The District Department of the Environment (DDOE) invites the public to present its comments at a public hearing on the green projects being proposed for inclusion on the District of Columbia Construction Grants Program fiscal years (FY) 2009 and 2010 Project Priority List (PPL). PPLs delineate projects likely to receive Federal and District Government funds to construct or improve wastewater treatment facilities and other related infrastructures for FY 2009 and in future years.

Organizations may also submit green project proposals for consideration during this comment period.
