

**ALCOHOLIC BEVERAGE REGULATION ADMINISTRATION
ALCOHOLIC BEVERAGE CONTROL BOARD**

NOTICE OF A PUBLIC HEARING ON THE

**Request made by Advisory Neighborhood Commission 2E (ANC 2E) to
continue the Georgetown Liquor License Moratorium Zone
With Two Additional ABC Licenses**

The Alcoholic Beverage Control Board (Board) announces a public hearing to receive testimony on the request of ANC 2E to continue the Georgetown Liquor License Moratorium Zone with two additional ABC licenses when the existing moratorium expires.

The current Georgetown Liquor License Moratorium Zone is set to expire on April 14, 2010. The Georgetown Moratorium Zone extends approximately eighteen (1800) hundred feet in all directions from the intersection of Wisconsin Avenue, NW, and N Street, NW, Washington, DC. ANC 2E has requested that the Board expand the existing moratorium to add two additional new licenses to increase flexibility somewhat in recognition of the large number of licenses in safekeeping. ANC 2E's written submission indicates that the moratorium has worked well and that ANC 2E supports the continuation of the moratorium as described above.

The public hearing will be held on Wednesday, March 24, 2010 at 3:00 p.m. at 1250 U Street, NW, 2nd Floor Board Hearing Room, Washington, D.C. 20009. Individuals who wish to testify should contact Cynthia Simms at (202) 442-4496 or by e-mail at cynthia.simms@dc.gov by March 19, 2010. E-mail contacts should include the full name, title, and affiliation -- if applicable -- of the person(s) testifying. Witnesses should bring seven (7) copies of their written testimony to the Board.

If you are unable to testify and wish to comment, written statements are encouraged and will be made a part of the official record. Copies of written statements should be submitted to Charles Brodsky, Chairman, Alcoholic Beverage Control Board, 1250 U Street, NW, 3rd Floor, Washington, D.C. 20009, no later than 4:00 p.m., Tuesday, April 6, 2010.

EXECUTIVE OFFICE OF THE MAYOR**NOTICE OF PUBLIC HEARING****Fiscal Year 2011 Budget for Public Schools in the District of Columbia****Tuesday, March 9, 2010****9:30 am****Smothers Elementary School****4400 Brooks Street, NE****Washington, DC 20019**

The Mayor of the District of Columbia, or the individual to whom he may delegate his authority, will hold a public hearing on the Fiscal Year 2011 budget for public schools. The hearing will be held on Tuesday, March 9, 2010 at 9:30 am at Smothers Elementary School, 4400 Brooks Street, NE, Washington, DC 20019.

The purpose of the hearing is to solicit the views of the public on levels of public funding to be sought in the FY 2011 operating budget for the public schools, pursuant to the District of Columbia Official Code § 38-917. Specifically, the Mayor wishes to receive testimony and exhibits regarding those subjects identified in DC Official Code § 38-917(4):

- The current and prospective educational needs of the pupils in the District of Columbia public schools, educational programs that can address these needs, and support systems needed for safety and efficiency;
- The relative levels of support provided in recent years and sought in the current budget requests for the District of Columbia public schools and other agencies of the District government that support youth;
- The programs and levels of funding supported by the findings of relevant professional studies and commissions; and
- The levels of funding for public school systems in surrounding jurisdictions that have reputations for providing high quality education to their students.

Members of the public are invited to testify. Testimony may be limited to three minutes per witness and five minutes per organization or group. **Those wishing to testify should contact Ahnna Smith in the Office of the Deputy Mayor for Education via email at ahnna.smith@dc.gov or by telephone at (202) 724-0696 by 3 pm on Monday, March 8, 2010.** Witnesses should bring three (3) copies of their written testimony to the hearing.

Members of the public may submit written testimony which will be made part of the official record. Copies of written statements should be submitted to Ahnna Smith, Special Assistant, Office of the Deputy Mayor for Education, 1350 Pennsylvania Ave., NW, Room 303, Washington, DC 20004, no later than **3 pm on Monday, March 8, 2010.** The official record of this hearing shall be transmitted to the Council of the District of Columbia at or before the hearing held by the Council pursuant to DC Official Code § 38-917(3).

If there are members of the public who need interpretation services, please contact **Ahnna Smith in the Office of the Deputy Mayor for Education via email at ahnna.smith@dc.gov or by telephone at (202) 727-0696.**

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF RESCHEDULED¹ PUBLIC HEARING**

TIME AND PLACE: **Thursday, May 13, 2010, @ 6:30 p.m.**
Office of Zoning Hearing Room
441 4th Street, N.W., Suite 220-South
Washington, D.C. 20001

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 09-21 (Text and Map Amendment to Create and Implement the Union Station North (USN) District)

THIS CASE IS OF INTEREST TO ANC 6C

On December 8, 2009, the Office of Planning filed a memorandum that served as a petition requesting amendments to the Zoning Regulations. The proposed text and map amendments would permit and guide development of the air rights over the railroad tracks north of Union Station.

