## Sec. 2. Definitions.

- (5) "Electric company" shall have the same meaning as provided in the fifteenth unnumbered paragraph, beginning "The term "electric company"", of section 8(1) of An Act Making appropriations to provide for the expenses of the government of the District of Columbia for the fiscal year ending June thirtieth, nineteen hundred and fourteen, and for other purposes, approved March 4, 1913 (37 Stat. 976; D.C. Official Code § 34-207).

The sufficiency of the amount of the federal funds obtained shall be determined by the Commission. The Commission shall make a determination of the sufficiency of federal funds within no more than 60 days after the receipt of notice from the electric company of the amount of federal funds awarded.

(b) The electric company may establish a regulatory asset for the costs, net of the amount of the ARRA funds received, including depreciation and amortization expense, incurred by the electric company between base rate cases for the implementation of Advanced Metering Infrastructure, including the amortization expense of the Meter Data Management System, the depreciation expense on the AMI meters, and the undepreciated net book costs of the meters replaced by the AMI meters. The regulatory asset shall accrue a return at the electric company's authorized rate of return on the balance in the regulatory asset.
