended student cannot be notified by phone or in person, the student must remain at school until the end of the school day.

B2504.14 If the parent or guardian of a student who has been suspended cannot be contacted by phone or in person before the next school day, and the student arrives at school, he or she must remain in the building until a parent or guardian can be contacted and given a reasonable opportunity to arrange for proper supervision of the student or until the end of the school day. The student may be segregated and must be appropriately supervised during this time. Any such day will count toward fulfilling the term of the student's Suspension.

B2505.15 Except in cases of immediate emergency Suspensions pursuant to § B2504.4, students shall remain in their regular assigned classroom or education setting until the final determination of the Suspension has been made.

B2504.16 For students seeking to enroll in DCPS and who have been suspended or expelled from their current school, or who have withdrawn while disciplinary action is pending, a person designated by the Chancellor shall review the facts and circumstances regarding the student's Suspension, Expulsion, or withdrawal pending Expulsion, if the infraction for which the student was disciplined is one for which the student could have been disciplined within DCPS. The purpose of this review is to determine the appropriate placement within DCPS.

- B2505.5 The conference may include the parent or guardian, witnesses, and/or legal representative, but participation by such party(ies) shall not be required.
- B2505.6 Students and parents or guardians shall be provided written notice of all Suspensions and Expulsions as follows:
- (a) No student may be suspended or expelled, including on-site Suspension, without written notice to the adult student or minor student's parent or guardian.
 - (b) Following the oral notice provided to parents or guardians pursuant to § B2504.13 verifiable written notice using contact information provided by the parent or guardian (e.g. email, certified mail, or hand-delivered mail with a signature receipt) of all authorized or proposed Suspensions and Expulsions must be sent to the parent or guardian or to the adult student no later than one (1) school day after the decision by the principal or a person designated by the Chancellor to authorize or propose Suspension or Expulsion.

- B2505.8 A principal or school official proposing Medium- or Long-Term Suspension must immediately submit the proposal to a person designated by the Chancellor. A person designated by the Chancellor may authorize the proposed Suspension or modify it to reduce the number of days suspended.

- B2505.9 A principal or school official proposing Expulsion shall make a written recommendation for Expulsion to a person designated by the Chancellor no more than one (1) school day after the Expulsion conference. The principal's recommendation may be made based upon an initial recommendation from a teacher or other school official. The recommendation to expel shall be supported by sufficient written documentation to enable a person designated by the Chancellor to make an independent decision regarding Expulsion. A copy of this recommendation and any attendant documentation shall also be provided to the parent or guardian of the student involved.
- B2505.10 No more than five (5) school days after receiving the principal's findings, a person designated by the Chancellor shall either concur with or modify the recommended action. If a principal recommends Expulsion for bringing a weapon as defined in 18 U.S.C. § 921 into DCPS in violation of the Gun-Free Schools Act, only the Chancellor may modify the Expulsion recommendation.

An appeal made orally shall be put in writing by the person receiving the request.
 - (d) All appeals will be heard by the principal (for Short-Term Suspensions) or a person designated by the Chancellor (for Medium-Term Suspensions) no later than one (1) school day after the appeal is requested. Upon request of the adult student or minor student's parent or guardian, the time for the appeal may be extended up to three (3) school days. The appeal may be

held by telephone upon request of the parent or guardian if necessary due to health, work, or childcare.

- (e) The student and his or her parent or guardian may present evidence and ask witnesses to speak.
- (f) At the conclusion of the conference, the principal or a person designated by the Chancellor, as appropriate, shall render a final decision.
- (g) No more than one (1) school day after the conference, the principal or a person designated by the Chancellor, as appropriate, shall give the student and his or her parent or guardian, a person designated by the Chancellor, and the head of the Office of Youth Engagement a written summary of the conference proceedings, including the final decision.

B2505.15 A student who has been suspended for eleven (11) days or more or who has been expelled shall have a disciplinary hearing pursuant to the procedures in § 2506.

B2506.1 Disciplinary hearings shall be held at a time and place that is reasonably convenient to the student and parent or guardian.

B2506.2 For Long-Term Suspensions and Expulsions, the hearing shall be held not more than four (4) school days after a written notice regarding disciplinary action is provided to the parent or guardian or adult student, except that the hearing may be postponed for not more than five (5) school days upon the request of the adult student, minor student's parent or guardian, or his or her representative, where postponement of the hearing is necessary to prepare for the hearing, provide for the hearing, or provide for the attendance of necessary parties, including interpreters. The hearing office shall provide written notice to the parent or guardian or adult student of the date, time, and location of the hearing immediately upon scheduling the hearing. The notice from the hearing office shall state what consequences, if any, result from failure to attend the hearing.

