**GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT**

Application No. 17721-A of Camden Development, Inc., through NOMA Development LLC, pursuant to 11 DCMR § 3104.1, for a special exception from the roof structure design provisions under subsections 411.3, 411.5, and 411.11, to allow the construction of a new 14-story apartment building in the C-3-C District, at premises 60 L Street, N.E. (Square 673, Lot 841).

HEARING DATE (Orig. Application): February 26, 2008

DECISION DATE (Orig. Application): February 26, 2008 (Bench Decision)

FINAL ORDER ISSUANCE DATE (Orig. Application): March 28, 2008

DECISION ON MOTION TO EXTEND ORDER: April 13, 2010

**ORDER ON MOTION TO EXTEND
THE VALIDITY OF BZA ORDER NO. 17721**

The Underlying BZA Order

On February 26, 2008, the Board of Zoning Adjustment (the Board or BZA) approved the Applicant's request for a special exception from the roof structure design provisions under subsections 411.3, 411.5, and 411.11, to allow the construction of a new 14-story apartment building in the C-3-C District. Thus, pursuant to 11 DCMR § 3104.1, the Board granted special exceptions from the roof structure design provisions under subsections 411.3, 411.5, and 411.11, to allow the construction of a new 14-story apartment building in the C-3-C District, at premises 60 L Street, N.E. (Square 673, Lot 841). The Order was issued March 28, 2008. (BZA Order 17721)

Under the Order, and pursuant to § 3130.1 of the Zoning Regulations, the Order was valid for two years from the time it was issued – until March 28, 2010.

Section 3130.1¹ states:

No order [of the Board] authorizing the erection or alteration of a structure shall be valid for a period longer than two (2) years, or one (1) year for an Electronic Equipment Facility(EEF), unless within such period, the plans for the erection or alteration are filed for the purposes of securing a building permit, except as permitted in § 3130.6.

¹ Section 3130.1 was amended by the addition of the phrase "except as permitted in § 3130.6" by the Zoning Commission in Z.C. Case No. 09-01. The amendment became effective on June 5, 2009.

BZA APPLICATION NO. 17721-A

PAGE NO. 2

(11 DCMR § 3130.1)

Motion to Extend

On February 26, 2010, the Board received a letter, dated February 26, 2010, from the Applicant, which requested, pursuant to 11 DCMR §3130.6,² a two-year extension in the authority granted in the underlying BZA Order, which was due to expire March 28, 2010. (Exhibit 33).

The Applicant is requesting a two-year extension in the authority granted in the underlying BZA Order because, due to the deterioration of the real estate market in Washington, D.C., the building is not financially viable at this time. The Applicant provided a signed and notarized affidavit (Exhibit 33, Exhibit B) in which it noted the difficulties and risks it faces unless it can extend the underlying Order. The Applicant's letter indicates that occupancy and rent growth have dropped dramatically for residential properties in the District and that there is an influx of residential buildings sitting vacant. Projects that have gone forward, as well as existing residential projects, have had to make significant concessions to attract tenants. The Applicant concludes that it cannot take the risk in this market that once the project is constructed that it will not be at full capacity, given its carrying costs and construction costs. Moreover, the Applicant has invested a significant sum of money in the site (approximately \$53 million), including spending over \$10 million since the purchase of the Property in the form of architectural design costs, preliminary site preparation, civil engineering, legal fees, and property taxes and interest. The Applicant further clarified that it has no intention of abandoning the Project, but simply needs additional time to allow the residential market to rebound to make the Project successful. (Exhibit 33).

A response to the Applicant's motion was filed by the Office of Planning (OP), which issued a report in support of the time extension.³ (Exhibit 34).

The project is within the boundaries of Advisory Neighborhood Commission (ANC) 6C. While the proposal for a time extension was forwarded to ANC 6C, the ANC did not file a report regarding the motion.

According to the Applicant, the reasons for its request to the Board to extend the time of the Order are because of its inability to proceed without making significant concessions due to the unstable economic market and market conditions in the District. The extension would allow the Applicant the additional time in which to

secure the permits and financing and ultimately tenants. Accordingly, the Applicant requested that, pursuant to § 3130.6 of the Regulations, the Board extend the validity of its prior Order for an additional two years, thereby allowing the Applicant additional time to proceed with the Project.

