DISTRICT DEPARTMENT OF THE ENVIRONMENT

NOTICE OF A PUBLIC HEARING

Proposed rules that amend conformity requirements that will help develop and implement the air quality State Implementation Plan (SIP)

Tuesday, May 26, 2009 at 6:00 P.M.
District Department of the Environment
51 N Street, NE
Sixth Floor Conference Room
Washington, D.C. 20002

The District Department of the Environment (DDOE) announces a public hearing to receive testimony on a Proposed Rulemaking that amends Chapter 4, reserves Chapters 11-14, and adopts a new Chapter 15 to Title 20 (Environment) of the District of Columbia Municipal Regulations (DCMR). The Proposed Rulemaking is published in this volume of the *DC Register* or is available for review at www.ddoe.dc.gov.

The proposed rules are necessary to amend general conformity requirements and adopt new transportation conformity regulations that will help develop and implement the air quality State Implementation Plan (SIP). The air quality SIP includes conformity of federal actions based on the federal Clean Air Act, §§ 110 and 171-193 (Part D), 42 U.S.C. §§ 7410 and 7501 *et seq.*, as amended. The federal conformity regulations in 40 CFR §§ 93.100 - .160 establish standards and procedures to follow when evaluating the conformity of federal projects to all applicable implementation plans.

Transportation conformity is a way to ensure that federal funding goes to transportation activities that are consistent with national, regional, and local air quality goals. A transportation conformity determination demonstrates that the total emissions projected for a plan or program are within the emissions limits established by the SIP, and that transportation control measures are implemented in a timely fashion. Transportation conformity applies to transportation plans, transportation improvement programs, and projects funded or approved by the Federal Highway Administration or the Federal Transit Administration in areas that do not meet or previously have not met air quality standards for ozone, carbon monoxide, particulate matter, or nitrogen dioxide. These areas are known as "nonattainment" and "maintenance" areas. The District of Columbia is currently in nonattainment for ozone and the annual fine particulate matter (PM_{2.5}) standard. The District is also a maintenance area for the daily PM_{2.5} standard and carbon monoxide.

Individuals who wish to testify should contact Cecily Beall at 202-535-2626 or by e-mail at Cecily.beall@dc.gov by 4:00 P.M. May 26, 2009. E-mail submissions should include the full name, title, and affiliation, if applicable, of the person(s) wishing to testify.

DISTRICT OF COLUMBIA OFFICE OF PLANNING**NOTICE OF AVAILABILITY OF THE FLORIDA AVENUE MARKET
SMALL AREA PLAN FOR PUBLIC COMMENT
AND CONVENING OF A PUBLIC HEARING**

ACTION: Notice of Availability of the Florida Avenue Master Plan Draft for Public Comment and Convening of a Public Hearing.

SUMMARY: The Office of Planning, working with its consultant team, began creating the Florida Avenue Market Small Area Plan (Plan) in the spring of 2007. The purpose of this study was to evaluate the existing infrastructure, the economic vitality, and the historic significance of the market area in order to prepare a Small Area Plan. The Plan provides a framework for the strategic redevelopment of the Florida Avenue Market (Study Area), which is located in Ward 5 adjacent to the neighborhoods of Trinidad, NoMA, and NearNortheast. The vision is to transform the Study Area into a vibrant, mixed-use neighborhood that protects the look and feel of the historic retail markets, while also providing a basis for new development and rehabilitation. The Plan will be used to guide and evaluate future development proposals for the Study Area.

The Office of Planning (DCOP) has published for public review and comment a draft Florida Avenue Market Small Area Plan. The Plan presents an analysis of various redevelopment opportunities within the study area. DCOP emphasizes that the findings, conclusions and development scenarios in the draft Plan are conceptual. The draft Plan conveys a shared vision for the Study Area, records the Guiding Principles that were developed through the community-based planning process, provides land use and zoning recommendations and illustrates several conceptual development options. It also includes an implementation strategy with recommendations to achieve the specific goals of the plan. The plan provides residents, land owners, developers, city officials and District agencies with a framework to guide future development in the Study Area. Ultimately, the Plan requires review, consideration and, as appropriate, adoption by the District of Columbia City Council. If adopted, the project would require action by a number of DC agencies, as well as the non-governmental and private sectors.

DCOP is providing a 30-day public comment period on the draft Plan. Comments can be submitted to DCOP between April 17, 2009 and May 18, 2009. Information on how to submit comments is set forth below.

The DCOP, working in collaboration with the cooperating agencies, will consider all public comments on the draft Plan and make its final recommendations to the Mayor of the District of Columbia. Subsequently, the Mayor will submit an approval resolution and a Revised Plan to the District of Columbia Council for consideration. The Council will provide additional opportunities for public comment, and will make its final decision regarding the approval of the Small Area Plan. The Mayor, through the cooperating agencies, will implement the plan.

DISTRICT OF COLUMBIA WATER AND SEWER AUTHORITY

NOTICE OF PUBLIC HEARING

Wednesday, June 10, 2009
6:30 p.m.

Council of Governments
777 North Capitol Street, NE
Washington, D.C. 20002
First Floor Training Room

The Board of Directors of the District of Columbia Water and Sewer Authority, in accordance with Section 216 of the Water and Sewer Authority Establishment and Department of Public Works Reorganization Act of 1996, effective April 18, 1996, (D.C. Law 11-111; D.C. Code § 34-2202.16), will conduct a public hearing at the above-stated date, time, and place, to receive comments on proposed rules, which, if adopted, would replace existing rules and establish new rates for retail water and sewer service, impervious surface area charge and establish a new Right-of-Way Occupancy/ Pilot fee, effective October 1, 2009.

The proposed rules are published elsewhere in this edition of the *D.C. Register*.

Each individual or representative of an organization who wishes to present testimony at the public hearing is requested to furnish his or her name, address, telephone number and name of organization (if any) by calling 787-2330 or emailing the request to Lmanley@dcwasa.com no later than 5:00 p.m., Monday, June 8, 2009. Other persons wishing to present testimony may testify after those on the witness list. Persons making presentations are urged to address their statements to relevant issues.

Oral presentations by individuals will be limited to five (5) minutes. Oral presentations made by representatives of an organization will not be longer than ten (10) minutes. Statements should summarize extensive written materials so there will be time for all interested persons to be heard. Oral presentations will be heard and considered, but for accuracy of the record, all statements should be submitted in writing. The hearing will end when all persons wishing to make comments have been heard.

Written testimony may be submitted by mail to Linda R. Manley, Secretary to the Board, District of Columbia Water and Sewer Authority, 5000 Overlook Ave., S.W., Washington, D.C. 20032, or email Lmanley@dcwasa.com. Such written testimony is to be clearly marked "Written Testimony for Public Hearing, June 10, 2009" and received by 5: 00 p.m. Monday, June 8, 2009.
