

Notice of Reprogramming Disapproval

Chairman Gray filed on April 14, 2009, PR 18-215 the "Reprogramming No. 18-12 Approval Resolution of 2009" to disapprove Reprogramming 18-12. The request to reprogram \$5,481,476 of capital budget authority and allotment between various capital projects of the University of the District of Columbia (UDC) that are implemented by the Office of Property Management (OPM) was filed in the Office of the Secretary on April 2, 2009. This reprogramming will ensure that UDC realigns its capital budget with budget corrections required following a study of historical budgets in the financial system of record (SOAR) and actual appropriated amounts.

The disapproval resolution extends the Council's review period to 30 days, ending on Saturday, May 2, 2009. If the Council does not adopt a resolution of approval or disapproval during this period, the reprogramming will be deemed approved on Sunday, May 3, 2009.