Criteria for Evaluating Motion to Extend

The Zoning Commission adopted 11 DCMR § 3130.6 in Zoning Commission Case No. 09-01. The Section became effective on June 5, 2009.

Section 3130.6 of the Zoning Regulations states in full:

3130.6 The Board may grant one extension of the time periods in §§ 3130.1 for good cause shown upon the filing of a written request by the applicant before the expiration of the approval; provided, that the Board determines that the following requirements are met:

- (a) The extension request is served on all parties to the application by the applicant, and all parties are allowed thirty (30) days to respond;
- (b) There is no substantial change in any of the material facts upon which the Board based its original approval of the application that would undermine the Board's justification for approving the original application; and
- (c) The applicant demonstrates that there is good cause for such extension, with substantial evidence of one or more of the following criteria:
 - (1) An inability to obtain sufficient project financing due to economic and market conditions beyond the applicant's reasonable control;
 - (2) An inability to secure all required governmental agency approvals by the expiration date of the Board's order because of delays that are beyond the applicant's reasonable control; or

BZA APPLICATION NO. 17721-A

PAGE NO. 4

- (3) The existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control.

(11 DCMR § 3130.6)

The Board finds that the Applicant has met the criteria set forth in this provision. The filing of the motion on February 26, 2010, prior to the expiration date, tolled the effect of the order. The request was served on all the parties to the application and those parties were given 30 days in which to respond under § 3130.6(a). The Applicant's inability to secure the necessary permits and financing and the poor economic conditions in the District constitute the "good cause" required under § 3130.6(c)(1).

As required by § 3130.6(b), there is no substantial change in any of the material facts upon which the Board based its original approval. In requesting this extension of the Order, the Applicant's plans for development of the site would be unchanged from those approved by the Board in its Order dated March 28, 2008 (Exhibits No. 10, 28 and 30 in the record). There have been no changes to the zone district classification applicable to the property or to the Comprehensive Plan affecting this site since the issuance of the Board's Order.

Neither the ANC nor any party to the application objected to an extension of the Order. The Board concludes that the extension of that relief is appropriate under the current circumstances.

Accordingly, pursuant to § 3130.6 of the Regulations, the Board hereby extends the validity of the underlying Order, as conditioned, for a period not to exceed two years from the current expiration date, thereby establishing a new expiration date of March 28, 2012.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this request for extension of time be **GRANTED** until March 28, 2012.

THE VALIDITY OF BZA ORDER NO. 17749**

The Underlying BZA Order

On May 6, 2008, the Board of Zoning Adjustment (the Board or BZA) approved the Applicant's request for variance relief from the nonconforming structure provisions under § 2001.3 and special exceptions from the roof structure provisions under § 411.11 and the ARTS use requirement limiting eating and drinking establishments to no more than 25% of the linear foot frontage along the portions of 14th and U Streets within the ARTS Overlay District under § 1906.1, to create a mixed-use residential and retail development in the ARTS/C-3-A District. Thus, pursuant to 11 DCMR §§ 3103.2 and 3104.1, the Board granted a variance from the nonconforming structure provisions under § 2001.3 and special exceptions from the roof structure provisions under § 411.11 and the ARTS use requirement limiting eating and drinking establishments to no more than 25% of the linear foot frontage along the portions of 14th and U Streets within the ARTS Overlay District requirements under § 1906.1, to create a mixed-sue residential and retail development in the ARTS/C-3-A District, at premises 1625, 1627-29, and 1631 14th Street, N.W. (Square 240, Lots 6, 812, and 819). The Order was issued May 9, 2008. (BZA Order 17749)

¹ Prior to the hearing on the original application, the Applicant withdrew a request for a variance from subsections 2603.2 and 2607.9 as well as requests for a special exception from the ARTS design requirements.

PAGE NO. 2

Under the Order, and pursuant to § 3130.1 of the Zoning Regulations, the Order was valid for two years from the time it was issued – until May 9, 2010.

Section 3130.1² states:

No order [of the Board] authorizing the erection or alteration of a structure shall be valid for a period longer than two (2) years, or one (1) year for an Electronic Equipment Facility(EEF), unless within such period, the plans for the erection or alteration are filed for the purposes of securing a building permit, except as permitted in § 3130.6.

(11 DCMR § 3130.1)

Motion to Extend

On February 17, 2010, the Board received a letter from the Applicant, which requested, pursuant to 11 DCMR §3130.6,³ a two-year extension in the authority granted in the underlying BZA Order, which was due to expire May 9, 2010. (Exhibit 37).