The Zoning Commission set down this case for a public hearing on December 14, 2009. The Office of Planning's memorandum served as its prehearing statement.

SUMMARY

The Office of Planning proposes to create a new stand-alone zone called Union Station North, or USN. USN would consist of bulk and design provisions, including height, density, parking and street frontage requirements, as well as provisions necessary for the unique conditions associated with developing 14 acres over an active rail yard. USN would also establish a Zoning Commission design review and approval process, similar to that used in the Capitol Gateway Overlay, with a set of review criteria to evaluate development applications. The Office of Planning also proposes related text amendments to achieve the purposes of the USN zone and to properly administer applications submitted pursuant to the new zone. The proposed zone would only be applicable from the elevation of the air-rights lots and above. Most of the area of the air-rights lots begins at an elevation of 80 feet above sea level and a smaller percentage begins at 70 feet above sea level. The land below the air-rights lots would retain its C-M-3 and M zoning. The following summarizes some of the specific points of the new zone.

The following paragraphs have been provided by the Office of Planning.

Purposes of the New Zone

In addition to achieving the goals of the Comprehensive Plan, the main objective of guiding the USN zone is to reconnect the city from east to west. Development on the air-rights lots should take whatever steps possible to reconnect this part of the city. This sentiment is further

¹ This case was originally scheduled for a hearing on March 15, 2010.

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 2

recognized by other purposes of the zone that call for an active streetscape, a mix of uses and a walkable environment. Another important purpose of the USN zone is to ensure that new development relates positively to its surroundings. Development on the subject site should minimize impacts to other properties, including light, air, noise and odor impacts.

Union Station Platform

Two platforms will be built over the railroad tracks to support the buildings to be built above the tracks. One platform will be built south of H Street and one north of H Street. Collectively they are known as the Union Station Platform or platform.

Single Buildings for Zoning Purposes

Over a 14 acre site with only one public street – H Street – crossing it, there are likely to be building pads that do not front on a public street, although the platform that connects them would. The USN zone, therefore, would recognize all interconnected structures south of H Street as one building, and all interconnected structures north of H Street as one building, regardless of whether there is communication between the structures above the level of the platform. This would allow all “building units” to be considered to front on H Street.

Height

The USN zone proposes to measure height from the level of the H Street sidewalk in front of the buildings, in conformance with the Height Act. The maximum proposed height is 130 feet.

FAR and Mix of Uses

The USN zone provides for a maximum density of 6.5 FAR for any single building. The zone also puts a strong emphasis on a mix of uses, including residential. The Office of Planning proposes Zoning Commission review criteria that would promote a mix of uses, and a specific requirement for the phasing of residential uses during build out of properties in the USN zone.

Design Review

The proposed text amendment calls for Zoning Commission design review of any buildings, structures, parks or plazas in the USN zone. Design review applications could be a Stage 1, Stage 2, or Consolidated application, with the scope of those applications similar to their PUD counterparts, and with specific review criteria to guide evaluations. A Stage 1 application would examine the arrangement of building units on the site, the massing of building units, the mix of uses, the size and layout of streets and other transportation ways, and the functioning of parking and loading. A Stage 2 application would examine the outward appearance of building units, the design of landscape and hardscape areas, the functionality of transportation ways and the internal

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 3

layout of uses. A Consolidated application would examine all aspects of design using all the evaluative criteria. Applications could be for either a portion of the site or the entire subject property.

PROPOSED MAP AMENDMENT

Rezone from C-M-3 and M to USN the air rights lots known as Square 717, Lots 7001 and 7002 and Square 720, Lots 7000 and 7001.

PROPOSED TEXT AMENDMENT

Title 11 DCMR (Zoning) is proposed to be amended as follows:

Add a new Chapter 29, “Union Station North (USN) District”

CHAPTER 29 UNION STATION NORTH (USN) DISTRICT

2900 PREAMBLE

2900.1 The Union Station North (USN) District is a Unique Location District created to implement the Comprehensive Plan and other public policy goals and objectives.

2900.2 Unique Location Districts are intended to apply to single large sites that require a cohesive, self-contained set of regulations to guide site design, building height and bulk, or other aspects of development.