- B2506.3 The hearing shall be closed to the public unless the parent or guardian or adult student requests an open hearing.
- B2506.4 The student shall have a right, but shall not be required, to have a representative or legal counsel, selected by the parent or guardian or adult student.
- B2506.5 The student, parent or guardian, or representative shall have the right to question any witness or challenge any documentary evidence.
- B2506.6 The parent or guardian or adult student shall have the opportunity to present testimony and documentary evidence, including the opportunity to call any witness to present testimony relevant to the disciplinary action or other school system recommendation. The right to call witnesses shall include the right to require the presence of any involved school official.
- B2506.7 It shall be the burden of the DCPS to show by a preponderance of the evidence that the student did commit the infraction(s) upon which the disciplinary action is based.
- B2506.8 The hearing officer shall ensure that all due process procedures have been followed or waived.
- B2506.9 The hearing officer may question any witness or party and shall examine all documentary evidence.
- B2506.10 The hearing shall not be conducted according to the rules of evidence. However, the hearing officer may exclude any testimony or evidence that is irrelevant or repetitive.
- B2506.11 The hearing officer shall ensure that the hearing is conducted in a fair and orderly manner and shall have the authority to exclude any party or other person from the hearing on the grounds of substantial interference or obstruction of the orderly hearing process.
- B2506.12 The hearing officer shall make an official electronic audio recording of the hearing, which shall constitute the official record thereof. Upon request, a copy of the recording shall be made available to the parent or guardian, adult student, or representative and the local school principal. This provision shall not preclude a parent or guardian or representative from also recording or transcribing the hearing at his or her expense.
- B2506.13 The principal or school official shall indicate a recommendation of the school system for the duration of the off-site placement.

B2507 HEARING OFFICER RECOMMENDATION

- B2507.1 Within one (1) school day of the conclusion of a disciplinary hearing, the hearing officer shall issue a written recommendation which shall include the following:

 - (b) A conclusion as to whether the required due process procedures have been properly followed or waived;
 - (c) A conclusion as to whether the student committed the infraction(s) upon which the disciplinary action is based; and
 - (d) A determination regarding the appropriateness of the proposed disciplinary action or an order for a modification thereof, including consideration of the factors enumerated in § B2500.8 and explicit justification for any recommended modification.

- B2507.4 A copy of the written determination provided by a person designated by the Chancellor or by the head of the Office of Youth Engagement shall be given or mailed, within twenty-four (B24) hours, to the adult student, the minor student's parent or guardian, and their representatives, if any.
- B2507.5 Additional copies of the determination by a person designated by the Chancellor or the head of the Office of Youth Engagement shall be sent, within twenty-four (B24) hours, to the principal or other school official in charge of the school or program in which the student is enrolled, and retained in the files of the student hearing office.
- B2507.6 If the hearing officer recommends disciplinary action is not warranted, based on the fact that the student did not violate any DCPS rule or policy, the determination shall include an order to destroy all school records regarding the disciplinary action, including any reports that relate to the incident upon which the disciplinary action was proposed, insofar as those reports individually identify the student. If the hearing officer determines that disciplinary action is not warranted and either: (a) fails to state whether a DCPS rule or policy was violated, or, (b) states that a DCPS rule or policy was violated but nevertheless finds the disciplinary action to be unwarranted, the school may maintain documents

concerning the alleged infraction until the conclusion of the school year immediately following the incident.

B2507.7 Long-Term Suspension may be appealed directly to the head of the Office of Youth Engagement:

- (a) A parent or guardian, or adult student who wishes to appeal a Long-Term Suspension to the head of the Office of Youth Engagement must submit a written or oral request to appeal the proposed Long-Term Suspension within five (5) school days of receiving notification of the Long-Term Suspension. If the request is made orally, it shall be recorded in writing by the person receiving the request.

- (c) During the conference, the parent or guardian, or adult student, may present arguments in support of his or her appeal. The student shall have a right, but shall not be required, to have a representative or legal counsel, selected by the parent or guardian or adult student. The appeal may be held by telephone upon request of the parent or guardian. The conference may be recorded by any of the parties.
- (d) No more than two (B2) school days after the conclusion of the conference, the head of the Office of Youth Engagement shall render a final decision. The head of the Office of Youth Engagement shall provide the parent or guardian, or adult student, and a person designated by the Chancellor, a written summary of the conference proceedings and decision.