The Applicant is requesting a two-year extension in the authority granted in the underlying BZA Order because, due to the deterioration of the real estate market in Washington, D.C., the Applicant has been unable to obtain the necessary financing commitment to begin the building renovation and construction, despite numerous attempts to obtain financing for the project. The Applicant provided a letter from its mortgage broker acknowledging that while there has been “progress” in the condominium market in the last 18 months and a resultant reduction in inventory due to conversion of condominiums to rentals, the mortgage broker did not anticipate enough of an improvement in the condominium and financing markets to allow the Applicant to find an acceptable loan before the BZA approval expired. (Exhibit 37, Exhibit B).

A response to the Applicant’s motion was filed by the Office of Planning (OP). OP issued a report in support of the time extension. (Exhibit 38).

The project is within the boundaries of ANC 2F. ANC 2F did not file a report.

According to the Applicant, the reasons for its request to the Board to extend the time of the Order are because of its inability to secure financing in an unstable

economic market and market conditions in the District. The extension would allow the Applicant the additional time in which to secure the permits and financing. Accordingly, the Applicant requested that, pursuant to § 3130.6 of the Regulations, the Board extend the validity of its prior Order, as conditioned, for an additional two years, thereby allowing the Applicant additional time to secure financing and apply for a building permit.

Criteria for Evaluating Motion to Extend

The Zoning Commission adopted 11 DCMR § 3130.6 in Zoning Commission Case No. 09-01. The Section became effective on June 5, 2009.

Section 3130.6 of the Zoning Regulations states in full:

- 3130.6 The Board may grant one extension of the time periods in §§ 3130.1 for good cause shown upon the filing of a written request by the applicant before the expiration of the approval; provided, that the Board determines that the following requirements are met:
- (a) The extension request is served on all parties to the application by the applicant, and all parties are allowed thirty (30) days to respond;

 - (1) An inability to obtain sufficient project financing due to economic and market conditions beyond the applicant's reasonable control;
 - (2) An inability to secure all required governmental agency approvals by the expiration date of the Board's order because of delays that are beyond the applicant's reasonable control; or

- (3) The existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control.

(11 DCMR § 3130.6)

The Board finds that the Applicant has met the criteria set forth in this provision. The filing of the motion on February 17, 2010, prior to the expiration date, tolled the effect of the order. The request was served on all the parties to the application and those parties were given 30 days in which to respond under § 3130.6(a). The Applicant's inability to secure the necessary permits and financing and the poor economic conditions in the District constitute the "good cause" required under § 3130.6(c)(1).

As required by § 3130.6(b), there is no substantial change in any of the material facts upon which the Board based its original approval. In requesting this extension of the Order, the Applicant's plans for development of the site would be unchanged from those approved by the Board in its Order dated May 9, 2008 (Exhibit No. 12 in the record). There have been no changes to the zone district classification applicable to the property or to the Comprehensive Plan affecting this site since the issuance of the Board's Order.

Neither the ANC nor any party to the application objected to an extension of the Order. The Board concludes that the extension of that relief is appropriate under the current circumstances.

Accordingly, pursuant to § 3130.6 of the Regulations, the Board hereby extends the validity of the underlying Order, for a period not to exceed two years from the current expiration date, thereby establishing a new expiration date of May 9, 2012.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this request for extension of time be **GRANTED** until May 9, 2012.

**ORDER ON MOTION TO EXTEND
THE VALIDITY OF BZA ORDER NO. 17753**

The Underlying BZA Order

On February 19, 2008, the Board of Zoning Adjustment (the Board or BZA) approved the Applicant's request for variances from the lot area requirements of § 401.3, the lot occupancy requirements of § 403.2, the rear yard requirements of § 404.1, the side yard requirements of §§ 405.3 and 405.9, and the front yard requirements of § 2516.5(b) and a special exception under § 2516 which authorizes exceptions to building lot control in residence districts to permit the construction of a new residential development in the R-4/R-3 District. premises 1226-1252 W Street, S.E. (Square 5782, Lots 98, 99, 694, 810, 811, 812 and 1022). The Order was issued February 21, 2008. (BZA Order 17753).¹

Under the Order, and pursuant to § 3130.1 of the Zoning Regulations, the Order was valid for two years from the time it was issued – until February 21, 2011.