2900.3 The USN District recognizes the unique characteristics and development constraints of the site and provides for appropriate, site specific methods for the measurement of height and density.

2900.4 The USN District shall constitute the Zoning Regulations for the geographic area referred to in § 2901.1. Where there are conflicts between this chapter and other chapters of this title, the provisions of the USN District shall govern.

2900.5 When used in this Chapter, the term “Transportation Way” means any piece of infrastructure, the intent of which is to convey people or goods from one place to another. Examples include, but are not limited to, sidewalks, stairs, elevators, fixed guideways for transit, and streets. Transportation ways may be either on, above or below ground, and may be either publicly or privately owned. Transportation ways do not include internal components of any portion of a building.

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 4

2901 APPLICABILITY

2901.1 The USN District is mapped on the following squares and air rights lots, as described in the official records of the District Recorder of Deeds:

- (a) Square 717, Lots 7001 and 7002 (between H and K Streets, N.E.); and
- (b) Square 720, Lots 7000 and 7001 (between Union Station and H Street, N.E.).

2901.2 The land and the volume of space below the air rights lots shall not be zoned USN. Development will occur on top of a structural platform that will span the railroad tracks underneath (“the platform”). Pursuant to §§ 2913 and 2914, some uses, including, but not limited to, parking, loading, mechanical, retail, office or residential may occur within the platform.

2902 PURPOSES

2902.1 The purposes of the USN District are to:

- (a) **Implement the Comprehensive Plan** by ensuring that development of the air rights is not inconsistent with the goals and policies of the Comprehensive Plan including:
 - (1) Creating a catalytic development, providing a connection between neighborhoods west of the railroad tracks and east of the railroad tracks with an active streetscape;
 - (2) The infill of an underutilized property near a multi-modal transportation hub, the provision of a mix of high density commercial and residential uses; and
 - (3) Preservation and enhancement of Union Station, and general economic development of the NoMa area and the District of Columbia.
- (b) **Reconnect the City** by creating an urban fabric that will reconnect the H Street commercial corridor to the east, North Capitol Street to the west, NoMa to the north and west, and Union Station to the south;
- (c) **Provide a Suitable Visual Relationship to Surroundings** by ensuring the provision of exemplary architecture for any building in the USN District, and encouraging upper story setbacks and minimized penthouses;

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 5

- (d) **Improve the Character of H Street** by establishing of H Street, N.E., between 1st and 2nd Streets, NE, as an attractive, active, pedestrian oriented street with active ground floor uses and a varied façade;
- (e) **Utilize Transportation Infrastructure** by facilitating development that would take advantage of Union Station's unique combination of local, regional and national investment in pedestrian, bicycle, rail transit, bus transit and intercity rail infrastructure;
- (f) **Establish a Mix of Uses** throughout the USN District including residential and retail, as well as office, hotel and other permitted uses; and
- (g) **Create a Walkable Environment** by requiring suitable ground floor uses, and appropriate site layout and building design.

2903 THE UNION STATION PLATFORM

- 2903.1 The buildings to be erected within the USN will be supported by two platforms erected above the existing tracks and separated by H Street, N.E. (the "Platforms" or the "Union Station Platform").
- 2903.2 In addition to providing structural support, the Platforms may house mechanical equipment, parking areas, and non-residential, residential and retail uses permitted by §§ 2913 and 2914.
- 2903.3 Although portions of a Platform may extend below the volume of an air rights lot, any provision of this Chapter pertaining to the Platform shall apply to the entire structure.

2904 SINGLE BUILDINGS AND BUILDING UNITS

- 2904.1 For the purposes of the USN District each Platform and all improvements constructed thereon are deemed to comprise a single building.
- 2904.2 Any part of a single building that is not connected to any other part other than through the Platform will be hereinafter referred to as a Building Unit.

2905 HEIGHT

- 2905.1 **The maximum height** of a building or structure shall not exceed 130 feet.
- 2905.2 **The measurement of building height** may be taken from the elevation of the sidewalk on the H Street bridge at the middle of the front of the buildings, to the

**Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 6**

highest point of the roof or parapet rather than from grade as would otherwise be required by § 199.

2906 ROOFTOP PENTHOUSES

2906.1 Rooftop penthouses not intended for human occupation, such as penthouses over mechanical equipment, a stairway, or an elevator shaft shall be erected or enlarged pursuant to §§ 770.6 through 770.8.

2906.2 Such a penthouse shall not exceed eighteen feet, six inches (18 ft., 6 in.), in height above the roof upon which it is located. Mechanical equipment shall not extend above the permitted eighteen foot, six inch (18 ft., 6 in.), height of the housing.

