June 30, 2009

To approve the proposed Bellevue Neighborhood Investment Plan.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Bellevue Neighborhood Investment Plan Approval Resolution of 2009".

Sec. 2. Pursuant to section 3(a)(3) of the Neighborhood Investment Act of 2004, effective March 30, 2004 (D.C. Law 15-131; D.C. Official Code § 6-1072(a)(3)), the Mayor transmitted to the Council the proposed Bellevue Neighborhood Investment Plan ("Plan").

Sec. 3. The Council finds that:

(a) The Plan is located in Ward 8 and includes the neighborhood of Bellevue and is defined by the following boundaries:

- (1) Galveston Street, S.W., on the south;
- (2) First Street, S.E., on the east;
- (3) Halley Street, S.E., on the north; and
- (4) Interstate 295 on the west.

(b) The Plan was initiated in February 2009 by the Office of Planning.

(c) The goals and strategies of the Plan are as follows:

(1) Enhance Bellevue commercial areas to attract and retain neighborhood-serving retail establishments;

(2) Encourage enhanced marketing and promotion to attract new neighborhood-serving retail establishments;

(3) Offer technical assistance and support to existing small businesses;

(4) Increase homeownership housing types and choices and encourage new mixed-use, mixed-income development by:

(A) Targeting homeownership assistance and support programs to increase the target area's homeownership rate; and

(B) Creating new mixed-income housing opportunities through infill development of vacant or underutilized lots;

(5) Improve neighborhood business district development through streetscape and

ENROLLED ORIGINAL

public space improvements;

(6) Fund streetscape and public space maintenance programs to improve cleanliness, safety, and beautification;

(7) Support vocational job training, life skills, and career development services, especially for area youth and at-risk populations by:

(A) Creating new or expand existing adult education and basic skills courses, and

(B) Linking area youth to jobs and mentoring opportunities with Ward 8 nonprofit organizations and religious institutions;

(8) Support programs and activities that engage the community and promote public safety; and

(9) Fund programs and services to achieve safer neighborhoods, including better street lighting and neighborhood watch groups.

(d) The Plan is the result of a collaborative planning process between Advisory Neighborhood Commissions, community groups, neighborhood institutions, the faith community, representatives of the business community, other neighborhood stakeholders, the Ward 8 Councilmember, District government agencies, and the Office of Planning.

(e) The Plan is designed to ensure that expenditures from the Neighborhood Investment Fund are used to supplement, rather than supplant, operating and capital dollars already appropriated to District of Columbia agencies for similar purposes. The Plan also seeks to coordinate the expenditures of operating and capital dollars already appropriated to District of Columbia government agencies to support neighborhood goals. This was accomplished through an extensive policy review of existing plans, and citizen-based prioritization and input on major investments strategies and goals outlined in the Plan.

(f) The Plan was published and made available to the public on April 3, 2009.

(g) The Plan was submitted to the affected Advisory Neighborhood Commissions, community groups, neighborhood institutions, the faith community, representatives of the business community, and other neighborhood stakeholders for a comment period of one month.

Sec. 4. The Plan is approved as submitted.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 602(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

To declare the sense of the Council to consent to the proposed uses of Parcel B West of the old convention center site.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council to Consent to the Proposed Uses of Parcel B West of the Old Convention Center Site Resolution of 2009".

Sec. 2. Findings.

The Council finds that:

(1) A request for proposals for the redevelopment of the old convention center site was issued by the Mayor in September 2002.

(2) The development team of Hines/Archstone was selected pursuant to the request for proposals.

(3) The Mayor transmitted to the Council an exclusive rights agreement for the disposition of the old convention center site and the Council approved the disposition of the old convention center site pursuant to the Revised Old Convention Center Site Disposition Approval Resolution of 2005, effective June 7, 2005 (Res. 16-165; 52 DCR 5902), and the Revised Old Convention Center Site Exclusive Right Agreement Approval Resolution of 2005, effective June 7, 2005 (Res. 16-166; 52 DCR 5903).

(4) The exclusive rights agreement provides the District a right to exclude all or any portion of the B Parcels from the parcels leased to Hines/Archstone.

(5) The exclusive rights agreement also includes a provision at the end of section 4.10 which states that the determination of the final uses of the B Parcels shall be made only in accordance with a Sense of the Council Resolution that confirms the Council's consent to the proposed use or uses of the B Parcels if the B Parcels are included as part of the parcels leased to Hines/Archstone.

(6) The Mayor and Hines/Archstone have negotiated to include the western portion of the B Parcels, such portion known as Parcel B West, as part of the leased parcel.

(7) The planned redevelopment of the site includes the construction of a total of approximately 1,92 million square feet, consisting of 320,000 square feet of retail,

ENROLLED ORIGINAL

approximately 458 rental units (20% affordable), approximately 216 for-sale units (20% affordable), approximately 517,000 square feet of office, a hotel with 300 to 400 rooms, the reconstruction of 10th and I Streets, N.W., a public park on the northwest corner, and a public plaza and alleyways with retail.