Section 3130.1² states:

No order [of the Board] authorizing the erection or alteration of a structure shall be valid for a period longer than two (2) years, or one (1) year for an Electronic Equipment Facility (EEF), unless within such period, the plans for the erection or alteration are filed for the purposes of securing a building permit, except as permitted in § 3130.6.

(11 DCMR § 3130.1)

Motion to Extend

On February 18, 2010, the Board received a February 17, 2010 letter from the Applicant, which requested, pursuant to 11 DCMR § 3130.6,³ a two-year extension in the authority granted in the underlying BZA Order, which was due to expire February 21, 2010. (Exhibit 43).

The Applicant is requesting a two-year extension in the authority granted in the underlying BZA Order because, due to the deterioration of the real estate market in Washington, D.C., the Applicant has been unable to obtain the necessary financing commitment until recently to begin the project, despite attempts to obtain financing for the project ever since the Board originally approved it. To meet its burden of proof, the Applicant provided a signed and notarized affidavit which indicated that the Applicant has diligently sought financing and attempted to move forward with development of the site since the time of the BZA's original approval. The Applicant also noted that recently it reached an agreement in principle with a lender that will enable the Applicant to proceed with the project. The Applicant needs the time extension to continue to work with the prospective lender to negotiate the terms of the deal and execute financing documents. Meanwhile, the Applicant retained architectural and engineering professionals to prepare construction drawings and engineering work in order to proceed to obtain

² Section 3130.1 was amended by the addition of the phrase "except as permitted in § 3130.6" by the Zoning Commission in Z.C. Case No. 09-01. The amendment became effective on June 5, 2009.

a building permit as soon as financing is secured. The Applicant further demonstrated its commitment to the project by obtaining a raze permit and demolishing an unstable, dilapidated building on the site to prepare the site for construction. (Exhibit 43).

A response to the Applicant's motion was filed from the Office of Planning (OP). OP issued a report in support of the time extension. (Exhibit 44). The project is within the boundaries of ANC 8A. ANC 8A did not file a report.

According to the Applicant, the reasons for its request to the Board to extend the time of the Order are because of its inability to secure financing until recently in an unstable economic market and market conditions in the District. The extension would allow the Applicant the additional time in which to secure the permits and complete its negotiations with the recently-identified potential lender. Accordingly, the Applicant requested that, pursuant to § 3130.6 of the Regulations, the Board extend the validity of its prior Order for an additional two years, thereby allowing the Applicant additional time to secure financing and apply for a building permit.

Criteria for Evaluating Motion to Extend

The Zoning Commission adopted 11 DCMR § 3130.6 in Zoning Commission Case No. 09-01. The Section became effective on June 5, 2009.

Section 3130.6 of the Zoning Regulations states in full:

- 3130.6 The Board may grant one extension of the time periods in §§ 3130.1 for good cause shown upon the filing of a written request by the applicant before the expiration of the approval; provided, that the Board determines that the following requirements are met:
- (a) The extension request is served on all parties to the application by the applicant, and all parties are allowed thirty (30) days to respond;
 - (b) There is no substantial change in any of the material facts upon which the Board based its original approval of the application that would undermine the Board's justification for approving the original application; and

- (c) The applicant demonstrates that there is good cause for such extension, with substantial evidence of one or more of the following criteria:
- (1) An inability to obtain sufficient project financing due to economic and market conditions beyond the applicant's reasonable control;
 - (2) An inability to secure all required governmental agency approvals by the expiration date of the Board's order because of delays that are beyond the applicant's reasonable control; or
 - (3) The existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control.

(11 DCMR § 3130.6)

Furthermore, pursuant to 11 DCMR § 3130.9, for a request for a time extension to toll the expiration date of the underlying order for the sole purpose of allowing the Board to consider the request, the motion must be filed at least 30 days prior to the date on which an order is due to expire. The Applicant filed its request on February 18, 2010, which was less than the required 30-day period for tolling. By consensus, pursuant to § 3100.5, the Board granted the Applicant's request for flexibility and tolled the effect of the underlying Order.

Also, the Board found that the Applicant has met the criteria set forth in § 3130.6. The motion for a time extension was served on all the parties to the application and those parties were given 30 days in which to respond under § 3130.6(a). The Applicant's inability to secure the necessary permits and financing and the poor economic conditions in the District constitute the "good cause" required under § 3130.6(c)(1).