2906.3 A penthouse not intended for human occupancy may be erected to a height in excess of that authorized in the USN district subject to the provisions of the Height Act.

2906.4 Spires, towers, domes, pinnacles or minarets serving as architectural embellishments, ventilator shafts, antennas, chimneys, smokestacks, or fire sprinkler tanks may be erected to a height in excess of that which this section otherwise authorizes.

2907 MAXIMUM FLOOR AREA RATIO (FAR) – SINGLE BUILDING

2907.1 The maximum FAR for any single building in the USN district shall be 6.5, which shall be computed in accordance with § 2909.

2908 MAXIMUM NON-RESIDENTIAL FLOOR AREA RATIO (FAR) – DISTRICT-WIDE LIMIT

2908.1 The maximum non-residential FAR for the entire USN District is 5.5, except that until 0.5 FAR of residential uses have been developed, as evidenced by a certificate or certificates of occupancy, the maximum non-residential FAR for the entire USN District is 3.0 FAR.

2908.2 The minimum residential FAR may be apportioned between the building north of H Street and the building south of H Street, provided that the aggregate residential floor area is not decreased.

2909 COMPUTATION OF FAR

2909.1 Computation of the maximum FAR for each building shall be determined by multiplying 6.5 by the area of a single building's lot, subject to the exclusions identified in § 2909.5.

**Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 7**

- 2909.2 Computation of the Maximum non-residential FAR for the entire USN shall be determined by multiplying 3.0 or 5.5, as applicable, by the combined areas of each single building’s lot, subject to the exclusions identified in § 2909.5.
- 2909.3 The lot of the single building north of H Street consists of the area within lots 7001 and 7002 in Square 717.
- 2909.4 The lot of the single building south of H Street consists of the area within lots 7001 and 7000 in Square 720.
- 2909.5 Lot area shall not include private rights-of-way that generally serve the principal entrances to building units. For the purposes of this section such private rights-of-way shall consist of the curb-to-curb width of the roadway plus 16 feet on each side.
- 2909.6 Notwithstanding § 2909.5, lot area shall include private rights-of-way that generally provide access to service, loading or automobile parking areas.
- 2909.7 Until the areas to be excluded from FAR computation are known:
 - (a) Lot area for the purposes of determining the maximum FAR permitted for a single building by § 2907 shall be deemed to equal 85% of the total area of its lot as described in 2909.3 or 2909.4, as applicable; and
 - (b) Lot area for the purposes of determining the minimum residential use and maximum non-residential uses pursuant to § 2908 shall be deemed to equal 85% of the combined lot areas of the two lots described in §§ 2909.3 and 2909.4.
- 2909.8 The term “gross floor area” has the same meaning as defined in § 199, except that the term only applies to the area of all enclosed structures above the top of a platform.

2910 BICYCLE PARKING

2910.1 Bicycle Parking shall be provided as follows:

Type of use	Indoor Spaces	Outdoor spaces
Residential	One (1) for every three (3) units	One (1) for every twenty (20) units, with a minimum of two (2)

**Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 8**

Non-residential	One (1) for every 10,000 square feet of gross floor area, with a minimum of two (2)	One (1) for every 40,000 square feet of gross floor area, with a minimum of two (2)
Retail/service	One (1) for every 10,000 square feet of gross floor area, with a minimum of two (2)	One (1) for every 5,000 square feet of gross floor area, with a minimum of two (2)

- 2910.2 All bicycle parking areas shall be well lit and provide convenient access to the uses they are intended to serve.
- 2910.3 Outdoor spaces may be provided in public space subject to the approval of DDOT.
- 2910.4 All required bicycle parking spaces shall be a minimum of two feet (2 ft.) in width and six feet (6 ft.) in length.
- 2910.5 An aisle five feet (5 ft.) in width shall be provided between rows of bicycle parking spaces and the perimeter of the area devoted to bicycle parking.
- 2910.6 If a room or common locker not divided into individual spaces is used to meet these requirements, twelve square feet (12 ft.²) of floor area shall be considered the equivalent of one (1) bicycle parking space. Where manufactured metal lockers or racks are provided, each locker or stall devoted to bicycle parking shall be counted as one bicycle parking space.
- 2910.8 Signs shall be posted stating where bicycle parking spaces are located in each building or structure where bicycle parking spaces are required. The signs shall be located in a prominent place at each entrance to the building or structure. The sign shall have a white background with black lettering that is no less than two inches (2 in.) in height.