(8) The proposed uses of Parcel B West hotel or residential uses, which may include retail, entertainment, cultural, and ancillary components, or a stand-alone retail complex, which may include entertainment, cultural, and ancillary uses.

(9) The planned redevelopment of the site will result in the generation of more than \$35 million of direct, annual tax revenues, 2,500 jobs, and \$12 million in public space improvements. Furthermore, the project will include a public park and a public plaza which will host outdoor entertainment events and festivals. The Parcel B West uses will complement those on the balance of the site and will provide for a well-rounded and appropriate balance of uses throughout the project. On Parcel B West, the planned hotel and retail will generate approximately 1,320 additional jobs.

Sec. 3. Sense of the Council.

It is the sense of the Council that the proposed uses of Parcel B West of the old convention center site are in the interests of the District and the Council consents to the proposed uses.

Sec. 4. Transmittal.

The Secretary to the Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Effective date.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sales Tax Applicability Date Clarification Emergency Declaration Resolution of 2009".

Sec. 2. (a) The Council has previously passed the repeal of the sales tax holiday in Title VII, Subtitle B of the Fiscal Year 2010 Budget Support Act of 2009 (Bill 18-203).

(b) As it is unclear as to when the act will go into effect, the Office of the Chief Financial Officer has asked for clarification on the applicability date of that subtitle so it may properly administer the law.

To declare the existence of an emergency with respect to the need to have the Mayor report to the District the number of jobs created by the American Recovery and Reinvestment Act of 2009 that are filled by District residents, and to quantify the number of District residents who are hired by contractors, groups, and nonprofit organizations who receive funding pursuant to the American Recovery and Reinvestment Act of 2009.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Stimulus Accountability Emergency Declaration Resolution of 2009".

Sec. 2. (a) There exists an immediate need to list all jobs that are created in the District of Columbia as a result of the American Recovery and Reinvestment Act of 2009, approved February 17, 2009 (Pub. L. No. 111-5; 98 Stat. 1861) ("ARRA"), in a central location, as currently there is no specific location for unemployed District residents to seek out ARRA jobs.

(b) There is also an immediate need for the Council to authorize the Mayor, through the District Department of Employment Services, to track the number of jobs that are created pursuant to the ARRA.

(c) The ARRA requires that jurisdictions properly track where all stimulus funds are spent.

(d) Finally, it is important that this information be made available to District residents immediately to address our current unemployment rate and to begin tracking the federal money that the District receives as a result of the ARRA.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Stimulus Accountability Emergency Act of 2009 be adopted after a single reading.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

June 30, 2009

To declare the existence of an emergency with respect to the need to clarify that the public access channels allocated to the Council shall be under the exclusive control of the Council.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Council Cable Autonomy and Control Emergency Declaration Resolution of 2009".

Sec. 2. (a) Section 803(a)(4) and (5) of the Cable Television Reform Act of 2002, effective October 9, 2002 (D.C. Law 14-193; D.C. Official Code § 34-1258.03(a)(4) and (5)) ("act"), provides that "at least one PEG channel on the analog tier shall be assigned and allocated to the Council for use as a government channel," and that "at least one PEG channel on the analog tier shall be assigned and allocated to the Mayor for use as a government channel."

(b) In accordance with section 803 of the act, the Council was assigned Channel 13 and the Mayor was assigned Channel 16. The act contemplates that additional channels will be assigned and allocated to the Council and the Mayor.

(c) On Thursday, June 25, 2009, pursuant to an investigation being conducted by 2 committees of the Council, the committees took a deposition that, at the request of the deponent, was open to the public in the John A. Wilson Building. The Office of Cable Television made a video recording of the deposition.

(d) The chairpersons of the investigating committees made the judgment that broadcast of the deposition might impair the integrity of the investigation by permitting future witnesses in the investigation to base their testimony on the broadcast testimony. There is also a substantial risk that the testimony of future witnesses would be influenced consciously or subconsciously by the broadcast testimony.

(e) The chairpersons directed the Office of Cable Television and Telecommunications to withhold the broadcast of the deposition until such later time as to protect the integrity of the investigation. The Office of Cable Television and Telecommunications ignored the directive and broadcast the deposition on more than one occasion.

(f) The failure to follow the direction of the Council on whether to broadcast or re-

ENROLLED ORIGINAL

broadcast a deposition in an investigation constitutes a serious imposition on the authority of the Council to control Channel 13, and any additional channels assigned and allocated to the Council, and on the oversight and investigatory functions of the Council. Executive branch control of the Council's cable channel programming in this and other instances threatens the independence and autonomy of the Council and is an unacceptable encroachment into the affairs of the Council, and inconsistent with the principles of separation of powers.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Council Cable Autonomy and Control Emergency Amendment Act of 2009 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to substantially amend the Consolidated Plan for the District of Columbia, Fiscal Year 2009 Action Plan to enable the District of Columbia to receive federal Homelessness Prevention and Rapid Re-Housing funds.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Substantial Amendment to the Consolidated Plan, Fiscal Year 2009 Action Plan Emergency Declaration Resolution of 2009".