As required by § 3130.6(b), there is no substantial change in any of the material facts upon which the Board based its original approval. In requesting this extension of the Order, the Applicant's plans for development of the site would be unchanged from those approved by the Board in its Order dated February 21, 2008 (Exhibit No. 12 in the record)⁴. There have been no changes to the zone district

classification applicable to the property or to the Comprehensive Plan affecting this site since the issuance of the Board's Order.

Neither the ANC nor any party to the application objected to an extension of the Order. The Board concludes that the extension of that relief is appropriate under the current circumstances.

Accordingly, pursuant to § 3130.6 of the Regulations, the Board hereby extends the validity of the underlying Order, for a period not to exceed two years from the current expiration date, thereby establishing a new expiration date of February 21, 2012.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this request for extension of time be **GRANTED** until February 21, 2012.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception under section 205. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and OP reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 205, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
ZONING COMMISSION ORDER NO. 07-07A**

Z.C. Case No. 07-07A

**(Broadcast Residential Partners, LLC and the District of Columbia –
Two-Year PUD Time Extension @ Square 441, Lots 21, 66, 97, 814, 815, 855, and 857)
March 8, 2010**

Pursuant to notice, a public meeting of the Zoning Commission for the District of Columbia (the “Commission”) was held on March 8, 2010. At the meeting, the Commission approved the request of Broadcast Residential Partners, LLC on behalf of the property owner, the District of Columbia, (collectively “Applicants”) for a two-year time extension of the consolidated review and approval of a planned unit development (“PUD”) and related map amendment for Square 441, Lots 21, 66, 97, 814, 815, 855, and 857 (“Property”). The request was made pursuant to Chapters 1 and 24 of the District of Columbia Zoning Regulations. The Commission determined that this request was properly before it under the provisions of § 2408.10 of the Zoning Regulations.

FINDINGS OF FACT

1. By Zoning Commission Order No. 07-07, effective January 25, 2008, the Commission approved a PUD and related map amendment for the Property. The approved PUD provided for the development of a mixed-use, transit-oriented development located above the Shaw-Howard University Metrorail Station (“Project”). The Project included a mixture of office, retail, and residential uses and included “Radio One” as its signature office tenant. It also included a significant amount of affordable housing: it reserved 25% of the total number of residential units as affordable to households with an income between 31% and 120% of the Area Median Income. Zoning Commission Order No. 07-07 also approved a related map amendment from the ARTS/C-2-B Zone District to the C-2-C Zone District.
2. In order to construct the Project, the Applicants were required to (a) enter into an agreement with the Washington Metropolitan Area Transit Authority (“WMATA”) regarding the air rights above the Metrorail station; (b) finalize lease negotiations with Radio One; and (c) secure financing. Each of the three prerequisites posed challenges to development of the Project.
3. The Applicants’ negotiations with WMATA lasted approximately two years before an agreement was reached regarding the air rights above the Metrorail station. Similarly, the Applicants have been diligently negotiating a lease with Radio One to secure it as a lead tenant in the office space. Finally, the Applicant has acted in good faith over the last two years to secure financing for the Project. Its efforts have included pursuing alternative financing mechanisms such as New Markets Tax Credits.
4. Despite the Applicants’ efforts, it has not secured building permits for the project and Zoning Commission Order No. 07-07 was set to expire on January 25, 2010.

Z.C. CASE NO. 07-07A
PAGE 2

Accordingly, the Applicants filed a request on January 22, 2010 to extend the PUD approval and related map amendment for a period of two years.

5. Advisory Neighborhood Commission (“ANC”) 1B, the ANC within which the Property is located, was automatically a party in the instant case, as well as the original PUD case. Accordingly, the Applicant served the ANC a copy of the extension request and provided at least 30 days for them to respond. At its regularly scheduled meeting on February 4, 2010, the ANC voted unanimously in support of the time extension of the PUD. It submitted a letter dated February 10, 2010, indicating its support into the record.
6. The Office of Planning (“OP”) submitted a report dated February 26, 2010, into the record indicating its support of the time extension. OP stated that the Applicants demonstrated good cause for the requested extension.