2911 OFF STREET AUTOMOBILE PARKING

- 2911.1 The provisions of Chapter 21 do not apply to the USN District.
- 2911.2 There shall be no minimum number of parking spaces required in the USN District.
- 2911.3 Any parking spaces provided shall be a minimum of eight feet (8 ft.) in width and sixteen feet (16 ft.) in length exclusive of access drives, aisles, ramps, columns and office and work areas.

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 9

2911.4 When parking spaces are so arranged that an aisle is required for accessibility or maneuvering space between rows of two (2) or more parking spaces, or between a row of two (2) or more parking spaces and the perimeter of the area devoted to parking spaces, the aisle shall have a clear width of not less than twenty feet (20 ft.) for ninety degree (90°) angle parking, and not less than sixteen feet (16 ft.) for angle parking that is sixty degrees (60°) or less as measured from the center line of the aisle.

2911.5 Parking spaces need not be located on the same lot with the building or building unit they are intended to serve, but must be located on a lot within or below the USN District.

2912 LOADING

2912.1 Loading shall be provided as required in Chapter 22 for the C-3-C District.

2912.2 The Zoning Commission may, as a special exception, permit the reduction, elimination, relocation or consolidation of loading facilities, provided that the applicant demonstrates that:

- (a) The proposed number of loading facilities will be adequate to serve the related uses;
- (b) The loading facilities are designed such that loading and unloading of service vehicles would be accomplished without the need to move good and materials across public areas;
- (c) The proposed loading facilities would not tend to affect adversely other modes of transportation using the adjacent public or private transportation way, as defined in § 2900.5;
- (d) The proposed loading facilities would not tend to affect adjacent properties adversely; and
- (e) The Commission may impose condition as to screening, lighting, coping, setbacks, fences, location of entrances and exits, widening of abutting transportation ways or any other requirement it deems necessary to protect the adjacent property and the safety and function of other modes of travel.

2913 USES AS A MATTER OF RIGHT

2913.1 Any use permitted in the C-3-C District under § 741 shall be permitted as matter-of-right.

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 10

2914 ACCESSORY USES AND BUILDINGS

2914.1 Any accessory use or building permitted in the C-3-C District under § 742 shall be permitted as an accessory use or building in the USN district.

2915 SPECIAL EXCEPTIONS

2915.1 All uses permitted as special exceptions in the C-1, C-2, and C-3 Districts are permitted as special exceptions in the USN District if approved by the Board of Zoning Adjustment under § 3104.

2916 GROUND FLOOR AREAS REQUIRED TO BE DEVOTED TO PREFERRED USES

2916.1 One hundred percent (100%) of the ground floor H Street frontage of building units shall be occupied by the preferred uses listed in §§ 1710 and 1711, except for space devoted to building entrances or lobbies or space required to be devoted to fire control.

2916.2 Banks or financial institutions identified in § 1710.1(g) shall occupy no more than one hundred (100) total linear feet of ground floor H Street frontage, and no more than 50 feet of ground floor H Street frontage in any one building unit.

2916.3 No single commercial occupancy shall occupy more than 100 total linear feet of ground floor H Street frontage.

2916.4 Retail, service and arts uses on the ground floor of building units shall have a minimum slab to slab height of 14 feet.

2917 ZONING COMMISSION REVIEW

2917.1 All proposed buildings, structures, or any proposed exterior renovation to any existing buildings or structures that would result in an alteration of the exterior design, as well as any associated open spaces such as parks or plazas, shall be subject to review and approval by the Zoning Commission in accordance with the following provisions. No review or approval by the Zoning Commission is required for construction of foundation systems within the USN District.

2917.2 An application may request approval of one or more building units, structures or open spaces, or of an entire single building.

2917.3 An applicant may either request consideration of the application in two stages or through a consolidated review.

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 11

- 2917.4 A Stage 1 Review will examine the arrangement of building units on the site, the general massing and height of building units, the mix of uses, the location of transportation ways, as defined in § 2900.5, the size of streets, the location of open spaces, access to and from the platform, and how these aspects of the site design implement the goals of the USN District, in accordance with the Review Criteria of § 2920.
- 2917.5 A Stage 2 Review will examine for the outward appearance of building units, the design of landscape and hardscape, the functionality of transportation ways, the general location of uses, and how these aspects of the design and architecture implement the goals of the USN District, in accordance with the Review Criteria of § 2922.
- 2917.6 A Consolidated Review will examine all the aspects of design mentioned in §§ 2917.4 and 2917.5 of this subsection, in accordance with the review criteria of §§ 2920 and 2922.
- 2917.4 The Commission may only approve an application that is not inconsistent with the Comprehensive Plan, provides for a mix of uses, is acceptable in a majority of other applicable Review Criteria, generally furthers the purposes of the USN District, and complies with all other requirements of this chapter.