B2507.8 If the head of the Office of Youth Engagement has authorized Expulsion for violating the Gun-Free Schools Act, the parent or guardian or adult student may appeal the decision to the Chancellor pursuant to the process outlined in § B2507.9. The decision of the Chancellor shall be final and shall be provided in writing to the parent or guardian, or adult student, person designated by the Chancellor, and the principal of the school from which the student was expelled.

B2507.8 Notwithstanding the other provisions of this section, a person designated by the Chancellor may, at his or her discretion, initiate Expulsion action without the recommendation of a principal or designee.

B2507.9 An Expulsion may be appealed directly to the Chancellor.

- (a) A parent or guardian, or adult student who wishes to appeal an Expulsion directly to the Chancellor must submit a written or oral request to appeal the proposal within five (5) school days of receiving notification of the

Expulsion. If the request is made orally, it shall be recorded in writing by the person receiving the request.

- (b) Upon receipt of an appeal, the Chancellor or his/her designee shall schedule a conference with the parent or guardian, or adult student, to be held within three (3) school days of receiving the appeal request.

- (d) No more than two (B2) school days after the conclusion of the conference, the Chancellor shall render a final decision. The Chancellor shall provide the parent or guardian, or adult student, a person designated by the Chancellor, and the head of the Office of Youth Engagement a written summary of the conference proceedings and his or her final decision.

B2508 REVIEW BY THE CHANCELLOR

- B2508.1 The Chancellor may review, at his or her discretion, any proposed disciplinary action. If the Chancellor determines that disciplinary action is not warranted, the determination shall include a statement ordering the destruction of all school records of the disciplinary action, including any reports of the disciplinary action that relate to the incident upon which the action was based, provided that, from the facts presented, it is determined that there was no violation of any DCPS rule or policy, insofar as those reports individually identify the student.
- B2508.2 With respect to all disciplinary actions, the Chancellor may overrule or modify any proposed disciplinary action including Expulsion. The Chancellor shall provide written justification for any modification of disciplinary action.

B2509 RE-ENTRY FOLLOWING EXPULSION

- B2509.1 Prior to the conclusion of an Expulsion, a person designated by the Chancellor shall hold a conference with the student and the student's parent or guardian to determine appropriate school placement for the student.
- B2509.2 The conference shall be held according to guidelines in § B2505, and shall include discussion of the following topics:
 - (a) The student's activities while under disciplinary action;
 - (b) The steps the student will take to avoid a subsequent disciplinary action;

- (c) Support required by the student to avoid subsequent disciplinary action; and
- (d) Any other pertinent circumstances.

B2509.3 Effort shall be made to return the student to his or her previous school, unless a person designated by the Chancellor reasonably concludes based on the conference that another school is a more appropriate setting.

B2509.4 The student and his or her parent or guardian shall be informed of the school placement no more than one school day after the conference, and the registration/enrollment process shall be facilitated as smoothly and quickly as possible thereafter.

B2509.5 The principal of the receiving school shall ensure the returning student receives an appropriate academic program, as well as services to ensure a smooth transition back into the general school population (e.g., SST meeting, counseling, etc.).

B2510 PROPOSED DISCIPLINE OF A STUDENT WITH DISABILITY

B2510.1 Nothing herein shall exempt a student with a disability from disciplinary action.

B2510.2 In initiating disciplinary procedures applicable to all children, DCPS must ensure that the special education and disciplinary records of the child with a disability are transmitted for consideration by the person or persons making the final determination regarding the disciplinary action. Such documentation may include, but not be limited to (with any required permission from parent/guardian): the student's current IEP, discipline file, cumulative file, anecdotal records from teachers or other school personnel, reports or recommendations from health or mental health clinicians.

B2510.3 The removal of a student with a disability from his or her current placement for more than ten (10) school days for disciplinary reasons shall require that a determination be made as to whether the subject behavior is related to the student's disability.