CONCLUSIONS OF LAW

The Commission may extend the validity of a PUD for good cause shown upon a request made before the expiration of the approval, provided: (a) the request is served on all parties and all parties are allowed 30 days to respond; (b) there is no substantial change in any material facts upon which the Commission based its original approval of the PUD that would undermine the Commission’s justification for approving the original PUD; and (c) substantial evidence that there is good cause for the extension based on the criteria established in § 2408.11. (11 DCMR § 2408.10.) The three criteria under § 2408.11 are: (a) an inability to obtain sufficient project financing for the PUD, following an applicant’s good faith efforts to obtain such financing, because of changes in economic and market conditions beyond the applicant’s control; (b) an inability to secure all required governmental agency approvals for a PUD by the expiration date of the PUD Order because of delays in the governmental agency approval process that are beyond the applicant’s reasonable control; or (c) the existence of pending litigation or such other condition, circumstance, or factor beyond the applicant’s reasonable control that renders the applicant unable to comply with the time limits of the PUD order. (11 DCMR § 2408.11.)

The Commission concludes the Applicants complied with the notice requirements of 11 DCMR § 2408.10(a) by serving all parties with a copy of the Application and allowing them 30 days to respond.

The Commission concludes there has been no substantial change in any material facts that would undermine the Commission’s justification for approving the original PUD.

The Commission concludes the Applicants presented substantial evidence of good cause for the extension based on the criteria established by 11 DCMR § 2408.11(a). Specifically, the deterioration of the real estate market in the District of Columbia made it difficult for the Applicants to secure financing for the Project. Further, the Applicants worked diligently for two years to negotiate an agreement with WMATA regarding use of the air rights above the Metro

Station as well as with Radio One to secure the organization as its lead commercial tenant. Without financing or these agreements in place, the Applicants were not able to secure building permits for the Project prior to the expiration of the PUD and related map amendment.

The Commission concludes that its decision is in the best interest of the District of Columbia and is consistent with the intent and purpose of the Zoning Regulations.

The approval of the time extension is not inconsistent with the Comprehensive Plan.

DECISION

In consideration of the Findings of Fact and Conclusions of Law herein, the Zoning Commission for the District of Columbia hereby **ORDERS APPROVAL** of Case No. 07-07A for a two-year time extension of the PUD approval and related map amendment in Zoning Commission Order No. 07-07.

The final PUD and related map amendment approved by the Commission shall be valid until January 25, 2012, within which time an application shall be filed for a building permit, as specified in § 2409.1. Construction shall start no later than January 25, 2013.

For the reasons stated above, the Commission concludes that the Applicant has met its burden; it is hereby **ORDERED** that the Application be **GRANTED**.

On March 8, 2010, upon motion of Chairman Hood, as seconded by Commissioner Turnbull, the Zoning Commission **ADOPTED** the Order at its public meeting by a vote of **5-0-0** (Anthony J. Hood, William W. Keating, III, Konrad W. Schlater, Peter G. May, and Michael G. Turnbull to adopt).

In accordance with the provisions of 11 DCMR § 3028.8, this Order shall become final and effective upon publication in the *DC Register* on April 23, 2010.

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
ZONING COMMISSION ORDER NO. 07-23A**

Z.C. Case No. 07-23A

**(Georgetown University – Extension of the Validity of Z.C. Order No. 07-23)
November 23, 2009**

Pursuant to notice, a public meeting of the Zoning Commission for the District of Columbia (the “Commission”) was held on November 23, 2009. At the meeting, the Commission approved a request from the Presidents and Directors of Georgetown College (“Georgetown” or the “Applicant”), pursuant to 11 DCMR § 3130.6, for an extension to the validity of Z.C. Order No. 07-23 (the “Subject Order”), by granting a two-year extension of the time period set forth in § 3130.1 to file plans for: (1) the construction of a new Science Center, (2) construction of a new Athletic Training Facility, and (3) modifications to the approved Multi-Sport Facility, on the main campus of Georgetown University, for the purposes of obtaining a building permit.