2918 AGENCY REVIEW

- 2918.1 The Office of Zoning shall refer the application to the Office of Planning, the Department of Transportation, Fire and Emergency Services, the Department of the Environment and any other relevant District agencies for review and comment.

2919 STAGE 1 SUBMITTAL REQUIREMENTS

- 2919.1 An applicant requesting approval of a Stage 1 Review Application shall provide:
- (a) A completed application form, as may be authorized from time-to-time by the Director of the Office of Zoning;
 - (b) A written description of the proposal, including which criteria are met and how;
 - (c) Site plans, elevations, renderings, photosimulations, aerial axonometric massing diagrams, or any other suitable materials necessary to describe the project;

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 12

- (d) A circulation plan, including the location of all transportation ways, as defined in § 2900.5, off-street parking spaces and loading berths, including an indication of which spaces are designated for which use, and a reasonable numerical range of the number of parking spaces to be provided;
- (e) A comprehensive transportation assessment for the development under consideration, addressing pedestrian, bicycle, transit and automobile capacity and circulation;
- (f) The area and dimensions of each lot proposed for each building unit and the exact area of the application site;
- (g) The gross floor area and floor area ratio for each building unit, including a break-down for each use, and the total gross floor area and floor area ratio for the building, including a breakdown for each use;
- (h) Estimated quantities of potable water required by the project, and of sanitary sewage and storm water to be generated, including the methods of calculating those quantities; and
- (i) Any other information needed to understand the unique character and problems of developing the projects.

2920**STAGE 1 REVIEW APPLICATIONS**

2920.1

An applicant for a Stage 1 Review shall provide information demonstrating how the application meets the following criteria:

- (a) External Connectivity – The development shall provide pedestrian connections in appropriate and feasible locations to surrounding development and surrounding neighborhoods including Union Station, NoMa west of the railroad tracks, and northern Capitol Hill. A Stage 1 application shall indicate the location of all such proposed connections. Connections are especially encouraged near the intersection of 1st and K Streets, N.E., 2nd and K Streets, N.E. and 2nd and Eye Streets, N.E.;
- (b) Visual Relationship to Surroundings – Provide a suitable massing relationship between proposed building units and adjacent neighborhoods, Union Station and other historic landmarks, and the Federal precincts near the Capitol and the Supreme Court, with particular attention paid to the eastern portion of the property north of Eye Street, N.E. The application should also generally indicate what types of materials would be used on

**Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 13**

the portions of the exterior of the platform constructed pursuant to § 2917.2 that would be visible to the public;

- (c) Transportation Hierarchy – Prioritize the movement of pedestrians, bikes and transit, and provide reasonable accommodation for automobiles. The location of parking and loading access shall not unduly impact the movement of pedestrians and bicyclists;
- (d) Division of Building Form – Avoid monolithic buildings or the creation of excessively large building blocks. Building unit massing and orientation should reflect the pattern of other development in the District. Provide division between building units through the use of streets, sidewalks, paths, plazas and parks, with a main multi-modal access point to both buildings from H Street N.E.;
- (e) Publicly Accessible Space – Any public space provided such as parks or plazas shall be easily visible and accessible;
- (e) Mix of Uses – The application shall demonstrate how the proposal contributes to an overall mix of uses in the USN District;
- (f) Impacts on Surroundings – The proposed development shall not tend to substantially affect nearby properties adversely due to obstruction of light or air or because of noise, odors, or other impacts on air quality, including exhaust from trains. The development shall incorporate sufficient venting mechanisms for railroad uses below the site; and
- (g) Building Livability – Mitigate vibration and noise caused by the movement of trains under residential buildings.

2920.2 Upon approval of a Stage 1 Review Application, the applicant may apply for a building permit to construct any portion of the platform related to that Stage 1 Review Application.

2920.3 An applicant must return to the Commission for review and approval of a Stage 2 Review Application or Consolidated Review Application prior to applying for a building permit or beginning construction for any other portion of the approved Stage 1 Review Application.

2921 STAGE 2 SUBMITTAL REQUIREMENTS

2921.1 An applicant requesting approval of a Stage 2 Review Application shall provide:

- (a) Information required in § 2919.1;

**Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 14**

- (b) Elevations, detail drawings, renderings or other graphics that clearly demonstrate the proposed architectural details, signage, materials to be used, and the lighting scheme for the building units;
- (c) Typical floor plans and sections that show the location of uses, access to uses, points of fenestration, general internal circulation, projections and any other feature necessary to understand the project, and a table showing the floor area of each use;
- (d) A detailed landscaping plan; and
- (e) A list of environmental features and characteristics of the development.