B2510.4 If the result of the review is a determination that the behavior of the child with a disability was not a manifestation of the child's disability, the relevant disciplinary procedures applicable to children without disabilities may be applied to the child in the same manner in which they would be applied to children without disabilities

B2510.5 DCPS may order an immediate removal of a student with a disability from his or her current placement:

- (a) To an appropriate interim Alternative Educational Setting, another setting, or Suspension, for not more than ten (10) consecutive school days (to the extent such alternatives would be applied to children without disabilities); and
- (b) To an appropriate interim alternative educational setting for the same amount of time that a child without a disability would be subject to discipline, up to but not exceeding forty-five (45) days if:
 - (1) The student carries a weapon to school or to a school function;
 - (2) The student knowingly possesses or uses illegal drugs or solicits the sale of a controlled substance while at school or at a school function; or
 - (3) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction DCPS.

B2510.6 DCPS must make a free appropriate public education available to all eligible children with disabilities, including children with disabilities who have been suspended or expelled from school. When a student with a disability is removed from his or her current placement for more than ten (10) school days for disciplinary reasons, DCPS must continue to provide the specialized instruction and related services that are specified on the student's IEP.

B2510.7 Any interim alternative educational setting in which a child is placed must:

- (a) Be selected so as to enable the child to continue to participate in the general curriculum, although in another setting, and to continue to receive those services and modifications, including those described in the child's current IEP, that will enable the child to meet the goals set out in that IEP; and
- (b) Include services and modifications designed to address the behavior described in § B2511.B2 or § B2511.3 so that it does not recur.

B2510.8 If a disciplinary action is contemplated as described in § B2511.B2 or § B2511.3 for a behavior of a child with a disability described in either of those subsections, or if a proposed disciplinary action involves removal of a student with a disability from his or her current placement for more than ten (10) consecutive school days:

- (a) Not later than the date on which the decision to take that action is made, the parents must be notified of that decision and of all procedural safeguards accorded by law; and

- (b) Immediately, if possible, but in no case later than ten (10) school days after the date on which the decision to take that action is made, a review must be conducted of the relationship between the child's disability and the behavior subject to the disciplinary action.

B2510.9 Within ten (10) school days of any disciplinary decision to remove a student with a disability from his or her current placement, DCPS, the parent, and relevant members of the child's IEP Team (as determined by the parent and the DCPS) must review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine:

- (a) If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- (b) If the conduct in question was the direct result of DCPS's failure to implement the IEP.

B2510.10 The conduct must be determined to be a manifestation of the child's disability if DCPS, the parent, and relevant members of the child's IEP Team determine that a condition in either 34 CFR 300.530(e)(1)(i) or (1)(ii) was met.

B2510.11 If the DCPS, the parent, and relevant members of the child's IEP Team determine the condition described in 34 CFR 300.530(e)(1)(ii) was met, the DCPS must take immediate steps to remedy those deficiencies.

B2510.12 In carrying out a review, the IEP Team may determine that the behavior of the child was not a manifestation of such child's disability only if the IEP Team:

- (a) First considers, in terms of the behavior subject to disciplinary action, all relevant information, including:
 - (1) Evaluation and diagnostic and results, or other relevant information supplied by the parents of the child;
 - (2) Observations of the child;
 - (3) The child's IEP and placement; and
 - (4) Any other material deemed relevant by the IEP Team, including, but not limited to, school progress reports, anecdotal notes and facts related to disciplinary action taken by administrative personnel; and
- (b) Then determines that:

- (1) In relationship to the behavior subject to disciplinary action, the child's IEP, and placement were appropriate and the special education services, supplementary aids and services, and behavior intervention strategies were provided consistent with the child's IEP and placement;
- (B2) The child's disability did not impair the ability of the child to understand the impact and consequences of the behavior subject to disciplinary action; and
- (3) The child's disability did not impair the ability of the child to control the behavior subject to disciplinary action.

B2510.13 Either before or not later than ten (10) consecutive school days after taking a disciplinary action described in § B2510.2:

- (a) If DCPS did not conduct a functional behavioral assessment and implement a behavioral intervention plan for such child before the behavior that resulted in the Suspension described above, DCPS must convene an IEP meeting to develop an assessment plan to address that behavior; or

B2510.14 If the child's parent disagrees with a determination that the child's behavior was not a manifestation of the child's disability or with any decision regarding placement, the parent may request a hearing.

B2510.15 DCPS must arrange for an expedited hearing, which must occur within twenty (20) school days of the date the complaint requesting the hearing is filed, in any case described in this section when requested by a parent.