FINDINGS OF FACT

1. By Z.C. Order No. 07-23, the Commission approved special exception approval of further processing applications for the construction of a new Science Center, construction of a new Athletic Training Facility, and modifications to the approved Multi-Sport Facility, as well as an amendment to an approved campus plan to accommodate the Athletic Training Facility. In addition, the Commission approved a special exception pursuant to §§ 3104 and 411 to locate the rooftop structure on the Science Center within the required setback from the exterior walls and a variance pursuant to § 3103 for the rooftop structure on the Science Center to exceed the height limit for roof structures.
2. Pursuant to 11 DCMR § 3035.5, the Commission uses the Board of Zoning Adjustment (“BZA”) rules of practice and procedure in processing, reviewing, and approving college and university uses.
3. Z.C. Order No. 07-23 became effective upon its publication in the *D.C. Register* on November 23, 2007. Pursuant to 11 DCMR § 3130.1, the Commission’s approval is valid for a period of two years. If no application for a building permit or motion for time extension is filed within that timeframe, the approval expires.
4. Section 3130.6 of the Zoning Regulations permits one extension of the time period in § 3130.1 “for good cause shown upon the filing of a written request by the applicant before the expiration of the approval.”
5. By letter dated October 15, 2009, the Applicant filed a request to extend the validity of Z.C. Order No. 07-23 for a period of two years, such that an application for a building permit must be filed no later than November 23, 2011. Pursuant to § 3130.6, the Applicant’s extension request addressed the requirements for extending the validity of the Subject Order. (Exhibit 1.) Specifically:

Z.C. ORDER No. 07-23A
Z.C. CASE No. 07-23A
PAGE 2

- a. Section 3130.6(a): The Applicant certified that the extension request was served on all parties to the original case on October 15, 2009, which provided those parties at least 30 days to respond;
 - b. Section 3130.6(b): The Applicant stated that no changes were proposed to the plans as previously approved in Z.C. Order No. 07-23, and there had been no substantial change in any of the material facts relied upon by the Commission in the original case; and
 - c. Section 3130.6(c): The Applicant provided substantial evidence that economic and market conditions beyond the Applicant's reasonable control impacted both fundraising and other financing mechanisms and resulted in Georgetown's inability to obtain sufficient project financing for the improvements.
6. The D.C. Office of Planning ("OP") submitted a report dated November 6, 2009, recommending approval of the two-year extension. (Exhibit 5.)
 7. Advisory Neighborhood Commission 2E ("ANC 2E") submitted a letter dated November 5, 2009, stating no objection to the extension of the prior approval. (Exhibit 4.)

CONCLUSIONS OF LAW

Pursuant to 11 DCMR § 3130.6 of the Zoning Regulations, the Commission may grant one extension of the time periods outlined in 11 DCMR § 3130.1 for good cause shown upon a request made before the expiration of the original approval. The Commission concludes that the Applicant has satisfied the provisions of § 3130.6. First, pursuant to § 3130.6(a), all parties to Z.C. Case No. 07-23 were served with a copy of the application on October 15, 2009, which permitted at least 30 days to respond prior to the Commission's public meeting. Second, pursuant to § 3130.6(b), there has been no substantial change in any of the material facts relied upon by the Commission in its original approval in Z.C. Order No. 07-23. Third, as required by § 3130.6(c), the Applicant has met the burden of proof of showing the existence of good cause based on an inability to obtain sufficient project financing due to economic and market conditions beyond the Applicant's reasonable control.

Based upon the record before the Commission, the Commission concludes that the Applicant has met the burden of proof pursuant to 11 DCMR § 3130.6 and that the requested extension should be granted.

The Commission is required under § 5 of the Office of Zoning Independence Act of 1990, effective September 20, 1990 (D.C. Law 8-163, D.C. Official Code §6-623.04) to give great weight to OP recommendations. The Commission notes and gives great weight to the recommendation of OP that the request satisfies the requirements of § 3130.6.

Z.C. ORDER No. 07-23A
Z.C. CASE No. 07-23A

The Commission is required pursuant to § 3 of the Comprehensive Advisory Neighborhood Commissions Reform Amendment Act of 2000, effective June 27, 2000 (D.C. Law 13-135; D.C. Official Code § 1-309.10(d)), to give great weight to the issues and concerns expressed in the affected ANC's written recommendation. The Commission has carefully considered ANC 2E's recommendation for approval and concurs in its recommendation.

DECISION

In consideration of the Findings of Fact and the Conclusions of Law herein, the Zoning Commission for the District of Columbia hereby **ORDERS APPROVAL** of the application for a two-year extension of the time period set forth in 11 DCMR § 3130.1 for the filing of the plans approved in Z.C. Order No. 07-23 for the purposes of obtaining a building permit; that is, until November 23, 2011.