2922 STAGE 2 REVIEW CRITERIA

2922.1 An applicant for a Stage 2 Review shall provide information demonstrating how the application meets the following criteria:

- (a) External connections are designed to provide adequate size, materials, lighting and signage to move users easily and safely;
- (b) A suitable visual relationship is proposed between building units and adjacent neighborhoods, Union Station and other historic landmarks, and the Federal precincts near the Capitol and the Supreme Court, with particular attention paid to the eastern portion of the property north of Eye Street, N.E.;
- (c) Public and publicly accessible areas such as sidewalks, parks and plazas are activated through the use of operational entrances to retail, office, residential and other uses;
- (d) Visual Façade Permeability is provided. Where there are no operational entrances to uses, design of structures fronting on public and publicly accessible areas shall incorporate windows. Or, where windows are not appropriate, minimize, to the extent possible, unarticulated blank walls;
- (e) A high degree of environmental stewardship is demonstrated; Characteristics may include, but not be limited to the following:
 - (1) Onsite energy generation;
 - (2) Rainwater harvesting;

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 15

- (3) Green roofs, including green spaces on the upper surface of the platform;
 - (4) Other landscaping on the upper surface of the platform such as rainwater capturing tree boxes;
 - (5) Use of native species, drought tolerant species, adequate planting depth and efficient irrigation in landscaping;
 - (6) Use of efficient plumbing fixtures and fittings, enhanced insulation and cool roofing;
 - (7) Use of environmentally friendly products in construction and operation;
 - (8) Natural lighting, including large windows, light wells and skylights;
 - (9) Natural ventilation, including balconies, terraces, operable windows and vent shafts; and
 - (10) Minimizing construction waste.
- (f) Residential uses shall incorporate private open space such as balconies and terraces for individual units where practical and architecturally compatible;
 - (g) Public and private open spaces shall incorporate shaded areas and adequate seating capacity;
 - (h) Adequate light and air is provided to all building units in the USN District; and
 - (i) Convenient access is provided from any parking provided to the uses it is intended to serve.

2923**ASSOCIATED RELIEF**

2923.1

Relief from any section of this chapter may be heard and decided by the Commission as a special exception in accordance with § 3104. In addition to the criteria of § 3104, the applicant shall demonstrate that the purposes of the USN District would be met even if the relief were granted.

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 16

2923.2 An applicant requesting approval of a project that would result in nonconformity with the minimum residential or maximum non-residential FAR for the USN District, as established by § 2908, shall demonstrate how the proposal would not be inconsistent with purpose of establishing a mix of uses.

2923.2 The Zoning Commission may hear and decide any additional request for special exception or variance relief for the subject property.

2923.3 Request for relief shall be advertised, heard and decided together with the application for Zoning Commission review and approval.

2924 TIMEFRAME FOR APPROVAL

2924.1 The Zoning Commission may approve timeframes within which time an application must be filed for a building permit or a Stage 2 application must be filed.

2925 MINOR MODIFICATIONS

2925.1 The Zoning Administrator shall have authority to approve minor modifications in the final plans approved by the Zoning Commission as set forth in §§ 2409.6 and 2409.7.

2926 SCHEDULE OF FEES

2926.1 At the time of filing an application with the Zoning Commission, the applicant shall pay the filing fee specified in § 3180.1(b)(16), plus such fees as apply to any additional zoning relief requested. The provisions of § 3181 relating to the administration of fees shall apply, except that the applicant may appeal any decision of the Director regarding the fee schedule to the Zoning Commission, which shall decide the appeal as a preliminary matter to hearing the application.

OTHER AMENDMENTS TO THE ZONING REGULATIONS

- To indicate that the USN District is subject to Inclusionary Zoning and the bonus density granted pursuant to that requirement, amendments to Chapter 26 as follows:

2602.1 Except as provided in § 2602.3, the requirements and incentives of this chapter shall apply to developments that:

- (a) Are mapped within the R-2 through R-5-D, C-1 through C-3-C, USN, CR, SP, or W-1 through W-3 zone districts, unless exempted pursuant to §2602.3; and

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
Z.C. CASE NO. 09-21
PAGE 17

- 2603.2 An inclusionary development of steel and concrete frame construction located in the zone districts stated in §2603.1 or any development located in a C-2-B, C-2-C, C-3, USN, CR, R-5-C, R-5-D, SP, W-2 or W-3- zone district shall devote the greater of 8% of the gross floor area being devoted to residential use or 50% of the bonus density utilized for inclusionary units.
- 2603.4 Developments located in CR, C-2-B through C-3-C, USN, W-2 through W-3, and SP zone districts shall set aside 100% of inclusionary units for eligible moderate-income households.
- To declare that applications pursuant to Chapter 29 would be contested cases, an amendment to § 3010.2(d) as follows:

3010.2(d) Applications for Zoning Commission review and approval pursuant to Chapters 16, ~~and 18~~ and 29 of this Title.
 - To clarify that applications pursuant to Chapter 29 should be scheduled for a hearing upon receipt by the Office of Zoning, an amendment to § 3011.1 as follows:

3011.1 As soon as an application or petition is accepted for filing by the Director of the Office of Zoning, the Director shall place a copy of the application or petition in the public record of the Commission and refer a copy to the D.C. Office of Planning for review and recommendation on whether the matter should be processed further, except that applications for Zoning Commission review and approval pursuant to Chapters 16, ~~and 18~~ and 29 of this Title, which are deemed complete by the Director, shall be immediately scheduled for hearing consistent with the notice provisions of this chapter. The exception from the requirements of this subsection shall not apply to an application for Zoning Commission approval pursuant to § 1606 unless accompanied by a written report of the Office of Planning certifying that the application is compliant with the standards of that section.
 - To clarify that upon receipt by the Office of Zoning, an application pursuant to Chapter 29 should be referred to the Office of Planning, an amendment to § 3012.1 as follows:

3012.1 As soon as an application or petition is set down for public hearing, the matter shall be referred to the D.C. Office of Planning and any other public agencies that may be requested to provide information and assistance, depending on the nature of the case. As soon as an application requesting Zoning Commission review and approval pursuant to Chapters 16, ~~and 18~~ and 29 of this Title is accepted for filing by the Director of the

PAGE 18

Office of Zoning, a copy of the application shall be referred to the D.C. Office of Planning and other appropriate agencies for review and comment. A copy shall also be sent for review and comment to:

- (a) The National Capital Planning Commission of all Chapter 18 applications and those application for approval pursuant to 11 DCMR § 1603; and
 - (b) The Capitol Police Board for those applications for approval pursuant to 11 DCMR § 1606.18.
- To declare that a building permit may be issued for a structure in the USN District, even if that structure is not on a record lot, an amendment to § 3202.3 as follows:

[Note: The following is the text from Z.C. Order No. 09-09, the Trapeze School.]

3202.3 Except as provided in the building lot control regulations for Residence Districts in § 2516 and § 5 of An Act to amend an Act of Congress approved March 2, 1893, entitled “An Act to provide a permanent system of highways in that part of the District of Columbia lying outside of cities,” and for other purposes, approved June 28, 1898 (30 Stat. 519, 520, as amended; D.C. Code, 2001 Ed. § 9-101.05 (formerly codified at D.C. Code § 7-114 (1995 Repl.))), a building permit shall not be issued for the proposed erection, construction, or conversion of any principal structure, or for any addition to any principal structure, unless the land for the proposed erection, construction, or conversion has been divided so that each structure will be on a separate lot of record; Except a building permit may be issued for:

- (a) Buildings and structures related to a fixed right-of-way mass transit system approved by the Council of the District of Columbia;
- (b) Boathouse, yacht club, or marina that fronts on a public body of water, is otherwise surrounded by public park land, and is zoned W-0;
- (c) Any combination of commercial occupancies separated in their entirety, erected, or maintained in a single ownership shall be considered as one (1) structure;
- (d) Trapeze school and aerial performing arts center to be constructed pursuant to § 1804.7; and

Z.C. NOTICE OF RESCHEDULED PUBLIC HEARING
 Z.C. CASE NO. 09-21
 PAGE 19

(e) A structure in the USN District to be constructed on an air rights lot that is not a lot of record.

- To include the Union Station North (USN) Districts in the list of Zone Districts, an amendment to § 105.1 as follows:

(s) Union Station North (USN)

- To allow for parking spaces to be provided on different lots, an amendment to § 2116.1 as follows:

2116.1 Except as provided in §§214, 510, 708, 730, 743.2(d), 753.1(c), 761.2, 803.1, 926, 2116.5, ~~and 2117.9(c)~~ **and 2901.7**, all parking spaces shall be located on the same lot with the buildings or structures they are intended to serve.

- Chapter 31, § 3104.1 is amended by inserting the zone district designation “USN” into the chart appended to § 3104.1, so that the revised chart will read as follows:

TYPE OF SPECIAL EXCEPTION	ZONE DISTRICT	SECTIONS IN WHICH THE CONDITIONS ARE SPECIFIED
Accessory apartment to one-family detached dwelling	R-1 District	§ 202.10