B2510.16 In reviewing a decision with respect to the manifestation determination, the hearing officer must determine whether DCPS has demonstrated that the child's behavior was not a manifestation of such child's disability.

B2510.17 A disciplinary hearing officer may recommend the removal of a student with a disability from his or her current placement for not more than forty-five (45) days if the hearing officer:

- (a) Determines that DCPS has demonstrated by substantial evidence that maintaining the current placement of such child is substantially likely to result in injury to the child or to others;
- (b) Considers the appropriateness of the child's current placement;

- (c) Considers whether DCPS has made reasonable efforts to minimize the risk of harm in the child's current placement, including the use of supplementary aids and services; and
- (d) Determines that the interim alternative educational setting meets the requirements described in § B2510.14 above.

B2510.18 In recommending the removal of a student with a disability from his or her current placement removal of a student with a disability from his or her current placement to an alternative education setting for disciplinary reasons, the hearing officer must apply the standards set out in § B2510.17 above.

B2510.19 When a parent requests a hearing regarding a disciplinary action to challenge the interim alternative educational setting or the manifestation determination, the child must remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the time period provided for in § B2510.5 (i.e., 45 days), whichever occurs first, unless the parent and DCPS agree otherwise.

B2510.20 If a child is in an interim alternative educational setting for disciplinary reasons and school personnel propose to change the child's educational placement after expiration of the interim Alternative Setting for disciplinary reasons, during the pendency of any proceeding to challenge the proposed change in placement, the child must remain in the current placement (the child's placement prior to the interim alternative educational setting), except as provided in § B2510.21, below.

B2510.21 If school personnel maintain that it is dangerous for the child to be in the current placement (placement prior to removal to the interim alternative education setting) during the pendency of the due process proceedings, DCPS may request an expedited hearing.

B2510.22 A child who has not been determined to be eligible for special education and related services under this part and who has engaged in behavior that violated any rule or code of conduct of DCPS, including any behavior described in this chapter, may assert any of the applicable protections provided for in the Individuals with Disabilities Education Improvement Act, as amended, if DCPS had knowledge (as determined in accordance with § B2510.23 below), that the child was a child with a disability before the behavior that precipitated the disciplinary action occurred.

B2510.23 DCPS is deemed to have knowledge that a child is a child with a disability if:

- (a) The parent of the child has expressed concern in writing (unless the parent is illiterate or has a disability that prevents compliance with the requirements contained in this clause) to supervisory or administrative

personnel of [DCPS], or a teacher of the child, that the child is in need of special education and related services;

- (c) The parent of the child has requested an evaluation of the child; or
- (d) The teacher of the child or other personnel of DCPS has expressed specific concerns about a pattern of behavior or performance of the child to the Director of Special Education or to other DCPS personnel.

B2510.24 DCPS is deemed not to have knowledge that a child is a child with a disability if: the parent of the child has not allowed an evaluation of the child pursuant to 34 CFR 300.300 through 300.311 or has refused services under Part B of the IDEA; or the child has been evaluated in accordance with 34 CFR 300.300 through 300.311 and determined to not be a child with a disability under Part B of the IDEA.

B2510.25 If DCPS does not have knowledge that a child is a child with a disability in accordance with § B2510.23 prior to taking disciplinary measures against the child, the child may be subjected to the same disciplinary measures applied to children without disabilities who engaged in comparable behaviors.

B2510.26 If a request is made for an evaluation of a child during the time period in which the child is subjected to disciplinary measures under this chapter, the evaluation must be conducted in an expedited manner. If the child is determined to be a child with a disability, taking into consideration information from the evaluation conducted by DCPS and information provided by parents, DCPS must provide special education and related services in accordance with the relevant provisions of the Individuals with Disabilities Education Improvement Act, as amended, except that, pending the results of the evaluation, the child must remain in the educational placement determined by school authorities.

B2510.27 Nothing in the Individuals with Disabilities Education Improvement Act, as amended, shall be construed to prevent D.C. law enforcement and judicial authorities from exercising their responsibilities with regard to the application of federal and state law to crimes committed by a child with a disability.

B2510.28 Nothing in the Individuals with Disabilities Education Improvement Act, as amended, shall be construed to prohibit DCPS from reporting a crime committed by a child with a disability to appropriate authorities. In reporting a crime committed by a child with a disability to appropriate authorities, DCPS must ensure that copies of the special education and disciplinary records of the child are transmitted for consideration by the appropriate authorities to which it reports the crime.