Sec. 2. (a) There exists an immediate need to amend the Consolidated Plan for the District of Columbia, Fiscal Year 2009 Action Plan, ("Substantial Amendment") to ensure that the District receives \$7,489,476 in funding as a grant under the American Recovery and Reinvestment Act of 2009, approved February 17, 2009 (Pub. L. 111-5; 123 Stat. 115) ("Recovery Act"). The grant is available under the federal Homelessness Prevention and Rapid Re-Housing Program ("HPRP").

(b) The Department of Housing and Community Development ("DHCD") serves as the key contact for HPRP funds, with participation from relevant District agencies, including, the Department of Human Services, Department of Health, HIV/AIDS Administration, Office of Victim Services, Office of the Tenant Advocate, Child and Family Services Agency, Department of Mental Health, Department of Employment Services, and Office on Aging.

(c) DHCD has maintained a vigorous effort to notify and engage the public concerning the availability of the grant funds.

(d) DHCD released a draft Substantial Amendment on April 22, 2009, available on DHCD's website (www.dhcd.dc.gov), and in specified public locations, in advance of a public hearing held on April 29, 2009. The public comment period opened on April 22, 2009, and remained open through May 6, 2009, affording the public the opportunity to submit comments in person at the hearing, by email to HPRP@dc.gov, or by U.S. Mail, throughout that period.

(e) The U.S. Department of Housing and Urban Development ("HUD") notified DHCD on June 26, 2009, that they would like to make a public presentation of the HPRP funding award to the District on or before July 3, 2009.

ENROLLED ORIGINAL

(f) HUD also notified DHCD that HUD requires Council approval of the Substantial Amendment to provide for the implementation of the HPRP in order for the District to receive the grant.

(g) The Council resolution needs to be approved and delivered to HUD prior to HUD's presentation on or before July 3, 2009.

(h) Failure to obtain Council approval of the Substantial Amendment before the HUD imposed deadline will preclude the District from receiving the HPRP funds.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Substantial Amendment to the Consolidated Plan, Fiscal Year 2009 Action Plan Emergency Approval Resolution of 2009 be adopted on an emergency basis.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

June 30, 2009

To approve, on an emergency basis, a substantial amendment to the Consolidated Plan for the District of Columbia, Fiscal Year 2009 Action Plan to provide for the implementation of the Homelessness Prevention and Rapid Re-Housing Program.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Substantial Amendment to the Consolidated Plan, Fiscal Year 2009 Action Plan Emergency Approval Resolution of 2009".

Sec. 2. The Council finds that:

(1) The primary objective of the Consolidated Plan for the District of Columbia, Fiscal Year 2009 Action Plan, effective July 15, 2009 (Res. 17-698; 55 DCR 8405) ("Action Plan"), is the development of a viable urban community by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income individuals and families.

(2) The Action Plan is the successor to the Community Development Program pursuant to regulations issued by the U.S. Department of Housing and Urban Development ("HUD") under 24 CFR Part 91, Consolidated Submissions for Community Planning and Development Programs, on January 5, 1995.

(3) Congress has designated \$1.5 billion for communities to provide financial assistance and services to either prevent individuals and families from becoming homeless or help those who are experiencing homelessness to be quickly re-housed and stabilized. Funding availability for this program was created under Title XII of Division A of the American Recovery and Reinvestment Act of 2009, approved February 17, 2009 (Pub. L. 111-5; 123 Stat. 115) ("Recovery Act"). The program is referred to as the Homelessness Prevention and Rapid Re-Housing Program ("HPRP").

(4) As required under the Recovery Act, funds will be allocated according to the formula used for the Emergency Shelter Grants Program. Pursuant to HUD's discretion under the Recovery Act, HUD has set a minimum grant amount of \$500,000 to eligible applicants.

(5) Under the Recovery Act, the District is eligible to receive up to \$7,489,476 and has requested that amount.

ENROLLED ORIGINAL

(6) In order to receive these funds, the District of Columbia, as an eligible grantee, must submit a substantial amendment to the Action Plan.

(7) The District's plan for using the funds, which was developed jointly by the Department of Housing and Community Development and the Department of Human Services, is set forth in the substantial amendment and is designed to achieve the following goals:

(A) Goal 1: Prevent people from becoming homeless;

(B) Goal 2: Divert people who are applying for shelter, when appropriate, into other housing; and

(C) Goal 3: Help people who become homeless to quickly move into permanent housing.

Sec. 3. The Council approves the substantial amendment to the Action Plan and the necessary actions to accept and utilize the HPRP funds.

Sec. 4. The Secretary to the Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement of the Chief Financial Officer as the fiscal impact statement required by section 602(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

Sec. 6. This resolution shall take effect immediately.
